4 It is the intent of the parties signatory hereto that the provisions of this Agreement shall not become binding until adopted or accepted by the Board of Supervisors by appropriate action.

5 Moreover, it is the intent of the Mayor's acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Board's jurisdiction, powers, and authority to act as defined by the Charter. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this agreement over which the Mayor or the Board has no jurisdiction.

6 Any provision of this Agreement that is deemed by a Department, Commission, Board or Division to be an administrative matter within its jurisdiction shall be subject, at the option of the Union, to expedited arbitration to determine whether or not the provision is an administrative matter within the jurisdiction of the Department, Commission, Board or Division.

7 Matters determined to be administrative within the jurisdiction of the Department, Commission, Board or Division shall not be binding upon said Department, Commission, Board or Division unless and until said specific provision(s) have been approved and adopted in writing by the Department, Commission, Board or Division.

I.C. OBJECTIVE OF THE CITY

8 It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

9 The Union recognizes the City's right to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. The City shall meet and confer prior to the implementation of any production quotas. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission.

I.D. MANAGEMENT RIGHTS

10 The Union agrees that the City has complete authority for the policies and administration of all City departments which it shall exercise under the provisions of law and in fulfilling its responsibilities under this agreement. 11 The City and its departments retain all rights as set forth in the provisions in the Charter, existing ordinances and civil service rules establishing and regulating the civil service system; provided, however, that amendments to said existing ordinances may be proposed through the meeting and conferring process. These rights include, but are not limited to, the power, duty and right to hire, promote, transfer, assign and retain employees; to suspend or terminate for proper cause; to relieve employees of duties because of lack of work or lack of funds; to establish performance standards and evaluate employees; to determine and implement the methods, means, assignments, classifications, and personnel by which operations are to be conducted; and to initiate, prepare, modify and administer its budget.

12 It is mutually agreed and understood that during the period this Agreement is in force and effect the Union and employees covered by this Agreement will not authorize or engage in any strike, slowdown, or work stoppage.

I.F. GRIEVANCE PROCEDURE

13 The following procedure is adopted by the Parties to provide for the orderly and efficient disposition of grievances and is the sole and exclusive procedure for resolving grievances as defined herein.

14 A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement.

Time Limits

15 The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing. For purposes of calculation of time a "day" is defined as a "calendar day", including weekends and holidays.

STEPS OF THE PROCEDURE

- 16 Except for grievances involving multiple employees, all grievances must be initiated at Step 1 of the grievance procedure.
- 17 A grievance affecting more than one employee shall be filed with the appointing officer or designee. Grievances affecting more than one department shall be filed with the Employee Relations Division. In the event the City disagrees with the level at which the grievance is filed it may submit the matter to the Step it believes is appropriate for consideration of the dispute.
- 18 The grievant may have a Union representative present at all steps of the grievance procedure.
- 19 Step 1: An employee shall discuss the grievance informally with his/her immediate supervisor as soon as possible but in no case later than twenty (20) days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved.
- 20 If the grievance is not resolved within seven (7) days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor on a mutually agreeable grievance form. The grievance will set forth the facts of the grievance, the terms and conditions of employment claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant.
- 21 The immediate supervisor shall respond in writing within ten (10) days following receipt of the Step 1 written grievance.
- 22 Step 2: A grievant dissatisfied with the immediate supervisor's response at Step 1 may appeal to the intermediate supervisor, in writing within ten (10) days of receipt of the Step 1 answer. The intermediate supervisor must respond in writing within thirty (30) days of receipt of the Step 2 grievance.
- 23 Step 3: A grievant dissatisfied with the intermediate supervisor's response at Step 2 may appeal to the Appointing Officer or designee, in writing, within fifteen (15) days of receipt of the Step 2 answer. The Appointing Officer or designee shall respond in writing within thirty (30) days of receipt of the Step 3 grievance.
- 24 Step 4: A grievant dissatisfied with the Appointing Officer's response at Step 3 may appeal to the Director, Employee Relations, in writing, within twenty (20) days of receipt of the Step 3 answer. The Director shall respond to the appeal in writing within thirty-five (35) days of receipt of the Step 4 grievance.

ARBITRATION

25 If the Union is dissatisfied with the Step 4 response it may invoke arbitration by notifying the Director, Employee Relations in writing, within twenty (20) days of the date of the Step 4 decision.

Selection of the Arbitrator

26 When a matter is appealed to arbitration the parties shall first attempt to mutually agree upon an Arbitrator to hear the matter. In the event no agreement is reached within ten (10) working days, or any extension of time mutually agreed upon the parties shall request that the State Mediation and Conciliation Service provide the parties with a list of seven (7) potential arbitrators. The parties, by lot, shall alternately strike names from the list, and the name that remains shall be the arbitrator designated to hear the particular matter.

27 The parties may, by mutual agreement, agree to an alternate method of arbitrator selection and appointment, including, the expedited appointment of an arbitrator from a list provided by the State Mediation and Conciliation Service.

Authority of the Arbitrator

28 The arbitrator shall have no authority to add to, subtract from, modify or amend the terms of this Agreement. The decision of the Arbitrator shall be final and binding on all Parties.

Fees and Expenses of Arbitrator

29 Each party shall bear its own expenses in connection with the arbitration, including, but not limited to, witness and attorney's fees, and any fees for preparation of the case. Transcripts shall not be required except that either party may request a transcript provided, however, that the party making such a request shall be solely responsible for the cost: All fees and expenses of the arbitrator and the court reporter, if any, shall be split equally between the parties.

Hearing Dates and Date of Award

30 The parties shall make their best efforts to schedule hearings within forty (40) days of selection of an arbitrator. Awards shall be due within forty (40) days following the receipt of closing arguments. As a condition of appointment arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

31 Any claim for monetary relief shall not extend more than twenty (20) days prior to the

filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement. The arbitrator shall be required to deduct from any monetary awards all income derived from any subsequent employment or unemployment compensation received by the employee.

32 In the event a grievance is not filed or appealed in a timely manner it shall be dismissed. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.

STEPS OF THE PROCEDURE (DISCIPLINARY GRIEVANCES)

33 Step 1: The Union shall submit in writing to the Appointing Officer or designee a grievance appealing the disciplinary action within fifteen (15) days of the mailing date of the written notice imposing discipline. The grievance shall set forth the basis of the appeal. The Appointing Officer or designee shall respond within twenty (20) days following receipt of the appeal.

34 Step 2: The Union may appeal the Appointing Officer's decision to the Director of Employee Relations in writing within ten (10) days. The Director may convene a grievance meeting within twenty (20) days with the grievant and the grievant's Union. The Director shall respond to the grievance in writing within twenty (20) days of the meeting or if none is held within twenty (20) days of receipt of the appeal.

If the decision of the Director, Employee Relations is unsatisfactory, only the union may file a written appeal to arbitration with the Employee Relations Division no later than twenty (20) days following issuance of the final City decision.

Selection of the Arbitrator

35 Selection of an arbitrator shall be as in ARBITRATION above.

37 If agency shop is approved by a majority of those eligible to vote or be a showing of two-thirds (2/3) membership, the City agrees to establish an

agency shop within the represented unit.

38 2. Implementation of Agency Shop

Once agency shop has been established pursuant to the procedures outlined in Section I.G. above, the following shall apply.

39 a. Application

Except as provided otherwise herein, these provisions shall apply to all employees of the City in all classifications represented by the Union in representation Units 1-N and 1-P when on paid status.

40 These provisions shall not apply to individual employees of the City in representation Unit 1-N and 1-P who have been properly and finally determined to be management, confidential, or supervisory employees pursuant to Section 16.208 of the Employee Relations Ordinance.

41 The Employee Relations Director shall give the Union no less than ten working days prior notice of any such proposed designation. Except when an individual employee has filed a challenge to a management, confidential, or supervisory designation, the Employee Relations Director and the Union shall meet as necessary for the purpose of attempting to make such determinations by mutual agreement. Disputes regarding such designations shall promptly be resolved pursuant to Section 16.208(b) of the Employee Relations Ordinance.

 b. Agency Shop Fee

historically held conscientious objections to joining or financially supporting public employee organizations shall be excused from joining the Union or paying an agency fee to the Union, if such employee shall make a Qualified Charitable Contribution at the time and manner hereinafter prescribed:

44 a. The Qualified Charitable Contribution shall be the payment of a sum equal to the initiation fee, agency fee and general assessments and shall be paid in the amounts and at the times said fees and/or assessments would otherwise be due and payable if the employee were not exempt under this section.

45 b. The Qualified Charitable Contributions shall be paid to one or more of the following qualifies charities so long as such charity remains exempt from taxation under Section 501(c)(3) of the Internal Revenue Code:

46 c. Payment of Qualified Charitable Contributions by persons and at the times and manner described in this section, shall be a condition precedent to continued employment. The employee shall supply the City and Union with an acknowledgment of receipt from the qualified charity or other satisfactory evidence on a monthly basis that the Qualified Charitable Contribution has been paid in a timely fashion.

47 d. Any dispute between the Union and an employee as to whether an employee meets the eligibility requirements for payment of Qualified Charitable Contributions shall, at the request of the Union or affected employee, be decided by final and binding arbitration under the rules of the American Arbitration Association . 49 The Controller shall make membership fee or service fee deductions, as

appropriate, from the regular periodic payroll warrant of each City employee described in Section 1 hereof.

50 Service fees from nonmembers shall be collected by payroll deduction pursuant to Administrative Code Section 16.90, provided, however, that an employee may elect to make said service fee payments personally to the Union. Failure of an employee to comply with this Section shall be grounds for termination, in accordance with applicable City procedures.

51 The Controller will promptly pay over to the Union all sums withheld for service fees, less the fee for making such deductions. The Controller shall also provide with each payment a list of the employees paying service fees. All such lists shall contain the employee's name, employee number, classification, department number, and amount deducted. A list of all employees in represented classes shall be regularly provided to the Union, at a cost not to exceed the actual cost, as determined by the Controller.

Annually, the Union shall certify in writing to the City that the Union has complied with the requirements set forth in this section and in Hudson, 475 U.S. 292.

I.H. SHOP STEWARDS

- 57 1. The Union shall furnish the City with an accurate list of shop stewards in designated units. The Union may submit amendments to this list at any time because of the permanent absence of a designated shop steward. The City will only recognize those shop stewards officially designated in writing by the Union.
- 58 2. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level.

- 61 5. Shop stewards shall not interfere with the work of an employee. It shall not constitute interference with the work of an employee for a shop steward, in the course of investigating or processing a grievance, to interview an employee during the employee's duty time.
- 62 6. Shop stewards shall receive timely notice of and shall be permitted to make appearances at departmental orientation sessions in order to distribute Union materials and to discuss employee rights and obligations under this Agreement.

The Board of Supervisors urges all departments to, whenever possible, release people from their work locations in order to visit the Civil Service Commission with regard to matters affecting the particular individual as it pertains to testing and inspection of test results.

ARTICLE II - EMPLOYMENT CONDITIONS

II.A. PERSONNEL FILES

65 Upon request of an employee to the Appointing Officer or designee, material relating to disciplinary actions in the employee's personnel file which have been in the file for more than two (2) years shall be "sealed" (i.e. shall remain confidential) to the maximum extent legally permissible, provided the employee has no subsequent disciplinary action since the date of such prior action. Performance evaluations are excluded from this provision.

66 The above provision shall not apply in the case of employees disciplined due to misappropriation of public funds or property; misuse or destruction of public property; drug addiction or habitual intemperance; mistreatment of persons; immorality; acts which would constitute a felony or misdemeanor involving moral turpitude; acts which present an immediate danger to the public health and safety. In such cases, an employee's request for removal may be considered on a case by case basis, depending upon the circumstances, by the Appointing Officer or designee.

67 Once the statute of limitations for the filing of civil litigation has run involving any material that has been sealed, the removal provisions of paragraph one shall apply.

68 It is understood that replacing the word "removed" with the word "sealed" above shall not be construed to change the intent of this section with respect to the department's access to such material. Rather, the intent of this change is to assure that the material is not discarded or destroyed so that it is available to the City Attorney only on an as needed basis. In the event a sealed file is to be opened, the department will notify the employee and allow the employee and his/her representative to be present.

II.B. SENIORITY

69 It is recognized that the appointing authority has the sole authority regarding work shift assignments and the assignment of work generally. Nonetheless, and consistent with departmental operational needs, the Employee Relations Division, and the Union recommend and encourage City departments to give due consideration to departmental seniority in the bidding of work shifts, the making of temporary assignments and the selection of vacation time.

II.C. TRAVEL PAY

70 Employees who reside within the City and County of San Francisco and are assigned to work at San Francisco International Airport or Sharp Park shall be reimbursed for travel expenses to and from these locations in the amount of \$2.30 per day. Employees who reside within the City and County of San Francisco and are assigned to work at Millbrae shall be reimbursed for travel expenses to and from this location in the amount of \$2.00 per day.

71 Employees who reside within the City and County of San Francisco and are assigned to work at Sunol shall be reimbursed for travel expenses to and from Sunol in the amount of \$7.00 per day. In order for an employee to be eligible for this benefit, he or she must file a verified affidavit with the Civil Service Commission stating their legal residence is at a particular address in the City and County of San Francisco.

II.D. QUALIFIED APPLICATOR CERTIFICATE AND PESTICIDE CONTROL ADVISOR LICENSE

72 1. Employees who are required to obtain and maintain a valid Qualified Applicator Certificate and Pesticide Control Advisor License as a part of their work assignment shall continue to be reimbursed for continuing education classes required to maintain their license and the fee charged for renewing their certificate upon presentation of documentation that establishes verification of the successful completion of the course or renewal process.

73 2. The reimbursement authorized by this section shall apply only to the renewal of required certificates and not to their initial acquisition.

74 3. The City will reimburse the direct cost of acquiring and maintaining the license to those employees who work for the City departments who are required by their respective departments to use their advisor's license to write plans (advice) for the application of covered agents.

75 4. The City will also reimburse those employees referenced above who work for "City" departments for the cost of their membership in the California Agriculture Production Consultants Association when such membership is required by the department.

76 5. The City's negotiating representatives will attempt to attain a letter from the City Attorney setting forth the obligations of the City with respect to indemnification of employees for actions taken (or not taken) under their Pest Control Advisor License.

II.E. SUBCONTRACTING

1. "Prop J." Contracts

- 77 a. The City agrees to notify the Union no later than the date a department sends out Requests for Proposals when contracting out of a City service and authorization of the Board of Supervisors is necessary in order to enter into said contract.
- 78 b. Upon request by the Union, the City shall make available for inspection any and all pertinent background and/or documentation relating to the service contemplated to be contracted out.
- 79 c. Prior to any final action being taken by the city to accomplish the contracting out, the City agrees to hold informational meetings with the Union to discuss and attempt to resolve issues relating to such matters including, but not limited to,
- (1) possible alternatives to contracting or subcontracting;
 - (2) questions regarding current and intended levels of service;
 - (3) questions regarding the Controller's certification pursuant to Charter Section 10.104-15;
 - (4) questions relating to possible excessive overhead in the City's administrative-supervisory/worker ratio; and
 - (5) questions relating to the effect on individual worker productivity by providing labor saving devices.
- 80 d. The City agrees that it will take all appropriate steps to insure the presence at said meetings of those officers and employees (excluding the Board of Supervisors) of the City who are responsible in some manner for the decision to contract so that the particular issues may be fully explored by the Union and the City.

2. Personal Services Contracts

- 81 a. Departments shall notify the Union of proposed personal services contracts where such services could potentially be performed by represented classifications. Such notification shall occur no later than the date a department sends out requests for proposals.
- 82 b. If the Union wishes to meet with a department over a proposed personal services contract, the request must be made by the Union to the Human Resources Director with a copy forwarded to the appropriate department within two weeks after the receipt of notice by the Department.

- 83 c. Discussions shall include, but not be limited to, possible alternatives to contracting or subcontracting and whether the department staff has the expertise and/or facilities to perform the work. to each other in terms of their respective duties and levels of
responsibility and accountability in the organization.

- 132 e. The compensation grade of the supervisor is less than one full step (approximately 5%) over the compensation, grade exclusive of extra pay, of the employee supervised. In determining the compensation grade of a classification being paid a flat rate, the flat rate will be converted to a bi-weekly rate and the compensation grade the top step of which is closest to the flat rate so converted shall be deemed to be the compensation grade of the flat rate classification.
- 133 f. The adjustment of the compensation grade of the supervisor shall be to the nearest compensation grade representing, but not exceeding, one full step (approximately 5%) over the compensation grade, exclusive of extra pay, of the employee supervised.

If in the following fiscal year a salary inequity continues to exist, the Human Resources Director may again review the circumstances and may grant an additional salary adjustment not to exceed two (2) full steps (approximately 10%).

In recognition of the fact that: the State of California has designated funds for the direct compensation of persons who provide health care services in Skilled Nursing Facilities; the monies involved derive directly from the State of California and not from the funds of the City and County of San Francisco; the State of California seeks to provide “pass through” compensation for health care employees who are assigned to Skilled Nursing Facilities (“SNF”) for which the City and County receives funds through the State of California pursuant to the provisions of Welfare and Institutions Code Section 14110.6; the State law requires an August 1 to July 31 window period for determining compliance with the “pass through;” and that the law requires the city to repay such monies plus a 10% penalty should the City fail to comply.

143 The parties agree to provide for a premium to be paid to eligible employees at Laguna Honda Hospital in Skilled Nursing Facilities pursuant to the provisions of Welfare and Institutions Code Section 14110.6.

144 The total aggregate cost of the premium paid to all eligible employees including rollup and related costs shall not exceed the amount of state funding for all eligible “pass through” compensation and related costs. In no case will the total amount collectively for all unions involved exceed \$4 million per fiscal year for each fiscal year covered by this Agreement. The parties agree

to implement an on-going SNF wage pass through premium to be distributed via the payroll system. Eligibility and the method of payment shall be made by the facility as authorized by the Welfare Institution Code. The qualifying period for this compensation shall begin with the pay period closest to, but not earlier than August 1, and terminate July 31 of each fiscal year for which funds are available.

147 Appointing officers may require employees to work longer than the normal work day or longer than the normal work week. Any time worked under proper authorization of the appointing officer or his/her designated representative or any hours suffered to be worked by an employee, exclusive of part-time employees, in excess of the regular or normal work day or week shall be designated as overtime and shall be compensated at one-and-one-half times the base hourly rate which may include a night differential if applicable; provided that employees working in classifications that are designated in this Agreement as having a normal work day of less than eight (8) hours or a normal work week of less than forty (40) hours shall not be entitled to overtime compensation for work performed in excess of said specified normal hours until they exceed eight (8) hours per day or forty (40) hours per week, provided further, that employees working in a flex-time program shall be entitled to overtime compensation as provided herein when required to work more than eight hours in a day or eighty hours per payroll period. Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.

148 There shall be no eligibility for overtime assignment if there has been sick pay, sick leave or disciplinary time off on the preceding workday, or if sick pay, sick leave or disciplinary time off occurs on the workday following the last overtime assignment.

149 The Department of Human Resources shall determine whether work in excess of eight (8) hours a day performed within a sixteen (16) hour period following the end of the last preceding work period shall constitute overtime or shall be deemed to be work scheduled on the next work day.

150 No appointing officer shall require an employee not designated by a "Z" symbol in the Annual Salary Ordinance to work overtime when it is known by said appointing officer that funds are legally unavailable to pay said employee, provided that an

employee may voluntarily work overtime under such conditions in order to earn compensatory time off at the rate of time- and -one-half, pursuant to the provisions of this agreement.

151 Employees occupying positions determined by the Department of Human Resources as being exempt from the Fair Labor Standards Act and designated by a "Z" shall not be paid for over-time worked, but may be granted compensatory time off at the rate of one-and-one-half times for time worked in excess of normal work schedules.

152 Those employees subject to the provisions of the Fair Labor Standards Act who are required or suffered to work overtime shall be paid in salary unless the employee and the Appointing Officer mutually agree that in lieu of paid overtime, the employee shall be compensated with compensatory time off. Compensatory time shall be earned at the rate of time and one half. Employees occupying non "Z" designated positions shall not accumulate a balance of compensatory time earned in excess of 240 hours calculated at the rate of time and one half. Those employees occupying positions designated "L" shall not accumulate in excess of 480 hours calculated at time and one half.

153 The use of any sick leave shall be excluded from determining hours worked in excess of forty (40) hours in a week for determining eligibility for overtime payment.

RECORDATION OF OVERTIME

154 All overtime worked which is authorized by the appointing officer shall be recorded on separate timerolls.

155 Compensation for overtime worked as provided in this Section shall be paid on an hourly basis.

156 When improved methods of payroll processing are implemented and with the approval of the Human Resources Director and the Controller, such overtime may be recorded on the regular time rolls.

160 Employees who have established initial eligibility for floating days off and who subsequently separate from City employment, may, at the sole discretion of the appointing authority, be granted those floating day(s) off to which the separating employee was eligible and had not yet taken off.

2. HOLIDAYS THAT FALL ON A SATURDAY

161 For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under his/her jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 16.4 of the Administrative Code. Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year.

3. HOLIDAY COMPENSATION FOR TIME WORKED

162 Employees required by their respective appointing officers to work on any of the above specified or substitute holidays, excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid extra compensation of one additional day's pay at time-and-one-half the usual rate in the amount of 12 hours pay for 8 hours worked or a proportionate amount

Holiday compensation shall not be paid for work on the Friday preceding a Saturday holiday nor on the Monday following a Sunday holiday.

164 If the provisions of this Section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, he/she shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. Such days off must be taken within the fiscal year. In no event shall the provisions of this Section result in such employee receiving more or less holiday entitlement than an employee on a Monday through Friday work schedule.

5. HOLIDAY PAY FOR EMPLOYEES LAID OFF

165 An employee who is laid off at the close of business the day before a holiday who has worked not less than five previous consecutive work days shall be paid for the holiday.

6. EMPLOYEES NOT ELIGIBLE FOR HOLIDAY COMPENSATION

166 Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons working on an "as-needed" basis and work on a designated legal holiday shall be compensated at the normal overtime rate of time and one-half the basic hourly rate, if the employee worked forty (40) hours in the pay period in which the holiday falls. 167 Part-time employees, including employees on a reduced work week schedule, who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holidays as provided herein on a proportionate basis.

168 Regular full-time employees, are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

169 The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appointing officer.

8. FLOATING HOLIDAYS AND PAID FURLOUGH DAYS

170 Three (3) floating holidays in each fiscal year to be taken on days selected by the employee subject to the approval of the appointing officer-subject to prior scheduling approval of the appointing officer. Employees hired on an as-needed, intermittent or seasonal basis shall not receive the additional floating holidays. Floating holidays may not be carried forward from one fiscal year to the next except with the approval of the appointing officer. No compensation of any kind shall be earned or granted for floating holidays not taken.

171 Represented employees shall continue to receive two (2) paid furlough days in each fiscal year of this agreement.

III.H. TIME OFF FOR VOTING

III.I. SALARY GRADE PLAN AND SALARY ADJUSTMENTS

- 173 1. Appointments to positions in the City and County Service shall be at the
entrance rate established for the position except as otherwise provided herein.
- 174 2. Appointments may be made by an appointing officer at any step in the
compensation grade upon recommendation of the Human Resource Director
under the following conditions:
- 175 a. A former permanent City employee, following resignation with service
satisfactory, is being re-appointed to a permanent position in his/her
former classification; or
- 176 b. Loss of compensation would result if appointee accepts position at the
normal step; or
- 177 c. A severe, easily demonstrated and documented recruiting and retention
problem exists, such that all city appointments in the particular class
should be above the normal step; and
- 178 d. The Controller certifies that funds are available. To be considered,
requests for adjustment under the provisions of this Section must be
received in the offices of the Department of Human Resources not
later than the end of the fiscal year in which the appointment is made.
- 179 e. When the Human Resources Director approves appointments of all new
hires in a classification at a step above the entrance rate, the Human
Resources Director may advance to that step incumbents in the same
classification who are below that step.

180 3. PROMOTIVE APPOINTMENT IN A HIGHER CLASS

181 An employee who has completed six (6) months of service, and who is
appointed to a position in a higher classification deemed to be promotive shall
have his/her salary adjusted to that step in the promotive class as follows:

182 The employee shall receive a salary step in the promotive class which is closest
to an adjustment of 10% above the salary received in the class from which
promoted. The proper step shall be determined in the bi-weekly compensation
grade and shall not be above the maximum of the salary range of the
promotive class.

183 For purpose of this Section, appointment of an employee to a position in any
class with a higher salary grade shall be deemed promotive.

184 4. NON-PROMOTIVE APPOINTMENT

When an employee accepts a non-promotive appointment in a classification
having the same salary grade, or a lower salary grade, the appointee shall
enter the new position at that salary step which is the same as that received in
the prior appointment. If the salary steps do not match, then the employee
shall receive the salary step which is immediately in excess of that received in
the prior appointment, provided that such salary shall not exceed the
maximum of the salary grade.

5. RE-APPOINTMENT WITHIN SIX MONTHS

185 A permanent employee who resigns and is subsequently re-appointed to a
position in the same classification within six (6) months of the effective date
of resignation shall be re-appointed to the same salary step that the employee
received at the time of resignation.

6. COMPENSATION ADJUSTMENTS

a. Prior Fiscal Year

186 When an employee promoted to a higher class during a prior fiscal year
receives a lesser salary than if promoted in the same class and from the
same schedule step during the current fiscal year his/her salary shall be
adjusted on July 1, to the rate he/she would have received had he/she
been promoted in the current fiscal year.

187 The Department of Human Resources is hereby authorized to adjust
the salary and anniversary increment date of any employee promoted
from one class to a higher classification who would receive a lesser

salary than an employee promoted at a later date to the same classification from the same salary step in the same base class from which the promotional examination was held.

188

b. Salary Increase in Next Lower Rank

When a classification that was formerly a next lower rank in a regular civil service promotional examination receives a salary grade higher than the salary grade of the classification to which it was formerly promotive, the Department of Human Resources shall authorize a rate of pay to an employee who was promoted from such lower class equivalent to the salary he/she would have received had he/she remained in such lower class, provided that such employee must file with the Department of Human Resources an approved request for reinstatement in accordance with the provisions of the Civil Service Commission rule governing reinstatements to the first vacancy in his/her former classification, and provided further that the increased payment shall be discontinued if the employee waives an offer to promotion from his/her current classification or refuses an exempt appointment to a higher classification. This provision shall not apply to offers of appointment that would involve a change of residence.

189

The special rate of pay herein provided shall be discontinued if the employee fails to file and compete in any promotional examination for which he/she is otherwise qualified, and which has a compensation grade higher than the protected salary of the employee.

190

c. Flat Rate Converted to Salary Range

An employee serving in a class in the prior fiscal year at a flat rate which is changed to a compensation grade number during the current fiscal year, shall be paid on the effective date of such change the step in the current salary grade closest to, but not below, the prior flat rate and shall retain the original anniversary date for future increments, when applicable.

211 3. SINGLE EMPLOYEES HEALTH CARE CONTRIBUTION

For "medically single" employees, i.e., benefited employees not receiving the contribution paid by the City for dependant health care benefits, the City shall contribute all of the premium for the employee's own health care benefit coverage.

212 4. DENTAL COVERAGE

Each employee covered by this agreement shall be eligible to participate in the City's dental program.

213 The aforesaid payments shall not be considered as part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which is a function of or percentage of salary.

III.M. RETIREMENT PICK-UP

216 The aforesaid contributions shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

in a federally funded position shall be paid at a rate less than the established Federal Minimum Wage if that is a condition upon receipt of the Federal funds.

III.P. SICK LEAVE WITH PAY LIMITATION – DISABILITY LEAVES

222 An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the amount the employee would have earned for a regular work schedule. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.

III.Q. STATE DISABILITY INSURANCE ENABLER

223 Upon proper notification from the Union, the City shall cause all employees covered by this agreement to be covered by State Disability Insurance, the cost of which coverage is to be borne by the individual employee.

III.R. WORKER'S COMPENSATION AND SDI SUPPLEMENTATION

224 An employee who is absent because of an occupational or non-occupational disability ("disability leave") and who is receiving Worker's Compensation (Temporary Disability of Vocational Rehabilitation Maintenance Allowance) or State Disability Insurance ("disability indemnity pay"), may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule. Use of compensatory time requires the employee's appointing officer's approval.

225 Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.

226 An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence.

- 230 Effective July 1, 2002, any full-time employee leaving the employment of the City upon service or disability retirement may receive payment of a portion of accrued sick leave credits at the time of separation.
- 231 The amount of this payment shall be equal to two-and-one-half percent (2.5%) of accrued sick leave credits at the time of separation times the number of whole years of continuous employment times an employee's salary rate, exclusive of premiums or supplements, at the time of separation. Vested sick leave credits, as set forth under Civil Service Commission Rules, shall not be included in this computation.
- 232 Example of Calculation
- Employee A retires with 20 years of service.
Employee A has a sick leave balance of 500 hours.
Employee A has a base salary rate of \$25.00 per hour at the time of separation.
- 233 Wellness Incentive = 2.5% for each year of service x 20 years of service = 50%
50% x 500 hours = 250 hours.
250 hours x \$25.00 (base salary at time of separation) = \$6,250.00
- 234 The number of hours for which an employee may receive cash payments shall not exceed one thousand forty (1040) hours, including any vested sick leave.
- 235 A wellness incentive bonus payment shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.

APPENDIX A

MTA Performance Incentive Program & MTA Attendance Incentive Program

The MTA Performance and Attendance Incentive Programs of this Appendix A apply only to employees in “service-critical” classes at MTA.

The benefits of these programs are only available to “service-critical” employees while employed at MTA. Employees who leave or transfer out of “service-critical” employment at MTA lose the benefits of these programs.

MTA

ATTENDANCE INCENTIVE PROGRAM
(Non Transit Operator Personnel)

The following Attendance Incentive Program is established for non Transit Operator, “service-critical” employees at the Municipal Transportation Agency (MTA).

This MTA Attendance Incentive Program is available to “service-critical” personnel in Groups A and B as indicated on Exhibits A and B, and is offered separate and apart from any Wellness or Sick Leave “cash out” program the City may offer. The benefits of this program are not vested, and are only available to employees while in active employment status at the MTA. MTA employees who take employment in other City departments lose the benefits of this program upon the effective date of such non MTA employment.

ANNUAL SICK LEAVE “CASH OUT”/TIME OFF OPTIONS

If at the end of a “Qualifying Calendar Period” a full-time “service-critical” employee has not used more than a total of forty (40) hours (part-time “service-critical” employees twenty (20) hours) of sick leave, with or without pay, and or Disability Leave, and in addition has not been absent from work due to either Absence Without Leave (AWOL), leave without pay, or disciplinary suspension, may convert sick leave hours to “cash” or “time off” based on their accrued sick leave balance as shown below.

FULL-TIME	GROUP A	GROUP B
QUALIFYING BALANCE	“CASH OUT”	TIME OFF
240 hours or more sick leave balance	40 hours	3 days
PART-TIME	GROUP A	GROUP B
QUALIFYING BALANCE	“CASH OUT”	TIME OFF
120 hours or more sick leave balance	20 hours	2 days

Attendance Incentive Bonuses shall be paid to each qualifying employee no later than one (1) calendar month following the end of the Qualifying Calendar Period.

Employees in the groups eligible for the “time off” option shall be allowed to take their days off within ten (10) calendar months following the end of the Qualifying Calendar Period. The days off may be taken in single day increments or all at one time, subject to department/section scheduling.

NOTE: All sick leave hours “cashed out” or “taken off” shall be deducted from an employee’s total sick leave balance, however sick leave hours “cashed out” or “taken off” shall not count towards the forty (40) hours of sick leave used during the “Qualifying Calendar Period” above.

MTA Attendance Incentive Program (Cont'd)

QUALIFYING CALENDAR PERIOD

For purposes of this Attendance Incentive Program a “Qualifying Calendar Period” is defined as follows:

July 1, 2001 – June 30, 2002

July 1, 2002 – June 30, 2003

Sick leave hours “cashed out” shall be paid based on the employee’s “base hourly rate,” exclusive of any other premiums. The aforementioned incentive “cash out” premium shall not be considered as part of an employee’s compensation for the purpose of computing retirement benefits.

MTA
PERFORMANCE INCENTIVE PROGRAM

A Performance Incentive Program is established for “service-critical” employees at the Municipal Transportation Agency (MTA) in each of the following Occupational Groups:

- Maintenance Group
- Operations Group
- Administration Group

Service Standards are developed for each Occupational Group, and Performance Goals are established for each Service Standard. Service-critical employees responsible for achievement of Performance Goals are identified for each goal.

SERVICE STANDARDS

The following Service Standards are established for each Occupational Group:

MAINTENANCE GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Increase vehicle miles between road calls by mode.
3. Total number days of unscheduled absences.
4. Total number of lost days due to industrial injury/illness.

OPERATIONS GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Percentage of scheduled hours delivered.
3. Total number of lost days due to industrial injury/illness
4. Total number days of unscheduled absences.

ADMINISTRATION GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Total number days of unscheduled absences.

HOW PROGRESS IS MEASURED

Performance Goals will be developed each fiscal year for the above listed Service Standards. For each Performance Goal, a Mode and/or Division Goal may be established. Progress toward achievement of these Performance Goals will be tracked and measured each fiscal year. A “Qualifying Fiscal Year” is defined as follows:

July 1, 2001 – June 30, 2002

July 1, 2002 – June 30, 2003

MTA Performance Incentive Program (Cont’d)

When Performance Goals are achieved, Incentive Bonuses will be paid to eligible employees in each Occupational Group at the end of a fiscal quarter during which goal(s) were achieved. A “Qualifying Fiscal Quarter” is defined as follows:

1. July 1, - September 30
2. October 1, - December 31
3. January 1, - March 31
4. April 1, - June 30

INCENTIVE BONUSES

Incentive Bonuses will be paid quarterly based on Occupational Group achievement of one or more of the Performance Goals established for each Service Standard. Separate bonuses will be paid based on achievement of overall Occupational Group Goals and/or Mode or Division Goals.

Incentive Bonuses will be paid to each eligible “service-critical” employee of an Occupational Group following a Qualifying Calendar Quarter during which a group goal(s) were achieved. Bonuses will be paid no later than sixty (60) calendar days following the end of a Qualifying Calendar Quarter during which group goals were achieved. Incentive Bonuses will be itemized and paid by check to each eligible group member, after deducting applicable federal and state taxes.

Incentive Bonuses shall not be considered as part of an employee’s compensation for the purpose of computing retirement benefits.

Incentive Bonuses will be paid to eligible “service-critical” employees based on the achievement of Occupational Group and/or Mode/Division Goals as follows:

OVERALL GROUP GOALS

Number of Goals Achieved	Quarterly Bonus
Four (4) Group Goals achieved	\$150.00
Three (3) Group Goals achieved	90.00
Two (2) Group Goals achieved	60.00
One (1) Group Goal achieved	30.00

MTA Performance Incentive Program (Cont'd)

MODE/DIVISION GOALS

Number of Goals Achieved	Quarterly Bonus
Four (4) Mode/Division Goals achieved	\$225.00
Three (3) Mode/Division Goals achieved	150.00
Two (2) Mode/Division Goals achieved	90.00
One (1) Mode/Division Goals achieved	60.00

ELIGIBLE EMPLOYEE CRITERIA

To be eligible to receive payment of an Incentive Bonus, an employee must have actually worked a minimum of 400 hours in each Qualifying Fiscal Quarter, and not have sustained discipline of a suspension or higher. Authorized absences including vacation, legal holidays, and floating holidays shall be considered as "time worked" when computing actual hours worked.

GOAL MONITORING AND MEASUREMENT

Performance Goals will be monitored, measured, and reported in the San Francisco Municipal Railway "Services Standards" Quarterly Report.

SENIOR MANAGEMENT AND SENIOR ADMINISTRATIVE CLASSIFICATIONS

When more than one goal is achieved, the amount of Incentive Bonuses for "service-critical" senior level management and senior administrative classifications with multi-divisional or multi-mode responsibility will be determined by the General Manager in his/her sole discretion. Classifications so affected are identified for each goal.
