**PREAMBLE**

This agreement, hereinafter referred to as the Agreement, entered into by the State of California, hereinafter referred to as the State or the employer, pursuant to Section 3512 of the Government Code, and the CDF Firefighters, Local 2881, IAFF, hereinafter referred to as CDF Firefighters or Union, has as its purpose the promotion of harmonious labor relations between the State and the CDF Firefighters: establishment of an equitable and peaceful procedure for the resolution of differences; and, the establishment of rates of pay, hours of work, and other conditions of employment.

The term "Agreement" as used herein means the written agreement provided under Section 3517.5 of the Government Code. The term "State" refers to the employer and all of its agencies or departments. The California Department of Forestry and Fire Protection or "CDF" refers to that subdivision of the State. The State Lands Commission or the "Commission" refers to another subdivision of the State. The California State Department of Parks and Recreation or "Parks & Rec." refers to another subdivision of the State. The term "department" refers to those subdivisions of the State which employ members of Bargaining Unit 8.

**ARTICLE 1 RECOGNITION****Section 1.1 Recognition**

- 1.1.1 Pursuant to Public Employment Relations Board decision No. 198, and subsequent decisions, the State recognizes CDF FIREFIGHTERS as the exclusive negotiating agent for all employees in the Firefighter Unit.
- 1.1.2 Pursuant to Government Code Section 3517 CDF FIREFIGHTERS recognizes the Director of the Department of Personnel Administration or his/her designee as the negotiating representative for the State and shall negotiate exclusively with the Director or his/her designee, except as otherwise specifically spelled out in the Agreement.

**ARTICLE 2 REPRESENTATION RIGHTS****Section 2.1 Grievance Representatives**

- 2.1.1 The State recognizes and agrees to deal with designated grievance representatives of CDF FIREFIGHTERS on all matters relating to grievances.
- 2.1.2 A written list of CDF FIREFIGHTERS grievance representatives serving each existing CDF FIREFIGHTERS Chapter, each Region, and the State level shall be furnished to the State immediately after their designation. CDF FIREFIGHTERS shall notify the Labor Relations Officer promptly of any changes of such grievance representatives (or their alternates as described below).

There shall be no more than two grievance representatives per existing CDF FIREFIGHTERS Chapter, but alternates may be named to act in the absence of each such representative. Similarly, alternates may be named for the representatives at the Region level and at the State level. There shall be no more than two grievance representatives per each Region, and for the State level.

- 2.1.3 Upon request of an aggrieved employee, or upon filing of a grievance by CDF FIREFIGHTERS itself, a CDF FIREFIGHTERS grievance representative may investigate the grievance, provided it is in his/her existing Chapter, except in the case of State level representatives who operate statewide or in the case of Region level representatives who operate region wide, and may assist in the grievance presentation. He/she shall be allowed reasonable time for the purpose of representing employees in Unit 8 during working hours without loss of compensation, subject to prior notification and approval by his/her immediate supervisor, which shall reasonably be granted. No more than one grievance representative will be released without loss of compensation at the Chapter or Region level.

## **Section 2.2 Access**

- 2.2.1 CDF FIREFIGHTERS representatives may visit the work site for purposes related to the implementation of this Agreement or for lawful CDF FIREFIGHTERS business. Access shall not unreasonably be withheld and shall not interfere with the work of the employees. CDF FIREFIGHTERS representatives must provide reasonable notice in advance of the visit to the unit manager, department head or designee.
- 2.2.2 The department head, unit manager or designee may reasonably restrict access to certain work sites or areas for reasons of safety, privacy, public order or other business related reasons.

## **Section 2.3 Distribution of Literature**

CDF FIREFIGHTERS representatives may, during non-working hours or during the meal break, distribute employee organization literature in accordance with department access policy. CDF FIREFIGHTERS agrees that nothing of a libelous, racist, sexist, obscene, or partisan political nature shall be so distributed.

## **Section 2.4 Use of State Facilities**

The State will continue to permit use of facilities for CDF FIREFIGHTERS meetings, subject to the operating needs of the State. Requests for use of such State facilities shall be made in advance to the appropriate State official and such requests shall reasonably be granted. When required, CDF FIREFIGHTERS shall reimburse the State for additional expenses, such as security, maintenance and facility management costs, or utilities, incurred as a result of CDF FIREFIGHTERS' use of such State facilities.

## **Section 2.5 Bulletin Boards**

- 2.5.1 CDF FIREFIGHTERS may have access to employee organization bulletin boards at all work facilities to post materials related to CDF FIREFIGHTERS activities. Any materials posted must be dated and initialed by the CDF FIREFIGHTERS representative responsible for the posting and a copy of all materials posted must be distributed to the unit manager or his/her designee at the time of posting.
- 2.5.2 Where bulletin boards exist, the Department shall provide reasonable bulletin board space for the exclusive use of CDF FIREFIGHTERS. However, at its option and expense CDF FIREFIGHTERS may provide and install at one or more facilities a bulletin board (with optional cover and lock) not to exceed 36" x 48" in size and to be placed in a reasonable location accessible to all employees. There shall be a board on each floor in the Sacramento facility.
- 2.5.3 CDF FIREFIGHTERS agrees that nothing of a libelous, racist, sexist, obscene, or partisan political nature shall be posted on employee organization bulletin boards or bulletin board space.

## **Section 2.6 Use of State Phones**

CDF FIREFIGHTERS stewards and officers shall be permitted reasonable use of department phones to make calls for CDF FIREFIGHTERS representation purposes provided, however, that such use of the phones does not result in additional charges to the State or interfere with their work or the operations of the State. When a Unit 8 steward or officer is called by a management representative while on duty, the steward or officer may return the call without charge. A CDF FIREFIGHTERS steward or officer may return a call to a management representative even though the call may result in a cost to the state.

## **Section 2.7 Release Time Bank**

- 2.7.1 Unit 8 employees shall also be permitted to contribute to the CDF FIREFIGHTERS Release Time bank for use by CDF FIREFIGHTERS representatives in conducting business with the State. There shall be no limit on the amount of time donated. The time donated may be from: CTO, vacation and/or holiday hour credits. Twenty employees designated by CDF FIREFIGHTERS may regularly draw upon the bank for meeting and conferring, handling grievances, representing members, and other legitimate Association business that does not conflict with the goals and operation of the CDF. Four designated representatives may authorize the other employees to draw from this bank to carry on bona fide Association business upon reasonable (normally 72 hours) advance notice to CDF management. CDF management shall reasonably grant requested release time based upon the operational needs of the Department.
- 2.7.2 All hours shall be treated equal for purposes of this Section. Hours shall be recorded and used at the 40-hour clock. CDF FIREFIGHTERS shall provide verification, upon request, that any employee withdrawing from the bank was indeed on bona fide Association business.

- 2.7.3 Employees will voluntarily execute such necessary forms as provided by CDF FIREFIGHTERS and utilize a code number on their attendance report form, to be established by the Department, to authorize transfer of existing hours credit to or withdrawal from the Bank. The form provided by CDF FIREFIGHTERS shall include a box to indicate what amount of time is to be transferred. The Department shall keep records of donations by employees for examination and verification upon request by CDF FIREFIGHTERS. Such verification shall be provided no more than quarterly. The hours each employee contributes shall be transferred into the Bank, with a quarterly total of the hours available in the Bank to be provided CDF FIREFIGHTERS upon request.
- 2.7.4 Hours shall be donated in full-day increments and withdrawn in half-day increments.

## **Section 2.8 Full Time Release Time**

- 2.8.1 The State shall allow up to two full years of release time per year for the President of CDF Firefighters (or his/her designee) and one other designee to conduct legitimate Union business. Such full time release time shall result in no loss of compensation (salary or benefits).
- 2.8.2 Once each year, on or about November 30<sup>th</sup>, the employer shall buy down the leave credits of the President and the other designee (usually the Rank and File Representative) to either the (a) the normal carry-over maximum or (b) the amount the person brought with him/her into office, whichever is higher.

## **Section 2.9 Union Leaves**

CDF FIREFIGHTERS shall have the choice of requesting an unpaid leave of absence or a union paid leave for a CDF FIREFIGHTERS bargaining unit official or steward. An unpaid leave of absence may be granted by the State pursuant to the unpaid leave of absence provisions in this agreement. A union paid leave may be granted at the discretion of the affected department head or designee in accordance with the following:

- 2.9.1 The department head or designee receives a written request, signed by the employee and the authorized CDF FIREFIGHTERS representative, one (1) month prior to the planned effective date of the leave.
- 2.9.2 A union paid leave shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.
- 2.9.3 CDF FIREFIGHTERS agrees to reimburse the department for actual expenses related to the employee's salary and benefits for the whole time the employee is off on a union paid leave.
- 2.9.4 The affected employee shall have no right to return from a union paid leave earlier than the agreed upon date without the approval of the department head or designee.

- 2.9.5 Except in emergencies or layoff situations, a union paid leave shall not be terminated by the department head or designee prior to the expiration date.
- 2.9.6 Employees on a union paid leave shall suffer no loss of compensation or benefits.
- 2.9.7 Whether or not time for a union paid leave is counted for merit purposes shall be determined by the State Personnel Board and such determination shall not be grievable or arbitrable.
- 2.9.8 Employees on union paid leave and CDF FIREFIGHTERS shall waive any and all claims against the State for Workers' Compensation and Industrial Disability Leave.
- 2.9.9 In the event an employee on a union paid leave, as discussed above, files a workers' compensation claim against the State of California or any agency thereof, for an injury or injuries sustained while on a union paid leave, CDF FIREFIGHTERS agrees to indemnify and hold harmless the State of California or agencies thereof, from both workers' compensation liability and any costs of legal defense incurred as a result of the filing of the claim.

## **ARTICLE 3 CDF FIREFIGHTERS ORGANIZATIONAL SECURITY**

### **Section 3.1 Payroll Dues Deduction**

- 3.1.1 It is the intent of this Section to provide for payroll deductions of CDF FIREFIGHTERS members in Unit 8, relative to dues, assessments, and insurance programs. CDF FIREFIGHTERS dues, regular and general assessments, and other membership benefit deductions properly and lawfully authorized will be deducted by the State from the salary of each employee in an amount specified by the CDF FIREFIGHTERS and in accordance with State Controller's Office administrative policies and procedures and transmitted to CDF FIREFIGHTERS. Amounts deducted shall be set by CDF FIREFIGHTERS and changed by the State upon written request of CDF FIREFIGHTERS. The CDF FIREFIGHTERS agrees to pay charges for service in accordance with State Controller's Office administrative procedures. The State agrees to provide prior notification of State Controller's Office service rate changes to the CDF FIREFIGHTERS.
- 3.1.2 The written authorization for CDF FIREFIGHTERS dues deductions shall remain in full force and effect during the life of this Agreement; provided, however, that any employee may withdraw from CDF FIREFIGHTERS by sending a signed withdrawal letter to CDF FIREFIGHTERS within 30 calendar days prior to the expiration of this Agreement.
- 3.1.3 The CDF FIREFIGHTERS hereby agrees in consideration of forbearance by the State Controller, at the request of the CDF FIREFIGHTERS of the Controller's right to require a waiver from State employees of any liability for inadvertence or error, as a condition of making payroll deductions for payment to the CDF FIREFIGHTERS pursuant to the Government Code Section 1156(d), and of

benefits accruing to the CDF FIREFIGHTERS as a result of such forbearance, the CDF FIREFIGHTERS hereby agrees to save the State of California, the State Controller and his/her employees harmless from liability for any errors in withholding or transmitting payroll deduction moneys for the CDF FIREFIGHTERS except for liability to the CDF FIREFIGHTERS for moneys actually withheld, but not transmitted.

## **Section 3.2 Fair Share**

- 3.2.1 Effective June 1, 1992, the State Employer agrees to deduct and transmit to CDF FIREFIGHTERS all deductions authorized on a form provided by CDF FIREFIGHTERS and, pursuant to Government Code Section 3513.7, to deduct and transmit to CDF FIREFIGHTERS all Fair Share fees from State employees in Unit 8 who do not elect to become members of CDF FIREFIGHTERS. Such authorized dues deductions and Fair Share fees shall be remitted monthly to CDF FIREFIGHTERS along with an adequate itemized record of deductions. CDF FIREFIGHTERS shall pay any reasonable costs incurred by the State Controller. The State employer shall not be liable in any action brought by a State employee seeking recovery of, or damages for improper use or calculation of Fair Share fees and CDF FIREFIGHTERS agrees to hold the State employer harmless for any such action.
- 3.2.2 Effective June 1, 1992, any employee may withdraw from CDF FIREFIGHTERS by sending a signed withdrawal letter to CDF FIREFIGHTERS with a copy to the State Controller, as provided for in Section 3.1.2. Employees who withdraw from CDF FIREFIGHTERS shall be subject to paying a CDF FIREFIGHTERS Fair Share fee as provided above.
- 3.2.3 The amount of membership dues and Fair Share fees shall be set by CDF FIREFIGHTERS and changed by the State upon written notice from CDF FIREFIGHTERS. CDF FIREFIGHTERS agrees to notice all affected employees any time there is a change in membership dues or Fair Share fees.
- 3.2.4 CDF FIREFIGHTERS agrees to indemnify, defend and hold the State harmless against any claims made of any nature and against any suit instituted against the State arising from its check off for CDF FIREFIGHTERS deductions. Under no circumstances is membership in CDF FIREFIGHTERS or payment of CDF FIREFIGHTERS Fair Share fees a condition of State employment for employees covered by this Agreement.
- 3.2.5 CDF FIREFIGHTERS shall provide within a reasonable time after the ratification of this agreement (but a time period exceeding sixty days) at its option either 1) evidence of a bond or insurance policy in the sum of \$10,000 or 2) the creation of a trust holding a minimum of \$10,000, to insure that financial ability to carry out the duty of fair representation toward members of the unit shall continue during the life of this Agreement.
- 3.2.6 Pursuant to Government Code Section 3515.7(c), any employee who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to financially support CDF FIREFIGHTERS. That employee, in lieu of a membership fee or a Fair Share fee deduction, shall instruct the State employer,

via a means prescribed by the State Controller, to deduct and pay sums equal to the Fair Share fee to a nonreligious, nonlabor organization, charitable fund approved by the State Board of Control for receipt of charitable contributions by payroll deductions.

- 3.2.7 If an employee holds conscientious objections pursuant to this item and requests individual representation in a grievance, arbitration, or administrative hearing from CDF FIREFIGHTERS, CDF FIREFIGHTERS may charge the employee for the reasonable cost of such representation.
- 3.2.8 An employee who pays a Fair Share shall be entitled to fair and impartial representation by CDF FIREFIGHTERS. A breach of this duty shall be deemed to have occurred if CDF FIREFIGHTERS' conduct in representation is arbitrary, discriminatory, or in bad faith.
- 3.2.9 CDF FIREFIGHTERS agrees to keep an adequate record of its financial transactions and shall make available annually, to the Public Employment Relations Board (PERB) and to employees in Unit 8, within ninety (90) days after the end of its fiscal year, a detailed written financial report in the form of a balance sheet and an operating statement, certified as to accuracy by the president and treasurer or comparable officers of CDF FIREFIGHTERS. In the event of failure to comply with this section, any employee or the State employer in Unit 8 may petition the PERB for an order compelling compliance.
- 3.2.10 CDF FIREFIGHTERS agrees to notify any State employee who pays a Fair Share fee of his or her right to demand and receive from CDF FIREFIGHTERS a return of any part of that fee paid by him or her which represents the employee's traditional pro rata share of expenditures by CDF FIREFIGHTERS that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the employee's terms and conditions of employment, or applied toward the cost of any other benefits available only to members of CDF FIREFIGHTERS.
- 3.2.11 The State and CDF FIREFIGHTERS agree that if a Fair Share rescission election is conducted in Unit 8 pursuant to Government Code Section 3515.7(d), a majority of those votes cast rather than a majority of members in the unit, shall determine whether the Fair Share deductions shall continue.
- 3.2.12 For operational reasons, both parties agree to use all possible efforts to insure that such election shall not be held in the extreme fire danger months of June, July, August, or September.
- 3.2.13 No provision of this article shall be subject to the grievance and arbitration procedure contained in this Agreement.

- 5.1.2 CDF FIREFIGHTERS agrees to notify all of its officers, stewards, and staff of their obligation and responsibility for maintaining compliance with this Section, including the responsibility to remain at work during an interruption, which may be caused or initiated by others, and to encourage employees violating this Section to return to work.
- 5.1.3 The State may discharge, suspend, demote, or otherwise discipline any employee who violates this Section. The State and CDF FIREFIGHTERS will work together during this agreement to solve these problems.

## **Section 5.4 Pay Warrants**

## **Section 5.9 Nepotism**

- 5.9.1 Nepotism is generally defined as the practice of an employee using his/her influence or power to aid or hinder another in the employment setting or situation because of a personal relationship. Employment settings or situations referenced are either:
- 5.9.1.1 Working in close quarters and in association with one another; or,
  - 5.9.1.2 Working for the same immediate supervisor; or,
  - 5.9.1.3 Having a direct supervisor/subordinate relationship.

- 5.9.3 CDF FIREFIGHTERS and the State recognize that there are many situations in State service where two individuals who have a personal relationship may appropriately be allowed to work in the same program, activity, or location without adverse impact. However, in circumstances where work, safety, morale or impartial supervision is demonstrably and adversely impacted by a personal relationship, the affected employees may be accommodated by the reassignment of one or the other to the next available vacancy in his/her classification within reasonable commute distance.
- 5.9.4 Nothing in this section precludes mandatory reassignments, transfers or other administrative action by the department to avoid or correct nepotism situations.

## **Section 5.12 State-Owned Housing Rentals**

- 5.12.1 The State may increase rental rates for State-owned housing by 25% up to the fair market value each year of this agreement. If the rental unit becomes vacant, rental rates may be increased to fair market value upon change of tenancy. Prior to actual tenancy, the employee will be advised of the actual rate. Metered utility charges, which are not charged at actual cost, may be increased to actual cost during the life of this agreement. The State must give the individual tenant the normal notice required by law before any rental increase. In addition, if an appraisal shows that rent is above fair market value, rent shall be reduced to fair market value.
- 5.12.2 The department reserves the right to rent or not to rent any State-owned housing unit to any employee.
- 5.12.3 At any time during the life of this agreement, the department shall have the right to discontinue renting any State-owned rental unit(s). When such a decision is made, the affected employee's tenancy shall be terminated by giving written notice at least thirty (30) days prior to the date termination is to become effective. The tenancy shall be terminated consistent with Civil Code 1946.
- 5.12.4 No employee can be required to live in State-owned housing as a condition of employment if rental is charged for the housing.

The parties may mutually agree to waive any steps of the grievance procedure.

### **Section 6.5 Presentation**

At any step of the grievance procedure, the Employer representative and/or CDF FIREFIGHTERS itself, may determine it desirable to hold a grievance conference. If a grievance conference is scheduled, the grievant or a CDF FIREFIGHTERS grievance representative, or both, may attend.

An employee grievance initially shall be discussed with the employee's immediate supervisor within seven calendar days after the alleged contract violation or after knowledge of same reasonably should have been acquired or if,

of a continuing nature, within seven calendar days of grievants first awareness of the alleged continuing violation. The immediate supervisor shall give his/her decision or response within seven calendar days from the informal discussion.

## **Section 6.9 Formal Grievance - Step 1**

- 6.9.1 If an informal grievance is not resolved to the satisfaction of the grievant, a formal grievance may be filed by the grievant or CDF FIREFIGHTERS no later than:
  - 6.9.1.1 20 calendar days after the alleged violation or after knowledge of same reasonably should have been acquired, or after the date of grievants first awareness of an alleged continuing violation.
  - 6.9.1.2 Within 10 calendar days of the decision rendered in the informal grievance procedure, whichever is later.
  - 6.9.1.3 It is understood that CDF FIREFIGHTERS itself may file a grievance without informal discussion.
- 6.9.2 A formal grievance shall be initiated in writing and shall be filed with the unit manager or designee.
- 6.9.3 Within 20 calendar days after receipt of the formal grievance, the first formal level reviewer shall respond in writing to the grievance.

CDF FIREFIGHTERS shall provide a list with mailing addresses of such representatives. The postmark shall be the determinative of the mailing date.
- 6.9.5 CDF FIREFIGHTERS shall be served a copy of any formal grievances not filed by CDF FIREFIGHTERS itself. ## **Section 6.10 Formal Grievance - Step 2**

- 6.10.1 If the grievant (this term includes CDF FIREFIGHTERS where it filed the grievance) is not satisfied with the decision rendered pursuant to Step 1, the grievant may appeal the decision within 20 calendar days to the person designated by the CDF Director as the second level of appeal. If the CDF Director or designee is the first level of appeal, the grievant may bypass Step 2.
- 6.10.2 Within 20 calendar days after receipt of the appealed grievance, the person designated by the CDF Director as the second level of appeal shall respond in writing to the grievance. The response shall be delivered as in Sections 6.9.3, 6.9.4 and 6.9.5 above.

### **Section 6.11 Formal Grievance - Step 3**

- 6.11.1 If the grievant is not satisfied with the decision rendered pursuant to Step 2, the grievant may appeal the decision within 20 calendar days to the designated third level of appeal. If the CDF Director or designee is the second level of appeal, the grievant may bypass Step 3.

### **Section 6.14 Formal Grievance - Step 5 - Arbitration**

- 6.14.1 If CDF FIREFIGHTERS is not satisfied with the decision rendered, then within 30 calendar days, CDF FIREFIGHTERS only may take the matter to Step 5, final and binding Arbitration. If the parties cannot agree on a neutral arbitrator, then the arbitrator will be chosen from a mutually agreeable panel.
- 6.14.2 Where arbitration is demanded, the parties will attempt to mutually select an arbitrator. If the parties do not agree, an arbitrator will be chosen from the following panel in the following manner:

## **Section 6.15 Immediate Arbitration**

Either party may waive the time limits specified herein and proceed to immediate arbitration in any case where either party alleges the other is threatening to take an action in violation of this MOU, which could result in irreparable injury, in so short a period of time as to disallow the other party from proceeding within said time limits and in circumstances where an arbitrator acting under the usual time limits should not effect an adequate remedy. In any such case, the arbitrator shall have full equitable powers to frame a decision, including an order to the party initiating the grievance to abide by the time limits provided in this section or for a restraining order against the party threatening the action, or any other form of arbitration order that would resolve the matter in an equitable and just manner.

## **Section 6.16 Arbitration Decision**

- 6.16.1 The decision of the arbitrator shall be final and binding. The parties contemplate an expedited decision-making process after the arbitration hearing is ended. They contemplate oral arguments only, with no post-hearing briefs. However, if one party seeks post-hearing briefs, with or without the preparation of a transcript by the court reporter, and the arbitrator determines that the case calls for such post-hearing brief, he/she may allow same, with or without the preparation of a transcript.
- 6.16.2 The parties shall split the cost of the arbitrator, court reporter, and the like, but shall bear their own representation costs.

## **Section 6.17 Limits of Arbitrator's Authority**

- 6.17.1 The arbitrator shall limit his/her decision to addressing only the issue or issues as framed by the parties. Issues or available information not raised in lower steps of the grievance procedure shall not be allowed to be presented during arbitration.
- 6.17.2 The arbitrator shall be solely authorized to determine if provisions of the agreement have been violated. The arbitrator is not authorized to add to, subtract from, or otherwise modify the Agreement of the parties, nor to substitute his/her judgment over the drafters of the Agreement.

## **Section 6.18 Witnesses**

- 6.18.1 Witnesses called by CDF FIREFIGHTERS to testify at an arbitration hearing concerning this Agreement shall do so without loss of compensation. CDF FIREFIGHTERS shall use reasonable efforts to schedule witnesses so as to not cause an undue expense to the Employer. CDF FIREFIGHTERS shall also provide reasonable advance notice concerning such release time to the

Employer's representative for the hearing, either the Office of the Attorney General or the Employee Relations Officer.

- 6.18.2 In view of the goal of resolving grievances at the lowest possible level, witnesses may be granted release time to appear at intermediate grievance levels, but only at the discretion of the appropriate employer representative.

## **Section 6.19 Immediate Dispute Resolution**

- 6.19.1 When CDF FIREFIGHTERS believes that the employer may take an action which could result in a contract violation causing irreparable injury to a represented employee and a stay of that action cannot be accomplished through normal remedies in time to prevent irreparable injury, or where the cause of good employer-employee relations would be enhanced by proceeding under the more flexible (for both parties) provisions of this section, CDF FIREFIGHTERS, at the State level, may invoke the provisions of this section as follows:
- 6.19.1.1 Within 48 of Monday-through-Friday hours of becoming aware of an action or planned action CDF FIREFIGHTERS may contact the Department Labor Relations Officer with specific information regarding the contract violation. The Labor Relations Officer and CDF FIREFIGHTERS will jointly determine the appropriate management level at which to begin discussions.
- 6.19.1.2 After a determination is made, CDF FIREFIGHTERS will commence informal discussions at the designated level within 24 of Monday through Friday hours.
- 6.19.1.3 The Labor Relations Officer may also participate in the informal discussions at any level.
- 6.19.1.4 If mutual resolution is not achieved at the initial organizational level, CDF FIREFIGHTERS may request informal talks with the next administrative level, up to and including the Labor Relations Officer himself/herself.
- 6.19.1.5 CDF FIREFIGHTERS shall advise the Labor Relations Officer of the outcome of the discussions, should the matter be resolved below his/her level.
- 6.19.2 Time limits of the grievance procedure shall be stayed for up to seven calendar days when this section is invoked unless extended by mutual agreement.
- 6.19.3 This procedure is an informal alternative to CDF FIREFIGHTERS invoking the "immediate arbitration" procedure. If this procedure fails to resolve the dispute, CDF FIREFIGHTERS may then invoke other normal steps of the grievance procedure, including "immediate arbitration."
- 6.19.4 The parties agree that the intent of this procedure is to encourage timely communication between the parties at the appropriate level and to clear up misunderstandings that may seriously affect employees and/or relations between the parties.
- 6.19.5 Time limits are the only portion of this section subject to the grievance and arbitration procedure.

## **ARTICLE 7 COMPLAINT PROCEDURE AND OUT-OF-CLASS CLAIMS PROCESS**

### **Section 7.1 Complaint Procedure**

- 7.1.1 Definition: A complaint is a dispute involving one or more employees involving subjects not covered by this Agreement and not under jurisdiction of the State Personnel Board.
- 7.1.2 Procedure: Complaints shall be filed in writing and shall be subject to Sections 6.1, 6.3, 6.4, 6.5, 6.6, 6.8, 6.9, 6.10, 6.11 and 6.13 of this Agreement. Complaints shall not be appealed beyond the department director's level and shall not be subject to arbitration.

### **Section 7.2 Out-of-Class Claims Process**

- 7.2.1 If an employee believes he/she is working out-of-class in a manner, which violates the Out-of-Class Pay section of this agreement, he/she may file a complaint in accordance with the following.
- 7.2.2 Out-of-class claims will be filed through the Complaint Procedure contained in Section 7.1 Complaint Procedure of this agreement. All such claims must be on the form prescribed by the State. Once the Complaint Procedure within the department has been exhausted, the employee or his/her representative may within 30 days forward the matter to the Department of Personnel Administration for a review hearing by its staff over the classification aspects of the complaint. If it is determined that an employee is working out-of-class, the employee shall be compensated for the out-of-class period specified by the applicable MOU provision of this agreement.
- 7.2.3 If it is determined by the Department of Personnel Administration that the employee is working out-of-class and CDF FIREFIGHTERS believes that the MOU provisions of this agreement have not been properly applied, it may forward the salary issue only to arbitration.
- 7.2.4 Approved out-of-class complaints may be compensated retroactively for a period of no greater than one (1) year preceding the filing of the complaint.

## **ARTICLE 8 HOURS OF WORK AND OVERTIME**

### **Section 8.1 Firefighter I**

- 8.1.1 A Firefighter I on a Non-Immediate Response Assignment (NIRA) will be scheduled to work a 4-day, 40-hour duty week. NIRA overtime will be calculated on the 40-hour clock.
- 8.1.2 A Firefighter I on an Immediate Response Assignment (IRA) will be scheduled to work 96-hours per week (4 consecutive 24 hour days) from which 20 hours will be deducted for sleep time as agreed to herein.

8.1.3 When a Firefighter I is required to be on duty for periods of more than 24 hours 5 hours of sleep time may be deducted from each 24-hour period for purposes of calculating overtime. If the employee cannot get at least 5 hours of uninterrupted sleep between the hours of 2400-0500 due to activity for which an incident number has been assigned, such sleep will be deemed to be interrupted and the 5-hour period will be compensated as work time

A Fire Fighter I who is sent outside of his/her Ranger Unit, due to activity for which an incident number has been issued (i.e. move up and cover), will not have the 5 hours deducted for each 24-hour period so assigned.

8.1.4 When assigned to an IRA duty week, a Fire Fighter I will receive overtime pay for all time worked in excess of 212 hours during a 28-consecutive day work period. For purposes of calculating overtime, the hourly rate of pay will be based on an average duty week of 76 hours (96 hours less 20 hours sleep time). ## **Section 8.2 Fire Protection Employees**

8.2.1 This section covers all classifications in Unit 8 not covered by Sections 8.1, 8.3, or 8.4. These will be referred to as "fire protection employees."

Fire protection employees are those who (1) have been trained and have the legal authority and responsibility to engage in the prevention, control or extinguishment of a fire of any type; and, (2) perform activities which are required for and are directly concerned with the prevention, control or extinguishment of fires, including dispatch and such incidental non-firefighting functions as housekeeping, equipment maintenance, lecturing, attending training drills and conducting inspections. Typically this includes most Unit 8 employees.

This noncontinuous 4-day, 53-hour shift pattern will not include weekend days.
- 8.2.2.4.3 Thirteen hours of standby may be scheduled on one duty day but will not be scheduled on any duty day immediately preceding a regularly scheduled day off.
- 8.2.2.4.4 Should it become necessary to make involuntary assignments to obtain the necessary coverage, an involuntary rotational assignment system will be used to identify which employee(s) will work the split shift each 28-day work period. The rotational system will be based on reverse seniority at the assigned camp and will rotate through all Fire Captains (B).
- 8.2.2.5 Any employee covered by Section 8.2 may at management's option be assigned to an IRA or NIRA work schedule.
- 8.2.2.6 Fire Lookouts will be scheduled to work an average 72-hours per week, which includes 19 hours of planned overtime compensated at the half-time rate.

The first 76 hours of overtime during the 28-day work period will be at the half-time rate; additional overtime hours worked will be at one and one-half times the hourly rate of pay.
- 8.2.3.2 When assigned to an IRA-68 hour duty week, employees will receive overtime pay for all hours worked in excess of 212 hours during the 28-consecutive day work period. The employee will receive 1/2 time

compensation at the same level as employees described in Section 8.2.3.1 above.

8.2.3.3 When assigned to a NIRA-53 hour duty week, employees will receive overtime pay at the time and one-half rate for all time worked in excess of 212 hours during the 28-consecutive day work period. ## **Section 8.5 Changes Between IRA and NIRA**

- 8.5.1 Changes between IRA and NIRA status shall always occur on a Monday, and be made with 24-hour notice, except in cases of emergency or by mutual consent with the employee where such notice may be less. Changes between IRA and NIRA shall last for the length of the shift pattern assigned, including days off (i.e., 7 or 14 days, or multiples thereof).
- 8.5.2 Notwithstanding 8.2.2.5 above, if and when a fire protection employee has been moved from NIRA to IRA status for extended availability during the fire season, he/she will normally remain on IRA status until such time as the unit manager has determined that his/her extended availability is no longer needed (e.g., employee would not be removed from IRA status for a one week training assignment).

## **Section 8.6 Duty Days**

- 8.6.1 In IRA, any day is available for scheduling consistent with the duty week patterns.
- 8.6.2 In NIRA, Monday to Friday are the only available days for scheduling consistent with the duty week patterns, except:
- 8.6.2.1 HFE0's in conservation camps can be assigned schedules consistent with the duty week patterns on any days from Monday to Saturday; and,
- 8.6.2.2 Employees can voluntarily agree to include Saturday or Sunday or both as available duty days if such volunteering is confirmed in writing, expires at the end of the NIRA period, can be canceled on thirty days' notice by the employee or the department; and,
- 8.6.2.3 Fire Captains B may voluntarily agree to NIRA duty weeks, which include work schedules of four noncontinuous days of work. Such agreements will expire at the end of NIRA and can be canceled by the employee or the department with 30 days notice.
- 8.6.3 Copies of all agreements pursuant to subsection 8.6.2.2 or 8.6.2.3 above will be sent to CDF FIREFIGHTERS Sacramento Headquarters. No such agreement will take effect until seven days after receipt by CDF FIREFIGHTERS. If CDF FIREFIGHTERS determines the agreement is not voluntary, the agreement will not be effective pending investigation and mutual agreement.
- 8.6.4 Nothing in this provision precludes changes between IRA and NIRA, or in work hours as otherwise provided by this agreement.

## **Section 8.7 Changes Between Duty Week Patterns or Shifts**

- 8.7.1 Changes between shift patterns or shifts shall occur with 24 hours advance notice except in an emergency or by mutual consent with the employee where notice may be less.
- 8.7.2 Shift changes will occur on a Monday, and such assignment shall last for the length of the shift pattern assigned, including days off (i.e. 7 or 14 days or multiple thereof).
- 8.7.3 Except as provided elsewhere in this agreement, shifts may be changed no more than twice during any 28-consecutive day work period (for employees covered by Sections 8.1, 8.2 or 8.3) or during the pay period (for employees covered in Section 8.4) except by mutual agreement. The foregoing flexibility of management shall not be exercised in an arbitrary, capricious or discriminatory manner.

## **Section 8.8 Hours of Work and Work Hour Changes**

- 8.8.1 The normal work hours for employees on shifts requiring 10 hours of work will be 0700 to 1800 hours with a meal break at or near the mid point of the workday. Fire Captains (B) may be assigned to a continuous 10-hour workday, which will normally start between 0700, and 0800 hours.
- 8.8.2 A supervisor may, with 24 hours advance notice or mutual consent of the employee, adjust work hours to any other 10-hour period (depending on assigned shift pattern), including the reduction of meal breaks to one-half hour to meet the operational needs of the department. The foregoing flexibility of management shall not be exercised in an arbitrary, capricious or discriminatory manner.
- 8.8.3 Response time:
- 8.8.3.1 At the request of an employee assigned to a Helitack base, the Ranger Unit Chief may, at his/her discretion, waive the regular response time requirements for that employee.
- 8.8.3.2 Except when a select call-staffing pattern is in effect, the standby response time criteria for Fire Captains (B), shall be 60 minutes (wheels rolling on the CCV). When a select call-staffing pattern is in effect, the standby response time is 30 minutes (wheels rolling on the CCV). If an employee cannot meet the 30-minute requirement, he/she will be required to remain at the work location. The Ranger Unit Chief may, at the request of an employee, waive the response time requirement.
- 8.8.3.3 Notwithstanding any other provision of this agreement, management may continue the practice of requiring up to 2 Fire Captains (B) per camp to remain on duty at the camp until aircraft cutoff time. If an employee who is assigned to remain on duty at the camp lives within a 30-minute (wheels rolling on the CCV) response time, that employee will be allowed to remain on duty at his/her residence.
- 8.8.4 Standby hours should not routinely be used for non-emergency work. Supervisors should adjust daily work hours to encompass the assignment(s). When a supervisor cannot make such an adjustment during the same day, he/she shall make a concerted effort to schedule a work hour adjustment during the same duty shift, but no later than the end of the following duty shift. In the case of employees returning from assignments outside their unit, these adjustments can be made over a three-shift period beginning with their return. Adjustments need not be made for emergency work, normal housekeeping, personal hygiene and all work necessary for immediate emergency response.

## **Section 8.9 Alternate Shift Pattern Agreements**

Notwithstanding Section 8.1, 8.2, 8.3 and 8.4, CDF FIREFIGHTERS and the State can agree to alternate shift patterns other than those specified in this agreement if done in writing and approved by both the President of CDF FIREFIGHTERS (or his designee) and the Department's Labor Relations Officer.

- 8.13.6 Every employee will have one designated headquarters, which will be the single department facility where he/she spends the largest portion of the regular working time or the place he/she returns upon completion of special assignments. If an employee regularly works at several facilities during a continuous shift of more than one day (e.g., relief position) the employee will not receive compensation for driving to work on the first day or returning from work after the last continuous day of work unless either location is greater than 50 miles from the employee's headquarters or primary residence. In such cases, the amount of travel based on the most direct and accepted mode of transportation less the normal commute to/from headquarters will be hours of work.

While on IRS, employees will be compensated for all hours assigned to the incident from the time of dispatch to the time at which the incident is declared controlled.
- 8.14.1.2 After the incident is declared controlled, all employees assigned to the incident will be removed from IRS unless specifically ordered to remain on IRS by the incident commander or agency representative.
- 8.14.1.3 Notwithstanding the above two paragraphs, fire protection employees (Sections 8.1, 8.2 or 8.3) who are assigned to an incident where the state will be fully reimbursed for its costs, will be placed on IRS for the entire time they are assigned to the incident.

- 8.14.3 Incident Related Travel
- Travel to and from a single incident and/or travel between a series of incidents to which a fire protection employee is assigned will be considered hours worked. In addition, travel to and from assigned incident accommodations while assigned to an incident will be considered hours worked.

## **Section 8.15 Performance of Work**

- 8.15.1 It is understood and agreed that no State work or standby shall be performed by employees outside of their assigned duty weeks unless specifically ordered or authorized by the department.
- 8.15.2 Employees who volunteer for, and are selected or assigned to, an Incident Management Team will not be compensated for off duty time spent waiting to be called. Bargaining Unit 8 employees, who volunteer for assignment to an Incident Management Team pursuant to Section 8.15 Performance of Work of the MOU, are making an irrevocable commitment to remain on the team, if selected, for a period of 2 years. When the original 2-year commitment has expired, the employee may ask to be removed from the team, or may reapply for another 2-year appointment.

- 8.16.3 The trading of time between employees may occur both within the duty week and from one work period to another.
- 8.16.4 The period during which time is traded and paid back shall not exceed 12 consecutive months or that period allowed by law.
- 8.16.5 In addition to obtaining approval, the employees affected shall provide a written confirmation of the names, dates, and times pertinent to the particular times traded, to the appropriate supervisor, or his/her designee.
- This provision does not exempt the supervisor/employer from maintaining a record of all time traded by his/her employees.

## **Section 8.17 Early Relief**

- 8.17.1 Early relief (two hours or less) may occur pursuant to employee agreement; either expressed or implied and is unknown to the department. This practice will not have the effect of increasing the number of compensable hours of work where it is voluntary on the part of the employees.
- 8.17.2 If the practice of early relief is required by the department, the time involved must be added to the employee's tour of duty and treated as compensable time.

## **Section 8.18 Accrued Leave**

- 8.18.1 The existing methods of converting vacation and sick leave for extended duty weeks shall continue. CTO conversion will continue using existing methods.

## **Section 8.19 Call Back**

- 8.19.1 Whenever an employee is called back to work on an assigned day off, he/she shall be granted a minimum of four (4) hours call-back credit unless the call back period is greater than four (4) hours then the employee will be granted the number of hours worked.
- 8.19.2 If an employee is called back to work and the call back is canceled after he/she has departed their location, he/she shall be granted four (4) hours call back credit.

### **Section 8.20 Recording of Overtime**

All authorized overtime shall be recorded in the appropriate section of the time sheet. CDF FIREFIGHTERS shall be included in discussions and meetings that consider the method of payment of overtime and the planned method of time keeping.

### **Section 8.21 FLSA Exempt Duty Week**

Employees who are covered by the FLSA and are found not to qualify for a full or partial exemption from the overtime provisions of the Act will be covered by Section 8.4.

### **Section 8.22 ECC Sleep Time**

- 8.23.2 CDF will continue its policy for the administration of voluntary overtime as found in Personnel Procedures Handbook Section 1052.

## **ARTICLE 9 VOLUNTARY TRANSFER AND REASSIGNMENTS**

### **Section 9.1 Voluntary Intra-Unit Reassignments**

- 9.1.1 Voluntary intra-unit reassignments are those changes of work location within the geographic boundaries of a ranger unit, including conservation camps.
- 9.1.2 Persons desiring a reassignment within their ranger unit may submit a request anytime during the year. It will remain valid through the end of the calendar year. It may include up to three locations or specialized assignments.

- 9.1.3 The unit manager must consider intra-unit reassignment requests before list appointments, reinstatements or transfer requests when filling a vacant position. In choosing among candidates for intra-unit transfer, the deciding official will use objective criteria for selection. A non-selected employee requesting transfer will be informed orally or in writing.
- 9.1.4 The unit manager may require up to two years' time and satisfactory job performance in the employee's current assignment before accepting a request for reassignment. As with inter-unit transfers, the department may also require completion of the apprenticeship program for affected employees.
- 9.1.5 When inter-unit transfers, reinstatements or list appointments are being considered for unit vacancies, all valid reassignments requests will be included in the selection process using the voluntary in-class transfer policy (Section 9.2) selection procedure.

## **Section 9.2 Voluntary In-Class Transfer Policy (Inter-Unit)**

- 9.2.1 The parties recognize that when the State deems it necessary to fill a vacant position, the needs of the State must be given first priority. The needs of the State include the right to fill vacant positions using such methods as involuntary transfer, reassignment, reinstatement, substantiated hardship, or other selection alternative for reasons such as staff redistribution, affirmative action, special skills, abilities or aptitudes. In addition, the parties recognize that the State must make reinstatements or other mandatory placement of personnel overages.
- 9.2.2 Without prejudice to these needs, or to the inherent rights of the State to hire, transfer, promote, or demote employees, or the rights of the employee organization as delineated herein, the parties also recognize the desirability of a transfer policy within each department which allows employees the opportunity to express personal preference in the choice of work location.
- 9.2.3 With respect to any Unit 8 classification vacancy within a department for which there is a transfer request on file, if the State elects to fill the vacancy using existing eligible or promotional lists, it will consider voluntary transfer requests from permanent employees within that department and the civil service eligibility list at the same time to fill the position. The department will evaluate the specific requirements of the position which may exceed the minimum qualifications for the class and may include such objective matters as the ability to speak in public, structural firefighting experience, EMT certification, specialized training and other similar qualifications. The specific qualifications shall be determined by the delegated appointing authority and are not grievable.
- 9.2.4 The department will evaluate each transfer applicant and the promotional list eligible, using a rating form worth a maximum of 100 points. The rating form may include up to ten factors. One factor will always be based on permanent status in the class or its predecessor. For this factor, the employee will be given one point for every full year of permanent status in the class, up to a maximum of 15 points. Fractions of a point can be given for fractions of a year to the nearest quarter. Fire Captain shall be considered a single class regardless of the incumbent's pay range. Fire Crew Supervisor is a predecessor of the Fire

Captain class. The other factors will be rated from one to ten points. At least five factors will be based on the minimum qualifications for the class and up to four may be based on the special qualifications for the vacancy being filled. The aggregate score will be totaled, and the employee with the highest score will be offered the position. In case of a tie, the employee with the greatest seniority in the class for which the vacancy exists shall be offered the position.

- 9.2.5 Any permanent employee may request consideration for a position through this transfer procedure consistent with the following provisions:
  - 9.2.5.1 The department may require 2 years of service in the employee's current assignment before eligibility for transfer. However, if there is such a requirement it must be made known in the job announcement and in the interview process. Additionally, apprenticeship employees in CDF may not be considered for voluntary transfer until successful completion of their apprenticeship program. An assessment of impact on operational programs, employee's development progress, performance, and other needs of the department and the employee would be key to waiving the length of service requirement.
  - 9.2.5.2 When filling a vacancy, all active transfer requests on file must be evaluated pursuant to this policy. The specific qualifications and objective criteria required to fill the position shall be provided to the applicants at the time they are notified of any interview.
  - 9.2.5.3 Transfer candidates shall be informed of the final selection decision within ten working days of the selection.
  - 9.2.5.4 The department shall utilize an aggregate rating form to assist the unsuccessful employees in improving their qualifications and interview skills. A copy of the form will be forwarded to each candidate with aggregate scores and a summary of narrative comments within 15 days of the final selection.
  - 9.2.5.5 An employee may have up to three active transfer requests on file at any one time for three locations that may be as broad as a region or as narrow as a reporting or ranger unit.
  - 9.2.5.6 Requests for transfers will be valid for the calendar year for which they are submitted. It will be necessary to resubmit transfer requests on or after January 1 of each year.
  - 9.2.5.7 The unit manager or the program manager of the employee's home unit, or headquarters as applicable, has the authority to disapprove transfer requests based on one of the following:
    - 9.2.5.7.1 When a serious impact may result to on-going programs, particularly when several transfer requests from one unit are received simultaneously;
    - 9.2.5.7.2 Employee is on probationary status;
    - 9.2.5.7.3 When documented performance is below standard.

- 9.2.5.8 Disapproval of a transfer request requires documentation of the specific reasons for disapproval on or attached to the appropriate transfer form. The decision to disapprove a transfer request is grievable through the second level of the grievance procedure.
- 9.2.5.9 The transfer request, once approved, shall be sent by the employee's unit directly to the unit to which he/she has requested transfer.
- 9.2.5.10 To encourage cost effectiveness of the transfer policy, the appointing authority may evaluate and select candidates for positions by personal interviews or by resumes only, depending upon the circumstances surrounding a specific position(s). Interviews may be conducted by telephone.
- 9.2.5.11 Transfer approvals shall be at the same level as the delegated appointing authority.
- 9.2.5.12 Moving costs for voluntary transfers shall be borne by the employee. Travel and subsistence costs associated with any transfer interview shall be borne by the employee.
- 9.2.5.13 This transfer policy shall not apply to reassignments within a reporting/ranger unit or conservation camp within the geographical boundaries of a ranger unit.
- 9.2.5.14 A hardship transfer request once approved by the employee's Regional Chief shall be honored with the first position in the unit requested which is being filled on a permanent basis. Approval shall not be unreasonably withheld.

### **Section 10.1 Holiday Policy**

- 10.1.1 Each calendar year Unit 8 employees shall be entitled to floating holidays with pay, all of which are in lieu of those pre-existing holidays listed below, which are in addition to any other official State holidays as proclaimed and appointed by the Governor, or as created by statute for State employees. These holidays shall be accrued on the day of the pre-existing holiday. The pre-existing holidays are: January 1, the third Monday in January, February 12, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, Veterans Day, Thanksgiving Day, the day after Thanksgiving, December 25, and one personal holiday per calendar year, credited on January 1st.
- 10.1.2 If the location at which an employee is assigned to work is closed for business on a pre-existing holiday, the employee may be required to take the day off by his/her supervisor. Whenever an employee is required to take the day off, he/she may use any type of leave credit, following the appropriate guidelines as established for the particular type of leave.
- 10.1.3 Employees shall request their holiday time-off in advance and shall be allowed to take such holiday time-off in accordance with the vacation scheduling policy

(Section 10.2) of this agreement. Holidays shall be taken in whole day increments except when additional hours are needed to meet the pay period requirement. After December 31, 2001, no more than six (6) holidays shall be carried over to the next calendar year. Excess carry-over will be treated as in the Vacation Policy.

- 10.1.4 Seasonal employees shall accrue a personal holiday at the completion of every six (6) qualifying pay periods.

Management may at its discretion, with a minimum of 24 hours notice, require a seasonal employee to use one or more of his/her personal holidays.

- 10.1.5 Holidays as used in this section are 10-hour days based on the 40-hour clock. For purposes of calculating the amount to be paid when cashing out a holiday, the following formula will be used.

$$((\text{Monthly Salary} / 4.33) / 40) \times 10 = 1 \text{ day of holiday pay}$$

- 10.1.6 Employees may at their option cash out up to 4 holidays per fiscal year, provided that the Reporting Unit determines that it has the funds available to fund the cash-out. Holiday cash-out shall be done in a fair and equitable manner.

## **Section 10.2 Vacation Policy/Annual Leave Use Policy**

- 10.2.1 Introduction: The intent of this section is to provide guidelines to managers and employees for scheduling vacations and annual leave during the entire year, including the summer period.

- 10.2.2 Length of Vacation/Annual Leave: Each employee shall be allowed a minimum of two weeks (14 consecutive calendar days) annually, providing he or she has sufficient vacation/annual leave credits to cover the period of absence. Extended vacations/annual leave may be granted by management provided that the scheduling falls within these guidelines.

- 10.2.3 Scheduling: The unit manager is responsible for establishing an annual vacation/annual leave schedule by January 1 based upon written requests from employees within the unit. Requests should be received before October 31st of each calendar year for the next year. The unit manager may delegate this responsibility to any level of the organization (battalion, station, camps, etc.) or may develop schedules based on geography (north half of units, etc.) or on program (Schedule A, Schedule B, etc.) or on any reasonable objective basis the manager chooses. Consistent with the guidelines set below, departmental seniority shall prevail in case of conflict.

- 10.2.4 Management shall follow these vacation/annual leave scheduling guidelines:

- 10.2.4.1 A balance of experienced personnel will be maintained at all times and no reduction in post coverage will occur as a result of the vacation/annual leave schedule.

- 10.2.4.2 No reduction in the work force required for planned projects will occur.

- 10.2.4.3 A reasonable and balanced number of personnel qualified for large fire staff assignments shall be available.
- 10.2.4.4 A reasonable amount of overtime may be accumulated as a result of vacation/annual leave scheduling.
- 10.2.4.5 Vacation schedules shall be devised to avoid employees exceeding the maximum allowable vacation/annual leave credits carried over each calendar year.
- 10.2.4.6 Employee's vacation/annual leave shall include his/her normal days off, before, during, and after the scheduled vacation/annual leave days.
- 10.2.4.7 Employees may submit vacation/annual leave requests after October 31 for the next calendar year, on a first come, first serve basis.
- 10.2.5 Changes in Vacation/Annual leave Schedule
  - 10.2.5.1 Once scheduled, an employee's vacation/annual leave will not be changed without mutual consent of the employee except during a declared state of emergency.
  - 10.2.5.2 Employees shall not trade vacation/annual leave periods with other employees without prior approval of the unit manager or designee.
  - 10.2.5.3 The employee may cancel a scheduled vacation/annual leave with prior approval of the unit manager, providing that the unit manager can reschedule the employee's vacation/annual leave, commensurate with vacation/annual leave scheduling guidelines.
- 10.2.6 Carry-Over
  - 10.2.6.1 If the employee has made reasonable efforts to use vacation/annual leave credits throughout the year, and those requests have been denied by the unit manager, the employee may carry-over any excess beyond the prescribed annual maximum between calendar years. He/she will file a request for the use of the excess carry-over prior to February 1. The request will be for use prior to June 1. Such request shall not be unreasonably denied.
  - 10.2.6.2 If an employee has vacation/annual leave credits beyond the carry-over amount and the employee is not subject to subsection 10.2.6.1 above, the department will require use of the excess vacation by March 1.

### **Section 10.3 Vacation/Annual Leave Program**

Employees may elect to enroll in either the vacation and sick leave program or the annual leave program. Employees may elect to enroll in either program at any time except that once an employee elects to enroll in either the annual leave program or vacation and sick leave program, the employee may not elect to

enroll in the other program until 24 months has elapsed from the date of enrollment. The effective date of election shall be the first day of the pay period in which the election is received by the appointing power.

10.3.1 Vacation Program

10.3.1.1 All full time Unit 8 employees shall receive vacation leave credit in accordance with DPA Rule 599.739 per the following schedule:

1 month to 3 years	08 hours per month
37 months to 10 years	11 hours per month
121 months to 15 years	13 hours per month
181 months to 20 years	14 hours per month
Over 20 years	15 hours per month

However, notwithstanding the above, on the first day of the August pay period of each year Bargaining 8 employees shall accrue vacation pursuant to the following schedule:

1 month to 3 years	07 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
Over 20 years	14 hours per month

For each employee in Bargaining Unit 8 on the first day of the August pay period the employer shall credit the union's Release Time Bank (Section 2.7 herein) one hour.

10.3.1.2 Breaks in employment of more than 11 workdays in one pay period, including unpaid leaves of absences, shall not be counted for vacation leave purposes set forth under subsection 10.3.1.1 above.

10.3.1.3 Employees who work less than full-time shall receive vacation leave credit in accordance with the vacation leave accrual schedule in subsection 10.3.1.1 above, when total accumulated employment equals one month of full-time employment.

10.3.1.4 Employees who work on an intermittent basis shall receive vacation leave credit in accordance with the vacation leave accrual schedule in item 1 above, on the basis of 160 hours of employment time equals one month of full-time employment. Any hours worked over 160 hours in a monthly pay period shall not be counted towards vacation leave accrual.

10.3.1.5 If an employee does not use all of the vacation leave credits that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation leave credits to the following calendar year to a maximum of 640 hours. A Department head or designee may permit an employee to carry over more than 640 hours of accrued vacation leave credits if the employee was unable to reduce his/her accrued vacation leave credits because the employee (1) was

required to work as a result of fire, flood, or other extensive emergency, (2) was assigned work of priority or critical nature over an extended period of time, (3) was absent on full salary for a compensable injury, (4) was prevented by Department regulations from taking vacation until December 31 because of sick leave, or (5) was on jury duty.

### 10.3.2 Annual Leave Program

121 months to 15 years	17 hours per month
181 months to 20 years	18 hours per month
Over 20 years	19 hours per month

However, notwithstanding the above, on the first day of the August pay period of each year Bargaining Unit 8 employees shall accrue annual leave credits pursuant to the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
Over 20 years	18 hours per month

For each employee in Bargaining Unit 8 on the first day of the August pay period the employer shall credit the union's Release Time Bank (Section 2.7 herein) one hour.

Part-time and hourly employees shall accrue proportional annual leave credits, in accordance with the applicable DPA rules. Employees shall have the continued use of any accrued sick leave, in accordance with applicable laws, rules, or memorandum of understanding.

All provisions necessary for the administration of this Section shall be provided by DPA rule or memorandum of understanding.

10.3.2.2 A full-time employee who has 11 or more working days of service in a monthly pay period shall earn annual leave credits as set forth in DPA 599.608 and 599.609.

Absences from State service resulting from a temporary or permanent separation for more than 11 consecutive days, which fall into two consecutive qualifying pay periods shall disqualify the second pay period.

10.3.2.3 Employees who work in multiple positions may participate in annual leave, provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be

computed by combining all positions, as in vacation leave, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.

- 10.3.2.4 If an employee does not use all of the annual leave credits that the employee has accrued in a calendar year, the employee may carry over his/her accrued annual leave credits to the following calendar year to a maximum of 640 hours. A Department head or designee may permit an employee to carry over more than 640 hours of accrued annual leave credits if the employee was unable to reduce his/her accrued annual leave credits because the employee (1) was required to work as a result of fire, flood, or other extensive emergency, (2) was assigned work of priority or critical nature over an extended period of time, (3) was absent on full salary for a compensable injury, (4) was prevented by Department regulations from taking vacation until December 31 because of sick leave, or (5) was on jury duty.
- 10.3.2.5 Annual leave that is used for purposes of sick leave is subject to the requirements set forth in Section(s) 10.4 Sick Leave and 10.5 Family Leave, of this Agreement.
- 10.3.2.6 The enhanced non-industrial disability insurance (ENDI) in Section 10.9.2 applies only to those in the annual leave program described above in this Section. Once enrolled in annual leave, an employee shall become entitled to an enhanced NDI benefit (50 percent of gross salary).
- 10.3.3 Upon termination from State employment, the employee shall be paid for unused credits and all unused vacation or annual leave time.
- 10.3.4 See Section 10.17 Personal Leave Program for cash out provisions.

#### **Section 10.4 Sick Leave**

- 10.4.1 As used in this Section, "sick leave" means the necessary absence from duty of an employee because of:
  - 10.4.1.1 Illness or injury, including illness or injury relating to pregnancy.
  - 10.4.1.2 Exposure to a contagious disease, which is determined by a physician to require absence from work.
  - 10.4.1.3 Dental, eye, and other physical or medical examination or treatment by a licensed practitioner.
- 10.4.2 On the first day of the monthly pay period following completion of each monthly pay period of service, each full-time employee in Bargaining Unit 8 shall earn eight (8) hours of credit for sick leave with pay. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn full sick leave credit. Absences from State service resulting from a temporary or permanent separation of more than eleven (11) consecutive working days which

fall between two consecutive qualifying pay periods shall disqualify the second pay period.

- 10.4.3 Credit for less than full-time employees shall be computed as follows:
- 10.4.3.1 Intermittent Employees. On the first day of the monthly pay period following completion of each period of 160 hours or 20 days of paid employment, each intermittent employee in Bargaining Unit 8 shall be allowed one day of credit for sick leave with pay. The hours or days worked in excess of 160 hours or 20 days in a monthly pay period shall not be counted or accumulated.
- 10.4.3.2 Part-Time Employees. On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee in Bargaining Unit 8 shall be allowed, on a pro rata basis, the fractional part of 8 hours of credit for sick leave with pay.
- 10.4.3.2.1 An employee holding a position, in addition to other full-time employment with the State shall not receive credit for sick leave with pay for service in the additional position.
- 10.4.3.2.2 Where an employee holds two or more "less than full-time positions", the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed full-time employment credit.
- 10.4.4 The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may reasonably require the employee to submit substantiating evidence including, but not limited to, a physician's certificate. If the evidence is not adequate, the request for sick leave may be disapproved.
- 10.4.5 For employees in Bargaining Unit 8, sick leave shall be charged for the first day's usage of sick leave in a pay period (or work period at the department's option) at a rate of eight hours. The existing conversion factors for sick leave usage shall apply from the first day when a second day of sick leave is used. For example, day one on a 72-hour continuous duty week is a total of eight hours, day two is a total of 27 hours, and day three is a total of 40 hours.
- 10.4.6 All hours/days used in this Section are based on a 40-hour clock with conversion to extended duty weeks where applicable.
- 10.4.7 In lieu of sick leave credits, any employee who has been subject to the Annual Leave Program and who is appointed (this includes, but is not limited to reinstatement, transfer, promotion, and demotion), in a position in Bargaining Unit 8 shall continue to be subject to the Annual Leave Program and Section 10.9.2 Enhanced Non-industrial Disability Insurance provisions of this MOU.

## **Section 10.5 Family Sick Leave**

- 10.5.1 An employee may use up to two duty weeks (80 hours on the 40-hour clock) of his/her sick leave per occurrence for required care of a family member who is ill

or unable to care for self. The employee shall provide substantiation of the illness if so requested by his/her supervisor.

- 10.5.2 For purposes of this provision, family member is defined as the employee's parent, step-parent, spouse, child, grandchild, grandparent, brother, sister, mother-in-law, father-in-law, son-in-law, daughter-in-law, stepchild, adopted child, or any person residing in the employee's immediate household.

## **Section 10.6 Bereavement Leave**

- 10.6.1 A full-time employee may use up to one duty shift per fiscal year for bereavement leave without loss of compensation in the event of the death of the employee's parent, step-parent, spouse, child, grandchild, grandparent, brother, sister, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, step-child, adopted child, or any person residing in the employee's immediate household. The employee shall notify his/her supervisor as soon as possible and shall provide substantiation to support the request.
- 10.6.2 Additional days' leave may be granted if needed and shall be deducted from the employee's leave credits, including sick leave, CTO, vacation, etc.

## **Section 10.7 Catastrophic Time Donations**

- 10.7.1 Injury or Illness
- Because of the unique nature of Unit 8 employees' work, when requested by a CDF FIREFIGHTERS State officer, the department Director or designee may approve the transfer of CTO, vacation, or holiday leave credit from one or more Unit 8 employees to another Unit 8 employee under the following conditions:
- 10.7.1.1 Eligibility shall be based on financial hardship due to injury or prolonged illness;
- 10.7.1.2 The receiving employee has exhausted all leave credits;
- 10.7.1.3 Such aid is for a maximum of twelve (12) continuous months for any one illness or injury;
- 10.7.1.4 Leave credits provided to the receiving employee shall be sufficient to ensure a maximum of regular compensation including State-administered disability benefits;
- 10.7.1.5 Donations must be in whole-day increments and will be made in writing to the appropriate Unit manager and signed by the donating employee;
- 10.7.1.6 If employees in two or more departments are involved, the Director or designee in each department must support the request;
- 10.7.1.7 Approval shall not unreasonably be withheld.
- 10.7.2 Natural Disaster

Upon request of an employee and upon approval of a Department Director or designee, leave credits (CTO, vacation, and/or holiday) may be transferred from one or more employees to another employee, in accordance with department policies, under the following conditions:

- 10.7.2.1 Sick leave credits cannot be transferred;
- 10.7.2.2 When the receiving employee faces financial hardship due to the effect of a natural disaster on the employee's principal residence;
- 10.7.2.3 The receiving employee has exhausted all vacation, annual leave, or CTO credits and resides in one of the counties where a State of Emergency exists as declared by the Governor;
- 10.7.2.4 The donations must be whole day increments and credited as vacation or annual leave;
- 10.7.2.5 Transfer of annual leave, vacation, CTO and holiday credits shall be allowed to cross departmental lines in accordance with the policies of the receiving department;
- 10.7.2.6 The total leave credits received by the employee shall normally not exceed three (3) months: however, if approved by the appointing authority, the total leave credits received may be six (6) months;
- 10.7.2.7 Donations shall be made on a form to be developed by the State, signed by the donating employee, and verified by the donating department.

## **Section 10.8 Enhanced Industrial Disability Leave (EIDL)**

- 10.8.1 A Bargaining Unit 8 employee who loses the ability to work for more than 22 workdays on the 40-hour clock as the result of an injury incurred in the official performance of his/her duties may be eligible for a financial augmentation to the existing industrial disability leave benefits. Such injury must have been directly and specifically caused in the course of responding to, returning from, or fighting an active fire as defined in PRC 4103, 4104, 4170, and 4170.5.
- 10.8.2 The EIDL benefit will be equivalent to the injured employee's net take home salary on the date of occurrence of the injury. EIDL eligibility and benefits may continue for no longer than one year after the date of occurrence of injury or the injury is declared permanent and stationary. For the purposes of this section, "net salary" is defined as the amount of salary received after Federal income tax, State income tax and the employee's retirement contribution has been deducted from the employee's gross salary.
- 10.8.3 EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the fire, inmate assaults and emergency medical responses as determined by the Department director or designee.

- 10.8.4 The final decision as to whether or not an employee is eligible for, or continues to be eligible for EIDL shall rest with the Department director or designee. The Department may periodically review the employee's condition by any means necessary to determine an employee's continued eligibility for EIDL.
- 10.8.5 Other existing rules regarding the administration of IDL will be followed in the administration of EIDL.
- 10.8.6 On behalf of a Bargaining Unit 8 employee who loses the ability to work for more than 22 workdays on the 40-hour clock as the result on an injury which occurred in the official performance of his/her duties in response to an emergency incident other than fire, CDF FIREFIGHTERS may petition the Director or his/her designee to request the employee to be eligible for EIDL.
- 10.8.7 Notwithstanding the above one (1) year limitation, Unit 8 employees with burn-related injuries arising out of and in the course of state employment shall be eligible for the benefits of this Section for a period of three years from the first day of disability, as described herein.
- 10.8.8 This section relating to EIDL will not be subject to the arbitration procedure of this MOU, and the last step of the grievance procedure will be the Director of CDF.

## **Section 10.9 Non-Industrial Disability Leave**

- 10.9.1 Non-industrial Disability Insurance
- 10.9.1.1 Non-industrial Disability Insurance (NDI) is a program for State employees who become disabled due to nonwork-related disabilities as defined by Section 2626 of the Unemployment Insurance Code.
- 10.9.1.2 For periods of disability commencing on or after October 1, 1984, eligible employees shall receive NDI payments at 60% of their full pay, not to exceed \$135 per week, payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive workdays. Paid leave shall not be used to cover the ten (10) workdays.
- 10.9.1.3 The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital or nursing home for at least one full day. A full day is defined as a 24-hour period.
- 10.9.1.4 If the employee elects to use vacation, annual leave, personal leave or sick leave credits prior to receiving NDI payments, he or she is not required to exhaust the accrued leave balance.
- 10.9.1.5 Following the start of NDI payments, an employee may, at any time, switch from NDI to sick leave, vacation leave, annual leave, personal leave, or catastrophic leave but may not return to NDI until that leave is exhausted.

- 10.9.1.6 In accordance with the State's "return to work" policy, an employee who is eligible to receive NDI benefits and who is medically certified as unable to return to full-time work during the period of his or her disability, may upon the discretion of his or her appointing power work those hours (in hour increments) which, when combined with the NDI benefit, will not exceed 100% of their regular "full pay". This does not qualify the employee for a new disability period under b. of this article. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his or her position.
- 10.9.1.7 If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program, NDI benefits will be terminated effective the date of the offer.
- 10.9.1.8 Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for NDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- 10.9.1.9 All other applicable Department of Personnel Administration laws and regulations not superseded by these provisions will remain in effect.
- 10.9.1.10 Upon approval of NDI benefits, the State may issue an employee a salary advance if the employee so requests.
- 10.9.1.11 All appeals of a denial of an employee's NDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to the denial of an individual's benefits.
- 10.9.2 Enhanced Non-Industrial Disability Insurance - Annual Leave
- 10.9.2.1 This ENDI provision is only applicable to employees participating in the annual leave program referenced in Section 10.3.2.
- 10.9.2.2 Enhanced Non-Industrial Disability Insurance (ENDI) is a program for State employees who become disabled due to nonwork-related disabilities as defined by Section 2626 of the Unemployment Insurance Code.
- 10.9.2.3 For periods of disability commencing on or after January 1, 1989, eligible employees shall receive ENDI payments at 50% of their gross salary payable monthly for a period not exceeding 26 weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base and work for at least ten (10) consecutive workdays. Paid leave shall not be used

to cover the ten (10) workdays. Disability payments may be supplemented with annual leave, sick leave or partial payment to provide for up to 100% income replacement. At the time of an ENDI claim an employee may elect either the 50% ENDI benefit rate or a supplementation level of 75% or 100% at gross pay. Once a claim for ENDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period.

- 10.9.2.4 The employee shall serve a seven (7) consecutive calendar day waiting period before ENDI payments commence for each disability. Accrued paid leave or CTO leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital, nursing home, or emergency clinic for at least one full day. A full day is defined as a 24-hour period.
- 10.9.2.5 If the employee elects to use annual leave or sick leave credits prior to receiving ENDI payment, she or she is not required to exhaust the accrued leave balance.
- 10.9.2.6 Following the start of ENDI payments an employee may at any time switch from ENDI to sick leave or annual leave, but may not return to ENDI until that leave is exhausted.
- 10.9.2.7 In accordance with the State's "return to work" policy, an employee who is eligible to receive ENDI benefits and who is medically certified as unable to return to their full-time work during the period of his or her disability, may upon the discretion of his or her appointing power, work those hours (in hour increments) which when combined with the ENDI benefit will not exceed 100% of their regular "full pay". This does not qualify the employee for a new disability period under subsection 10.9.2.3 of this Article. The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his or her position.
- 10.9.2.8 If an employee refuses to return to work in a position offered by the employer under the State's Injured State Worker Assistance Program ENDI benefits will be terminated effective the date of the offer.
- 10.9.2.9 Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the 18 monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a fulltime employee in the same group or class. An employee will be eligible for ENDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- 10.9.2.10 All other applicable Department of Personnel Administration laws and regulations not superseded by these provisions will remain in effect.
- 10.9.2.11 Upon approval of ENDI benefits, the State may issue an employee a salary advance if the employee so requests.

- 10.9.2.12 All appeals of an employee's denial of ENDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.
- 10.9.2.13 Employees who become covered in the annual leave program while on an NDI claim shall continue to receive NDI pay at the old rate for the duration of the claim.
- 10.9.2.14 Employees who do not elect the annual leave program will receive NDI benefits in accordance with the current program in subsection 10.9.1 and such benefits are limited to \$135 per week.

## **Section 10.10 Jury Duty**

- 10.10.2 An employee shall notify his/her supervisor as soon as possible upon receiving notice of jury duty.
- 10.10.3 If an employee uses accrued vacation leave or compensating time off while on jury duty, the employee is not required to remit jury fees.
- 10.10.4 If an employee is released from jury duty on a normal scheduled duty day and he/she has not yet been selected to serve on a jury and/or the jury is not working, the employee shall contact his/her supervisor for an assignment for the remainder of the duty day or use leave credits to remain off duty. A supervisor will not unreasonably require an assignment. If the supervisor does not require an assignment for the remaining portion of the day, no leave credits need be used. The work assignment will not prevent an employee from reporting back to jury duty.

## **Section 10.11 Subpoenaed Witnesses**

- 10.11.1 Any Unit 8 employee subpoenaed, or ordered by the employer to appear, as a witness by virtue of his/her State employment shall be considered to be on duty.     - 11.1.1.1.1 From July 1, 1999 to July 31,1999, the State agrees to pay the following contribution for consolidated benefits. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by PERS.
      - 11.1.1.1.1.1 The State shall pay \$200 per month for an employee.
      - 11.1.1.1.1.2 The State shall pay \$384 per month employee plus one dependent.

    - 11.1.1.1.2 Effective on or after August 1,1999, the State agrees to pay a composite contribution for health, dental, and vision benefits. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by PERS and/or a dental plan administered or approved by DPA. Employees will continue to be automatically enrolled in vision.
      - 11.1.1.1.2.1 The State shall pay \$209 per month for coverage of an eligible employee.
      - 11.1.1.1.2.2 The State shall pay \$402 per month for coverage of an eligible employee plus one dependent.
      - 11.1.1.1.2.3 The State shall pay \$530 per month for coverage of an eligible employee plus two or more dependents.

When an employee is appointed to a new position or class that results in a change in eligibility for the composite rate, the effective date of the change shall be the first of the month following the date the notification is received by the State Controller's Office if the notice is received by the tenth of the month.
    - 11.1.1.1.3 Effective January 1, 2000, the State agrees to pay the following contribution for consolidated benefits. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by PERS.
      - 11.1.1.1.3.1 The State shall pay \$214 per month for coverage of an eligible employee.

change shall be the first of the month following the date the notification is received by the State Controller's Office if the notice is received by the tenth of the month.

#### 11.1.1.2 Description of the Composite Rate Program

Employees will be permitted to choose a different level of benefit coverage according to their personal needs, and the State's contribution will depend on an employee's selection of coverage and number of enrolled dependents. The State agrees to pay the following:

- 11.1.1.2.1 If the employee is enrolled in both a health plan administered or approved by PERS and a dental plan administered or approved by DPA, the health benefit enrollment party code will determine the amount of the contribution.
- 11.1.1.2.2 If the employee declines a health benefit plan which is administered or approved by PERS and certifies health coverage from another source, the employee's dental benefit enrollment party code will determine the amount of the contribution.
- 11.1.1.2.3 If the employee elects not to enroll in a health plan administered or approved by PERS and in a dental plan administered or approved by DPA and certifies health and dental coverage from other sources, the employee will receive \$155 in taxable cash per month. This cash shall be in lieu of the cash option currently available under the FlexElect Program. It will not be necessary for the employee to enroll in the FlexElect Program to receive this cash payment nor will it be necessary for the employee to pay the \$1.00 administrative fee to receive the payment.
- 11.1.1.2.4 If the employee elects not to enroll in a health plan administered or approved by PERS and certifies health coverage from another source, but enrolls in a dental plan administered or approved by DPA, the employee may receive the difference between the applicable composite contribution and the cost of the dental plan selected and vision benefits, not to exceed \$130 per month.
- 11.1.1.2.5 If the monthly cost of any of the State's benefit plans (health, dental and vision) in which an employee elects to enroll exceeds the State's maximum contribution as set forth in subsections 11.1.1.1.2.1, 11.1.1.1.2.2 or 11.1.1.1.2.3 above, the employee shall pay the difference on a pre-tax basis. If there is money left over after the cost of these benefits is deducted, the remaining amount will be paid to the employee as taxable cash. If the employee wishes to place this amount in a pretax medical and/or dependent care reimbursement account, he/she must enroll in the FlexElect Program and make the election for pretax contributions subject to the rules and requirements of that program.

#### 11.1.2 Health Benefits

##### 11.1.2.1 Employee Eligibility

- 11.1.2.1.1 For purposes of this section, "eligible employee" shall be defined by the Public Employees' Medical and Hospital Care Act.

11.1.2.1.3 Permanent Intermittent Employees

11.1.2.1.3.1 Initial Eligibility - A permanent intermittent employee will be eligible to enroll in health benefits during each calendar year if the employee has been credited with a minimum of 480 paid hours in one of two Control periods. For purposes of this section, the control periods are January 1 through June 30 and July 1 through December 31 of each calendar year. An eligible permanent intermittent employee must enroll in a health benefit plan within SC days from the end of the qualifying control period.

11.1.2.1.3.2 Continuing Eligibility - To continue health benefits, a permanent intermittent employee must be credited with a minimum of 480 paid hours in a control period or 960 paid hours in two consecutive control periods.

11.1.2.2 Family Member Eligibility

11.1.2.2.1 For purposes of this section, "eligible family member" shall be defined by the Public Employees' Medical and Hospital Care Act.

11.1.2.2.2 The Union agrees to support legislation to repeal Sections 22754.11 and 22754.5 relating to family member eligibility.

11.1.2.3 Technical Clean Up To Health Benefit Vesting Language

The Union agrees to support legislation to amend Section 22825.3 to read as follows:

- a) Notwithstanding Sections 22825, 22825.1, and 22825.2, state employees who become state members of the Public Employees' Retirement System after January 1, 1989, and who are included in the definition of state employee in subdivision (c) of Section 3513 shall not receive any portion of the employer's contribution payable for annuitants, pursuant to Section 22825.1, unless these employees are credited with 10 years of state service as defined by this section, at the time of retirement.
- b) Notwithstanding Sections 22825, 22825.1 and 22825.2, a state employee who became a state member of the Public Employees' Retirement System after January 1, 1990, and is either (1) excluded from the definition of state employee in subdivision (c) of Section 3513; or (2) a non elected officer or employee of the executive branch of government who is not a member of the civil service, shall not receive any portion of the employer's contribution payable for annuitants, pursuant to Section 22825.1, unless the employee is credited with 10 years of state service as defined by this section, at the time of retirement.
- c) The percentage of employer contribution payable for postretirement health benefits for an employee subject to this section shall be based on

the member's completed years of state service at retirement as shown in the following table:

19	95
20	100

- d) This section shall only apply to state employees who retire for service.
- e) Benefits provided to an employee subject to this shall be applicable to all future state service.
- f) For purposes of this section, "state service" shall mean service rendered as an employee or an appointed or elected officer of the state for compensation. In those cases where the state assumes or has assumed from a public agency a function and the related personnel, service rendered by that personnel for compensation as employees or appointed or elected officers of that local public agency shall not be credited, at retirement, as state service for the purposes of this section, unless the former employer has paid or agreed to pay the state agency the amount actuarially determined to equal the cost for any employee health benefits which were vested at the time that the function and the related personnel were assumed by the state. For noncontracting local public agencies the state department shall certify the completed years of local agency service to be credited to the employee to the Public Employees' Retirement System at the time of separation for retirement.
- g) Whenever the state contracts to assume a local public agency function, completed years of service rendered by the personnel for compensation as employees or appointed or elected officers of the local public agency shall be credited as state service only upon a finding by the Department of Finance that the contract contains a benefit factor sufficient to reimburse the state for the amount necessary to fully compensate the state for postretirement health benefit costs for those personnel.
- h) This section shall not apply to employees of the California State University or the Legislature.

11.1.3 Dental Benefits

11.1.3.1 Contribution

- 11.1.3.1.1 The rates for dental shall be included in the Consolidated allowance shown under subsection 11.1.1.
- 11.1.3.1.2 The employee will pay any premium amount for the dental plan in excess of the States contribution except that the employee's share of the cost shall not exceed 25% of the total premium.
- 11.1.3.1.3 The State agrees that \$26,299.97 remaining in the Delta Dental Surplus Account shall be applied to the employees' share of any rate increases incurred in the dental indemnity program during the plan year ending December 3, 1999. If no rate increase occurs, then said amount shall be applied to the employees' share of any dental benefit rate increase occurring during the plan year ending December 31, 2000. The Union agrees that this is a full and final settlement and release of all known and unknown disputes, claims, injuries, debts, or damages relating to Delta Dental premiums deducted under the terms of the 1992-1995 collective bargaining agreement and for that time period only.
- 11.1.3.2 Employee Eligibility
- Employee eligibility for dental benefits will be the same as that prescribed for health benefits under subsection 11.1.2.1.
- 11.1.3.3 Family Member Eligibility
- Family member eligibility for dental benefits will be the same as that prescribed for health benefits under subsection 11.1.2.2.
- 11.1.4 Vision Benefit
- 11.1.4.1 Program Description
- The employer agrees to provide a vision benefit to eligible employees and dependents. The vision benefit provided by the State shall have an employee co-payment of \$10 for the comprehensive annual eye examination and \$25 for materials.
- 11.1.4.2 Employee Eligibility
- Employee eligibility for vision benefits will be the same as that prescribed for health benefits under subsection 11.1.2.1.
- 11.1.4.3 Family Member Eligibility
- Family member eligibility for vision benefits will be the same as that prescribed for health benefits under subsection 11.1.2.2.
- 11.1.5 Pre-retirement Death Continuation of Benefits Proposal
- The union agrees to support legislation that would add Government Code Section 19849.15

19849.15. Notwithstanding any other provision of law, the State employer shall, upon the death of an employee while in State service, continue to pay employer contributions for health, dental and vision benefits for a period not exceed 120 days beginning in the month of the employee's death. The surviving spouse, if any, shall be advised of all rights and obligations during this period regarding the continuation of health and dental benefits as an annuitant by the California Public Employees' Retirement System. The surviving spouse shall also be notified by the department during this period regarding COBRA rights for the continuation of vision benefits. This section shall apply to represented State employees in bargaining units that have agreed to this provision.

11.1.6 Workplace Violence Prevention

11.1.6.1 In order to provide a safe and healthy workplace for employees, the State agrees to develop and implement "Workplace Violence Prevention" policies and programs.

11.1.6.2 The State agrees to develop a model Workplace Violence Prevention Program and make the program available to all departments.

11.1.6.3 The State agrees to provide training on procedures for preventing workplace violence and the Union will encourage employees to use these procedures.

11.1.7 Health Benefit Contributions and Co-Payment Increases

The parties agree to work cooperatively with CalPERS and the health plans to control premium increases. One method to control premiums would be to incorporate higher co-payments into the health plans as soon as possible. Any premium savings that result from these co-payments changes will be used to offset employee out of pocket premium costs.

**Section 11.2 Rural Subsidy**

The State shall establish a rural subsidy program for Bargaining Unit 8 members, which may be administered in conjunction with a similar program for state employees in other bargaining units, for excluded employees, and for annuitants. DPA shall administer any fund involving Bargaining Unit 8 members.

The program shall operate in the following fashion:

11.2.1 The State shall contribute \$1500 per year on behalf of each bargaining unit member (employee) who lives in a defined rural area, as more definitely described in Senate Bill 514 (Senator Chesbro), a copy of which bill is attached hereto and hereby incorporated herein by reference. For Bargaining Unit 8 members, because a substantial number of them are seasonal employees, payments shall be on a monthly basis.

11.2.1.1 For permanent employees, as in "Medical Reimbursement Account" situation, the employee does not have to wait for reimbursement of covered medical expenses until the full amount has been deposited.

- 11.2.2 As to any employee who enters state service or leaves state service during a fiscal year, contributions for such employee shall be made on a pro rata basis. A similar computation shall be used for anyone entering or leaving the bargaining unit (e.g., promotion in mid-fiscal year).
- 11.2.3 The money shall be available for use as defined in SB 514.
- 11.2.4 Pursuant to that bill, a Rural Healthcare Equity Trust Fund(s) (hereafter Fund) will be established with a separate account for Bargaining Unit 8 members, as one of several similar accounts.
- 11.2.5 Each Unit 8 employee shall be able to utilize up to \$1500 per year, pursuant to said bill, but with the exceptions for greater utilization hereafter noted. The pro rata limitation pursuant to subsection 11.2.2 is applicable here.
- 11.2.6 If an employee does not utilize the complete \$1500 pursuant to the procedures and limitations described in the bill, then the unused monies shall be put in a "same year pool." That same year's pool shall be utilized to pay those who have incurred health care expenses in excess of the \$1500, but again according to the procedures and limitations in the attached bill. The monies in the same year pool would be distributed at the end, or even soon after, each fiscal year to that group of employees who had expenses in excess of \$1500 in the relevant fiscal year. Those monies shall be distributed on a pro tanto (pro rata) basis.
- 11.2.6.1 Any employee not in Bargaining Unit 8 all year shall receive credit under this subsection 11.2.6 utilizing the same pro rata formula as in subsection 11.2.2 above.
- 11.2.6.2 If an employee is entitled to less than \$25 under this subsection 11.2.6, the money shall instead go into next years fund pursuant to subsection 11.2.7 hereafter.
- 11.2.7 If monies still remain after a distribution to such employees (i.e., all employees who spent more than \$1500 as provided in the bill were completely reimbursed), then those surplus monies shall be rolled over into the next fiscal year's fund available for distribution to employees whose expenses pursuant to the bill exceed \$1500 in such subsequent year. Similar "rollovers" would occur in any years where all employees were completely reimbursed (or had payments made on their behalf) pursuant to the bill and monies still remained in the pool.
- 11.2.8 Beyond the text of the bill, the parties will structure and administer the fund in accordance with all applicable IRS and other regulatory statutes and rules.
- 11.2.9 Interest earned from the fund(s) shall be used to offset administrative costs.
- 11.2.10 Notwithstanding the above, if the IRS shall determine that the above benefit violates its statutes or rules (e.g., the payments by the State employer are taxable), then the above provisions shall be of no further force and effect. The parties will negotiate under the Dills Act for a replacement benefit, which shall be "cost neutral" to the employer.

### **Section 11.3 Employee Assistance Program**

- 11.3.1 The State will make psychological and substance abuse counseling services available for the term of this MOU.
- 11.3.2 The unit manager may refer an employee for psychological and/or substance abuse counseling if there is cause to believe that such problems are interfering with job performance or potentially affecting the safety of any employee or the public. Such services may be obtained at no cost to CDF employees through the program described above if the employee has not otherwise exhausted his coverage.
- 11.3.3 The employee voluntarily participating in counseling services may do so through the use of approved sick leave when absent from work. Those employees who are formally referred by a supervisor to counseling shall do so on State time for the first visit. Any subsequent visits are at the employee's option.
- 11.3.4 Employees who are formally referred by a supervisor may be required to provide substantiation of counseling visits. However, doctor-patient privileges shall be maintained.
- 11.3.5 During the term of this Agreement, there will be no change in the level of benefits.

### **Section 11.4 Staff Assistance**

- 11.4.1 The Department will name a resource person(s) in the Sacramento office, to answer inquiries and resolve problems from all Unit 8 Employees. That person will serve to facilitate the resolution of concerns employees may have, either in the Department or with other departments and/or agencies, relative to worker's compensation, retirement, or disability matters.
- 11.4.2 The Department shall distribute to all new employees (including seasonals) an information kit mutually drafted by the parties, but containing, as a minimum, information on dental plan enrollment, health plan enrollment, "fair share fee" and CDF FIREFIGHTERS duties, activities and membership, psychological counseling, sick leave and vacation benefits.

### **Section 11.5 Limited Duty Assignments**

There shall be no discrimination between males and females in the granting of limited duty assignments nor the positions to which people should be assigned.

- 11.5.1 Limited duty may be available as otherwise described in this section for Unit 8 employees who, because of a temporary disability, injury, illness or other physical condition, are temporarily unable to perform the full range of duties of their classification. Limited duty is typically an assignment requiring other than the full range of duties for the employee's classification or current assignment. The parties agree that all cases of on the job illness, injury, or temporary disability require return to work as soon as is medically feasible.

- 11.5.2 Limited duty is not intended for those with permanent and stationary physical conditions which preclude performance of duties associated with their classification. It is also not intended for those with temporary conditions which can reasonably be expected to last longer than 60 days. The condition of pregnancy shall not be included in this limitation.
- 11.5.3 Limited duty assignments shall be provided or required when the department determines that productive work is available given:
- 11.5.3.1 Safety, operational and budgetary considerations; (e.g., crew strength and safety, critical program goals, excessive overtime);
- 11.5.3.2 The impact on other employees (e.g., mandatory overtime or forced geographic reassignment); and/or,
- 11.5.3.3 A clear prognosis for improvement which will allow return to full duty upon completion of the limited duty assignment.
- 11.5.4 Limited duty assignments will typically be for up to 60 days except for pregnancy, but may be more depending on subsection 11.5.3 above. Such assignments may also last for a shorter period of time particularly when an employee recuperates and can resume the full range of duties.
- 11.5.5 Priority may be given to those with work incurred injuries, illnesses or disabilities caused by pregnancy. That means employees on limited duty for non-work incurred physical conditions could have their limited duty status adjusted to accommodate the person with the work or pregnancy incurred difficulty.
- 11.5.6 Employees requesting limited duty may be required to supply medical substantiation of the need as well as the type of work they may safely perform. However, the department retains the right to require an employee to have an examination by a physician of its own choosing prior to or during the limited duty assignment. The department will pay for the cost of the medical examination if required.
- 11.5.7 Employees on limited duty because of a non-work incurred temporary disability will be scheduled to work a NIRA duty week consistent with their job classification.
- 11.5.8 Employees on limited duty because of a work incurred temporary disability will be assigned to the duty week associated with the job to be performed not to exceed four days per week unless the employee's regular duty week is longer. In either case, the employee will work up to 40 hours and be assigned on-call or standby time based on the job and their medical condition. Such employees will continue to receive any planned overtime compensation they would have received had the injury not occurred.
- 11.5.9 Employees on limited duty may, with the approval of the Unit Chief, be assigned to work overtime consistent with their limited duty status, and the overtime provisions of this agreement.

- 11.5.10 Limited duty assignments will typically commence on a Monday when there is a duty week change involved.
- 11.5.11 Nothing in this section waives or limits any individual's right to seek reasonable accommodations which are required by law. Further, nothing in this provision limits any individual's rights under the Workers' Compensation laws.

### **Section 11.6 Reasonable Accommodation**

The employer will continue to adhere to its reasonable accommodation policy, found in the Personnel Procedures Handbook.

### **Section 11.8 Membership on Accident Investigation Teams**

CDF FIREFIGHTERS shall continue to have one representative on each accident investigation team. The CDF FIREFIGHTERS member shall be a full, active participant and shall receive the same advance notice as other team members and the same entitlement concerning travel, per diem reimbursement and State time. As a full participating team member, the CDF FIREFIGHTERS representative shall fulfill the same obligations and adhere to the same constraints as all team members. Any differences of opinion shall be given full recognition within the body of the report. CDF FIREFIGHTERS shall provide a contact roster to be used for notification. To the maximum extent possible, CDF FIREFIGHTERS shall select participants having appropriate expertise relevant to the accident to be investigated. The accident investigation team will be activated in accordance with TD-90-32, dated August 1990.

### **Section 11.9 Exercising on State Time**

- 11.9.1 The employer shall continue the past practice of furnishing one hour for approved exercise activities during normal working hours except during emergency assignments or during full-day training programs. The department may require employees to exercise during this hour.

- 11.9.3 Employees shall reasonably be allowed to furnish their own physical fitness equipment consistent with approved exercise programs subject to availability of appropriate space and specific operational needs of each work site.

- 11.9.4 Approved off site exercise programs are allowed. The department may approve employees' participation in such programs.
- 11.9.5 The Department's physical fitness program agreed to by the parties on August 25, 1998 and found in the Health and Safety Procedures Handbook is hereby incorporated herein by reference.

### **Section 11.10 Physical Standards Reopener**

This reopener will include the subject of physical ability testing for Firefighters I.

### **Section 11.11 Personal Exposure Records**

- 11.11.1 The Department of Forestry and Fire Protection shall provide at State expense, enrollment for all permanent Bargaining Unit 8 Employees with the California Professional Firefighters Personal Exposure Record program.
- 11.11.2 For all Bargaining Unit 8 employees not included in subsection 11.11.1 above, the department shall provide for and maintain at State expense, a Personal Exposure Record Program. CDF FIREFIGHTERS shall provide and distribute identical forms as used by the California Professional Firefighters Personal Exposure Record Program. Upon appointment of an individual to a permanent Bargaining Unit 8 position, the original form(s) shall be made available to the individual. Retention of the Personal Exposure Records shall be guaranteed by the Department.
- 11.11.3 Where "need-to-know" is referenced in this program, the standard shall conform to all applicable laws and shall be the same as the disclosure limitations in Civil Code Section 56.10, dealing with the disclosure of medical information as to non-State persons or entities; as to persons, agencies, or other units of the State Employer, the standard for need-to-know is that of Doctor/Patient privileged medical information.
- Access by computer will conform to the standards in this subsection 11.11.3. Access for the purpose of gathering and compiling statistical data only (without possibility of identification of individuals i.e.: SSN's etc.) is highly encouraged by the parties.
- The Department will continue to adhere to the policy found in the Health and Safety Procedures Handbook.

### **Section 11.12 Safety/Protective Clothing**

- 11.12.1 The employer shall provide all safety clothing (not to include safety boots) and equipment for all employees including personal safety alarms required by Cal-OSHA. The CDF agrees to distribute the money described above and notify employees of said change at least forty-five (45) days prior to any such change. Rates at new lots administered by the State will be set at a level comparable to existing State lots. The parties agree that such increases will be uniformly applied to all represented employees in a given parking lot.
- 12.9.5 By April 1, 2000, the State shall develop a system to employees where parking fees may be paid with pre-tax dollars.
- 12.9.6 Notwithstanding any other provision of this Contract, the Union agrees that the State may implement new policies or change existing ones in areas such as transit subsidies, vanpool/carpool incentives, walking/biking incentives, parking, parking fees, hours of work and other actions to meet the goals of transportation incentives. ## **ARTICLE 13 RETIREMENT**

### **Section 13.1 Retirement Formula for Peace Officers/Firefighter**

The Union and the State (parties) agree that the legislation implementing this agreement shall contain language adding new age benefit factors on which service retirement benefits are based for employees of this unit who are Peace Officer/Firefighter (POF) members of the Public Employee's Retirement System (CalPERS). The parties further agree that the provisions of this article will be effective only upon the CalPERS board adopting a Resolution that will employ, for the June 30, 1998 valuation and thereafter, 95% of the market value of the CalPERS assets as the actuarial value of the assets, and to amortize the June 30 excess assets over a 20 year period, beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the 20 year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

The table below compares the current age benefit factors for POF members to the enhanced factors that the proposed legislation would place in the part of the Government Code administered by the CalPERS.

AGE AT RETIREMENT	CURRENT FACTORS	PROPOSED FACTORS
50	2.000	2.400
51	2.100	2.520
52	2.200	2.640
53	2.300	2.760
54	2.400	2.880
55 and over	2.500	3.000

There would be factors for attained quarter ages, such as age 52 <sup>3</sup>/<sub>4</sub>, that will be included in the proposed legislation. These age benefit factors will be effective for POF members who retire directly from State employment on and after January 1, 2000. The enhanced age benefit factors will apply for service rendered as a POF member on and after the effective date of the memorandum of understanding between the State and the Union. The improved factors would also apply to past service rendered as POF member.

### **Section 13.2 1959 Survivor's Benefits - Fifth Level**

- 13.2.1 Employees in this unit who are members of the Public Employees' Retirement System (PERS) will be covered under the Fifth Level of the 1959 Survivors' Benefit, which provides a death benefit in the form of a monthly allowance to the eligible survivor in the event of death before retirement. This benefit will be payable to eligible survivors of current employees who are not covered by Social Security and whose death occurs on or after the effective date of the memorandum of understanding for this section.
- 13.2.2 The contribution for employees covered under this new level of benefits will be \$2 per month. The rate of contribution for the State will be determined by the PERS board.
- 13.2.3 The survivors' benefits are detailed in the following schedule:
  - 13.2.3.1 A spouse who has care of two or more eligible children, or three or more eligible children not in the care of spouse: \$1,800
  - 13.2.3.2 A spouse with one eligible child, or two eligible children not in the care of the spouse: \$1,500
  - 13.2.3.3 One eligible child not in the care of the spouse; or the spouse, who had no eligible children at the time of the employee's death, upon reaching age 62: \$750.

### **Section 13.3 Joint Proposal For A Defined Contribution Plan For Unit 8 POF Members Of PERS**

The Union agrees to support the following legislation sponsored by the Department of Personnel Administration that will establish a defined contribution plan, to be administered by the Public Employees Retirement System (PERS), for Unit 8 employees who are Peace Officer/Firefighter members of the system.

Article 2.1 is added to Chapter 12, Part 3 of the Government Code, to read:

Article 2.1 State Peace Officer/Firefighters' Defined Contribution Plan

- (b) This defined contribution plan may be provided to state peace officer/firefighter members who are either excluded from the definition of state employee in subdivision (c) of Section 3513, or are non-elected officers or employees of the executive branch of government and are not members of the civil service, and who supervise employees in a bargaining unit that is subject to this article, provided, however that the Department of Personnel Administration has approved their inclusion for coverage under this article.
- (c) The board shall notify' the Department of Personnel Administration when it is prepared to implement the plan.

Section 21078.1.

- (a) The State Peace Officer/Firefighters' Defined Contribution Plan Fund is hereby established to accept member and employer contributions. Notwithstanding Section 13340 of the Government Code, this fund is continuously appropriated without regard to fiscal years for the purposes of this article. The board may determine its initial start-up costs and submit this amount to the Legislature for an appropriation.
- (b) The cost of administering this article shall be paid solely from contributions credited to the members' individual accounts.

Section 21078.2.

- (a) The contributions made by the employer, and the member if any, to this plan shall be credited to the member's individual account solely for the purpose of providing the member with an annuity upon retirement or as a death benefit to the member's eligible beneficiary. The contributions made by the employer and the member to this plan shall be subject to the limitations prescribed by Sections 401(a) (17) and 415 (c) of Title 26 of the United States Code.
- (b) The member's individual account in this plan shall consist of the contributions made by the employer on his or her behalf, the contributions

made by the member, if any, and any earnings attributed to investments made from the member's individual account.

- (c) Notwithstanding the rate of interest payable on member contributions pursuant to any other provision of this part, the board, after deducting the costs of administering this article, shall credit the individual account of a member with interest at the net earnings rate compounded each June 30.
- (d) Member contributions, if any are made, shall be considered as contributions "picked up" by the employer, as specified by Section 414 (h) (2) of Title 26 of the United States Code.
- (e) The plan shall permit members to roll over contributions to or from another qualified plan, in accordance with federal requirements.
- (f) The board may adopt laws and rules, as it deems necessary, to ensure that the plan complies with the requirements imposed on defined contribution plans for governmental employers by Title 26 of the United States Code.
- (g) The board shall have exclusive control over the administration and the investment of the fund. The board shall operate under the prudent man rule in its investment strategy and adopt all of the safeguards and diversity specified in Chapter 2, Article 6, of this part.

- (c) A participating member who permanently transfers to another state bargaining unit shall no longer be entitled to receive the employer contribution. However, if he or she had been making member

contributions, he or she may elect to continue to participate in this plan under the same rate of contribution.

- (d) The board shall determine the necessary procedure under which the member's contributions may be rolled into or out of this plan.
- (e) Upon the death of a member, the beneficiary, as defined in Section 20019, may elect to receive a lump sum distribution of the member's individual account or receive a monthly annuity. This death benefit is separate and distinct from any other pre-retirement death benefits the beneficiary is eligible to receive from the system on account of the member's death.
- (f) Upon the member's retirement, the member shall elect the manner in which his or her individual account shall be distributed. In lieu of a lump sum payment, the member may elect to receive a monthly payment from his or her individual account. This monthly payment may be included with any other monthly allowance payable to the member for service rendered the system. However, monthly payments from his defined contribution plan shall not be subject to any cost-of-living adjustments prescribed in this part.

- (h) The board may prescribe by regulation the conditions and methods by which the monthly payments may be made for the life of the retired member or the surviving spouse.

#### **Section 13.4 Employer Payment of Member Retirement Contribution Amounts**

Peace Officer/Firefighter member contributions to the Public Employees' Retirement System (PERS) are based on 8 percent of the compensation in excess of \$238. However Unit 8 employees who are in this member category shall be required to contribute 6 percent of that compensation. The State shall pay the remaining 2 percent, for the period between July 1, 1999 and June 30, 2001. The amounts paid by the State shall be credited to the members' account as though made by the members.

Effective on July 1, 2001 the member contributions to the PERS shall be 8 percent of the monthly compensation in excess of \$513. If the parties agree to extend the duration of this Agreement beyond July 2, 2001, the State may, at its sole and exclusive discretion, also extend the effective date of this provision.

#### **Section 13.5 Service Retirement Limitation Increase To 90 %**

The State and the Union agree that the limitation on service retirement benefits shall be increased from 85 percent of final compensation to 90 percent for members of Unit 8 who retire directly from State employment on and after

January 1, 2000. The legislation that would implement this agreement would read as follows:

Section 21362.1 of the Government Code is amended to read:

21362.1 Notwithstanding Section 21362, the limitation on the service retirement benefit shall be 90 percent for Unit 8 members who retire directly from state employment on and after January 1, 2000. This provision may also be applied to Unit 8 members in related supervisory or confidential positions, provided that the Department of Personnel Administration has approved this inclusion in writing to the board.

### **Section 13.6 Modified First Tier Plan**

CDF Firefighters and the State agree that an alternative retirement plan shall be established for employees who are eligible for membership as miscellaneous or industrial members of the Public Employees' Retirement System. The alternative retirement plan shall be referred to as the "Modified First Tier Plan" and shall become effective the first day of the pay period following ratification by the Legislature and the Union.

### **Section 13.7 First Tier Eligibility for Employees in Second Tier**

The Union and the State (parties) agree that the legislation implementing this agreement shall contain language to allow employees who are currently in the Second Tier retirement plan to elect to be covered under the First Tier, as described in this article. The parties further agree that the provisions of this article will be effective only upon the CalPERS board adopting a Resolution what will employ, for the June 30, 1998 valuation and thereafter, 95% of the market value of CalPERS' assets as the actuarial value of the assets, and to amortize the June 30, 1998 excess assets over a 20 year period beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the 20 year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

The legislative language would allow an employee in the Second Tier to exercise the Tier 1 right of election at any time after the effective date of this legislation. An employee who makes this election would then be eligible to purchase past Second Tier service. The parties will work with CalPERS to establish more flexible purchase provisions for employees. These include, but are not limited to, increasing the installment period from 96 months (8 years) to 144 months (12 years), or up to 180 months (15 years), and allowing employees to purchase partial amounts of service.

New employees who meet the criteria for CalPERS membership would be enrolled in the first Tier plan and have the right to be covered under the Second Tier plan within 180 days of the date of their appointment. If a new employee does not make an election for Second Tier coverage during this period, he/she would remain in the First Tier plan.

Employees who purchase their past service would be required to pay the amount of contributions they would have paid had they been First Tier members during

the period of service that they are purchasing. As required by CalPERS law, the amount will then include interest at 6 percent, annually compounded.

### Section 13.8 First Tier Retirement Formula (2% @ 55)

The Union and the State (parties) agree that the legislation implementing this agreement shall contain language to enhance the current age benefit factors on which service retirement benefits are based for Miscellaneous and Industrial members of the First Tier plan under the Public Employees' Retirement System (CalPERS). The parties further agree that the provisions of this article will be effective only upon the CalPERS board adopting a Resolution what will employ, for the June 30, 1998 valuation and thereafter, 95% of the market value of CalPERS' assets as the actuarial value of the assets, and to amortize the June 30, 1998 excess assets over a 20 year period beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the 20 year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

The legislative language would provide the enhanced benefit factors to State employees who retire directly from State employment on and after January 1, 2000.

The table below compares the current First Tier age benefit factors to the improved factors that the proposed legislation would place in the part of the Government Code administered by CalPERS.

AGE AT RETIREMENT	CURRENT	
	FACTORS	PROPOSED FACTORS
50	1.092	1.100
51	1.156	1.280
52	1.224	1.460
53	1.296	1.640
54	1.376	1.820
55	1.460	2.000
56	1.552	2.063
57	1.650	2.125
58	1.758	2.188
59	1.874	2.250
60	2.000	2.313
61	2.134	2.375
62	2.272	2.438
63 and over	2.418	2.500

There would be factors for attained quarter ages, such as 52 <sup>3</sup>/<sub>4</sub> that will be included in the proposed legislation. These improved age benefit factors will apply for service rendered on and after the effective date of the memorandum of understanding between the State and the Union. The improved factors will also apply to past service that is credited under the First Tier and the Modified First Tier.

The amount of member contributions required of employees who will be covered under these new factors will continue to be 5 percent of monthly compensation in excess of \$513.

## **Section 13.9 Modified First Tier Members Merged Into First Tier**

The Union and the State (parties) agree that the legislation implementing this agreement shall contain language that would move all employees who are currently covered under the Modified First Tier into the First Tier, as described in this article. The parties further agree that the provisions of this article will be effective only upon the CalPERS board adopting a Resolution what will employ, for the June 30, 1998 valuation and thereafter, 95% of the market value of CalPERS' assets as the actuarial value of the assets, and to amortize the June 30, 1998 excess assets over a 20 year period beginning July 1, 1999. The parties agree to jointly request the CalPERS board to extend the 20 year amortization period in the event the cost of these benefits or unfavorable returns on investments results in an increased employer contribution by the State.

The legislative language would allow employees who are in the Modified First Tier retirement plan to be moved into the First Tier plan. This movement will result in granting those employees all of the rights and benefits of the First Tier plan, including the conversion of sick leave credits into retirement service credit at retirement, making contributions at 5 percent of monthly pay in excess of \$513, and the use of the highest compensation averaged over one year when calculating retirement benefits. All past service credited under the Modified First Tier plan will be credited under the First Tier plan at no further cost to the employees. The effective date of First Tier membership for affected employees will be the January 1, 2000.

## **Section 13.10 Deferred Retirement Option Plan (DROP)**

Subject to mutual agreement of the parties the State agrees to investigate the feasibility of a "DROP" program. Should the parties agree to a "DROP" program, no costs shall be borne by the State.

Except as provided in this agreement, it is agreed and understood that each party to this agreement voluntarily waives its rights to negotiate with respect to any matter raised in negotiation or covered in this agreement, for the duration of the agreement.

With respect to other matters within scope of negotiations, negotiations may be required during the term of this agreement as provided in subsection 16.1.2 below.

16.1.2 The parties agree that the provisions of this Subsection shall apply only to matters which are not covered in this agreement.

The parties recognize that during the term of this agreement, it may be necessary for the State to make changes in areas within the scope of negotiations. Where the State finds it necessary to make such changes, the State shall notify CDF FIREFIGHTERS of the proposed change 30 days prior to its proposed implementation.

The parties shall undertake negotiations regarding the impact of such changes on the employees in Unit 8 where all three of the following exist:

16.1.2.1 Where such changes would affect the working conditions of a significant number of employees in Unit 8.

16.1.2.2 Where the subject matter of the change is within scope of representation pursuant to SEERA.

16.1.2.3 Where CDF FIREFIGHTERS requests to negotiate with the State.

Any agreement resulting from such negotiations shall be executed in writing and shall become an addendum to this agreement. If the parties are in disagreement as to whether a proposed change is subject to this Subsection, such disagreement may be submitted to the arbitration procedure for resolution. The arbitrator's decision shall be binding. In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted to mediation pursuant to Section 3518 of SEERA.

Unless otherwise provided herein, or unless changed by mutual agreement, there shall be no diminution of existing wage rates and substantial monetary employee benefits during the term of this agreement. Provided, however, the parties agree to meet and confer over alternatives to layoff and/or other unforeseen economic crisis.

## **Section 16.2 Savings Clause**

- 16.2.1 Should any provision of this Agreement be found unlawful by a court of competent jurisdiction, the remainder of the agreement shall continue in force. Upon issuance of such a decision, the parties shall meet as soon as practicable to attempt to renegotiate the invalidated provision(s).
- 16.2.2 If the minimum wage is increased by law beyond the salary or hourly rate received by any Unit 8 employee, his/her salary and hourly rate will be raised to, at least, the new minimum wage.

## **Section 16.3 Hold Harmless**

The parties agree to defend jointly the provisions of this MOU, and related agreements, from collateral challenges. If such challenges occur, the employer will hold CDF FIREFIGHTERS harmless with reference to legal expenditures, costs, or judgments.

## **Section 16.4 Duration**

- 16.4.1 Unless a specific provision provides for a different effective date, the terms of this Contract shall go into effect on July 1, 1999 and shall remain in full force and effect through and including July 2, 2001.

Each party shall attempt to give the other at least 72-hours notice before canceling a scheduled meeting.
- 16.5.2 A total of four (4) members of the CDF FIREFIGHTERS negotiating team shall be granted State paid release time if they were otherwise scheduled for work at the time negotiations occur. The time for any extra team members will be deducted from the CDF FIREFIGHTERS Release Time Bank. All other expenses related to negotiations shall be borne by CDF FIREFIGHTERS.
- 16.5.3 The Union and State agree that negotiating sessions will take place in the Sacramento area unless a requested change is mutually acceptable and that each party shall share equally in providing a negotiating room and at least one separate caucus room. By mutual agreement different locations and

arrangements may be made. The party arranging for the negotiating room will also provide at least one separate caucus room and pay for all room costs.

- 16.5.4 All proposals by both parties shall be reduced to writing before any tentative agreement is reached. Tentative agreements become binding only when settlement is reached on all items properly placed on the table. As the union is the moving party, it will present its proposals first.
- 16.5.5 All bargaining sessions shall begin at 10:00 a.m. and end no earlier than 5:00 p.m. unless changed by mutual agreement. All caucuses shall be limited to 60 minutes. There shall be no smoking in the negotiation room.

Upon reaching a tentative agreement on the total agreement, both CDF FIREFIGHTERS and the State agree to support and recommend ratification of the contract to the Legislature. The parties agree to notice each other prior to any communications with the news media.

Such related and supplemental training will average 144 hours per year over a 36-month apprenticeship term. Current practice concerning early final exams may not be changed without the consent of the Sub-JAC.
- 18.1.7 The employer may apply hours of community college training toward related and supplemental training required during the three-year apprenticeship only as allowed by the Apprenticeship Standards. The courses must be approved by Sub-JAC.
- 18.1.8 FAE's and FAE (Paramedics) hired after inception of the apprenticeship program will be required to successfully complete their apprenticeship before appointment to the Fire Captain classification.

19.2.9 Remedy Available

19.2.9.1 The only remedy available as the result of grieving a disciplinary action, or appealing it to the State Personnel Board, shall be revoking the action or amending the penalty, except that nothing in this section forecloses on back pay, interest, reinstatement of lost benefits, offsets, etc. as provided in Government Code Section 19584, and creative remedial solutions (e.g., "last chance agreements") are permitted.

19.2.9.2 Penalties determined as result of grieving a disciplinary action, or appealing to the SPB, shall not jeopardize the employee's status under the Fair Labor Standards Act, as set forth pursuant to Section 13(a)(1) of the Fair Labor Standards Act of 1938, as amended (Title 29, Section 213(a)(1), U.S. Code) and in Part 54 of Title 29 of the Code of Federal Regulations, as defined and delimited on the effective date of this agreement, and as those provisions may be amended in the future.

- 19.4.1.1 Employees who receive major disciplinary actions shall have the choice of invoking the jurisdiction of the State Personnel Board by way of answer and appeal, or filing a grievance pursuant to the terms of this article.
- 19.4.1.2 The choice of forum rests solely with the employee; however, once a forum is selected, the decision is irrevocable.
- 19.4.1.3 If an employee appeals to SPB and files a timely grievance, the SPB appeal shall automatically be considered withdrawn with prejudice.
- 19.4.2 Filing Grievances
- 19.4.2.1 Required Forms
- 19.4.2.1.1 Grievances must be filed in writing on an official grievance form, or a writing that contains the same information.
- 19.4.2.1.2 An "Acknowledgement and Waiver" form signed by the affected employee must be submitted with the grievance (see Appendix B).
- 19.4.2.1.3 If an "Acknowledgement and Waiver" form is not submitted with the grievance, the grievance shall be deemed withdrawn with prejudice.
- 19.4.2.2 Time Limit for Filing Grievance
- 19.4.2.2.1 Major discipline grievances must be filed within ten (10) calendar days following actual or constructive notice of the decision at the informal (Skelly) grievance decision, or 14 calendar days following the effective date of the action if the employee does not seek to respond in advance of the effective date at the informal grievance level.
- 19.4.2.2.2 Failure to file a grievance within the deadlines specified renders the discipline final.
- 19.4.2.2.3 Where to File Grievance
- Grievances shall be filed directly with the Labor Relations Office for the department in which the grievant is employed.
- 19.4.3 Step 1 -- Board of Adjustment
- 19.4.3.1 Board of Adjustment

- 19.4.3.1.1 The BOA shall be comprised of two individuals selected by the employer, and two individuals selected by the union.
- 19.4.3.1.1.1 The union and employer will each designate one of their members who will serve a term of two years and one with a one-year term. All appointees thereafter will have two-year terms that may be renewed by their respective parties.
- 19.4.3.1.1.2 If an individual who is selected to serve on the BOA is unable to serve for whatever reason, a substitute may be appointed.
- 19.4.3.1.2 The employer and union shall bear all costs for their BOA appointees except that union appointees shall be on State release time.
- 19.4.3.1.3 Any procedural disputes regarding any section of this Article must be raised before the BOA or they are forever waived. Such disputes shall be addressed by the BOA at the same time the merits of the grievance are considered, and such disputes may not be grieved or arbitrated under Article 6 of this agreement.
- 19.4.3.2 Procedural Matters
  - 19.4.3.2.1 The BOA shall determine all procedures for hearing, except as otherwise provided for in this agreement. Said procedures shall be determined by majority vote.
  - 19.4.3.2.2 The BOA shall not be bound by common law, statutory rules of evidence, technical or formal rules of procedure, or precedential decisions, but shall review the submitted documents and declarations in such a manner as necessary to reach a just and proper decision based on all relevant evidence properly submitted.
  - 19.4.3.2.3 The BOA shall not adopt procedural rules, or vote on disciplinary grievances, unless one representative from each side is in attendance. Proxies are allowed.
  - 19.4.3.2.4 The four non-neutral members of the Board may render a final and binding decision. One Board member representing a party (employer or Union) may cast the vote of the other representative of that party if he/she is absent. Thus, a 4-0, 3-1 or 3-0 vote determines a matter. The BOA may meet by conference call. The BOA may waive a meeting and agree to send a matter directly to arbitration. BOA members need not attend arbitration.
  - 19.4.3.2.5 The BOA must provide the parties (or their representative) the opportunity to present information and argue orally.
  - 19.4.3.2.6 Hearsay is admissible but shall not be the sole basis for a decision.
  - 19.4.3.2.7 Information received by the BOA, and discussions between BOA members shall be confidential.
  - 19.4.3.2.8 All decisions shall be made in executive session.
  - 19.4.3.2.9 The intent of this BOA process is to have expeditious but fair hearings. The Board shall consider only the written materials provided by the parties prior to the

hearing. However, the Board may order sworn testimony, the subpoenaing of one or more witnesses, or the production or receipt into evidence of documents upon motion of either party, if the Board determines that a just hearing and/or decision requires same. The parties contemplate that such a determination will be the exception rather than the rule.

- 19.4.3.3 Board of Adjustment Decisions
  - 19.4.3.3.1 The BOA may decide the matter at its monthly meeting, or it may defer decision until a subsequent meeting, but in no case more than 45 days after the matter is heard.
  - 19.4.3.3.2 The BOA shall document its action in writing on a form provided by the Department of Personnel Administration within two working days after the BOA takes action. Copies will be simultaneously served on the grievant, union and department Labor Relations Officer.
  - 19.4.3.3.3 The BOA shall not have the power to add to, subtract from, or modify this agreement.
- 19.4.4 Step 2 – Arbitration
  - 19.4.4.1 Invoking Arbitration
    - 19.4.4.1.1 If the BOA decides a grievance by majority vote, the decision shall be final and binding and may be enforced as an arbitration award under California Code of Civil Procedure Section 1280 et seq.
    - 19.4.4.1.2 If the BOA does not reach a binding decision as outlined herein, the action shall be sustained unless the union appeals the action through the arbitration procedures outlined in this article.
    - 19.4.4.1.3 Arbitration must be requested within ten (10) days following the BOA decision.
  - 19.4.4.2 About the Arbitrator
    - 19.4.4.2.1 The determination of the neutral arbitrator for major discipline cases shall be as provided in Article 6. In other words, the arbitrator may vary from one major discipline case to the next.
    - 19.4.4.2.2 The cost of arbitration shall be borne equally between the appointing power and union.
  - 19.4.4.3 Authority of Arbitrator

The arbitrator shall not have the power to add to, subtract from, or modify this agreement.
  - 19.4.4.4 Procedural Matters
    - 19.4.4.4.1 If the grievant fails to appear for the hearing (including through a representative) (and the matter has not been continued for good cause by the arbitrator), the

grievance shall be deemed dismissed with prejudice and the adverse action shall be final.

19.4.4.4.2 The arbitration shall be conducted as provided in California Code of Civil Procedure Section 1280 et seq. At the arbitration hearing, both sides may introduce evidence, call and cross-examine witnesses, and submit written briefs.

19.4.4.5 Arbitrator Awards

19.4.4.5.1 The arbitrator's award shall be final and binding.

19.4.4.5.2 Arbitration awards are not subject to challenge or review in any forum, administrative or judicial, except as provided in CCP § 1285 et seq.

19.5.1.2 Time Limit for Filing Grievance

Minor discipline grievances must be filed within ten (10) calendar days following actual or constructive knowledge of the decision at the informal (Skelly) grievance decision, or 14 calendar days following the effective date of the action if the employee does not seek to respond in advance of the effective date at the informal grievance level.

19.5.2.1.3 The fifth and neutral Board member (arbitrator) shall be mutually agreed upon by DPA and the Union and shall serve for at least twelve (12) months. If the parties cannot agree, the arbitrator shall be chosen as called for in Article 6 of this MOU.

19.5.2.1.4 Costs associated with the fifth member shall be borne equally by the parties.

19.5.2.2 Procedural Matters

- 19.5.2.2.1 The provisions of this article regarding BOA procedural matters for major discipline shall apply to minor discipline except as specifically noted (e.g., discovery and time for presentation at hearing).
- 19.5.2.2.2 If "five member arbitration" is held, only the fifth and neutral arbitrator need attend, in the interest of the quickest possible scheduling or in the interest of minimizing costs.
- 19.5.2.2.3 The grievant shall be given a total of 15 minutes for an opening statement/argument and rebuttal. The employer shall be given a total of 15 minutes for its responding statement/argument.
- 19.5.2.3 Board of Adjustment Decisions
- BOA decisions are final and binding except as provided by California Code of Civil Procedure Section 1280 et seq.

## **Section 19.6 Settlements**

Nothing in the article is intended to preclude the parties from independently settling disputes arising from disciplinary actions.

## APPENDIX A - SUBSTANCE ABUSE TESTING

Federal Regulations 49 CFR Parts 382, et al and 49 CFR Part 40 require the State of California (State) to test its commercial drivers for controlled substances and alcohol. As specified below, this requirement covers certain employees in Bargaining Unit 8. Having met and conferred, the State and the CDF FIREFIGHTERS agree to the following regarding the impact of this testing on employees in Unit 8.

### Section 1 Authority And Purpose

- 1.1 The State will conduct drug and alcohol testing of commercial drivers in Bargaining Unit 8, as specified in Federal Regulations 49 CFR Parts 382, et al. and 49 CFR Part 40.
- 1.2 The State will apply all of the provisions of this Agreement to employees in Bargaining Unit 8 who meet the criteria for testing required by 49 CFR Part 382 et al. This includes employees who:
  - 1.2.1 Are in a classification that requires the possession of a Commercial Drivers License (CDL); or who
  - 1.2.2 Possess a CDL and drive a motor vehicle for the State of California that:
    - 1.2.2.1 Has a gross combination weight rating or gross combination weight of 26,001 or more pounds inclusive of a towed unit with a gross vehicle weight rating or gross vehicle weight of more than 10,000 pounds; or
    - 1.2.2.2 Has a gross vehicle weight rating or gross vehicle weight of 26,001 or more pounds; or
    - 1.2.2.3 Is designed to transport 16 or more passengers, including the driver; or
    - 1.2.2.4 Is of any size and is used in the transportation of materials found to be hazardous for the purposes of the Hazardous Materials Transportation Act and which require the motor vehicle to be placarded under the Hazardous Materials Regulations (49 CFR part 172, subpart F).
  - 1.2.3 Possess a CDL and periodically drive a commercial vehicle (as described in subsection 1.2.2 above) for the State, and elect to remain in the federal testing program during their non-driving periods.
  - 1.2.4 The pre-employment and/or random testing provisions of this agreement will not apply to employees who possess a restricted fire fighter license for the operation of emergency firefighting equipment.
- 1.3 The State will apply the reasonable suspicion testing provisions of his Agreement to all employees in Bargaining Unit 8 who meet the criteria for Testing required by State drug and alcohol testing provisions (Department of Personnel Administration [DPA] Rules 599.960-599.966 and State Personnel Board Rules 213 - 213.6).
- 1.4 This agreement restates and describes certain of the federal testing provisions and requirements. However, the State and CDF FIREFIGHTERS agree that the applicable federal regulations shall be applied in their entirety, and as they are specifically set forth in the Code of Federal Regulations (CFR). In any conflict between the CFR and this agreement, the CFR shall prevail.

## Section 2 DPA Consortium

The DPA will serve as the administrator for the consortium that will provide drug/alcohol testing services for the federal testing program to the California Department of Forestry and Fire Protection (CDF).

## Section 3 Types Of Testing

### 3.1 Random Testing

- 3.1.1 Each year, a number of drug tests that equals 50% of the employees in the DPA testing pool will be conducted on employees who are randomly selected from the pool. In addition, a number of alcohol tests that equals 25% of the number of employees in the DPA testing pool will be conducted on employees who are randomly selected from the pool. The DPA will randomly select employee names from the testing pool using the HEIDI computer software program.
- 3.1.2 Employees will usually provide urine specimens (for drug tests) and take breath alcohol tests for the random testing program during normal work hours. Employees whose regularly scheduled work shift occurs outside of the designated collection sites' normal hours of operation may be held after shift, with appropriate compensation, to be tested, or the employing department may make arrangements to have them tested during their shift.
- 3.1.3 In no event shall an employee be called in for the purpose of participating in a random test while the employee is on vacation, regular days off, sick leave, compensating time off or other leave status.

### 3.2 Reasonable Suspicion

- 3.2.1 Employees will be required to submit to a reasonable suspicion drug test and/or a breath alcohol test if the supervisor has reasonable suspicion to believe that the employee has violated the state and/or federal requirements on the use of controlled substances and/or alcohol. A finding of reasonable suspicion must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. The observations may include indications of the chronic and withdrawal effects of controlled substances.
- 3.2.2 Supervisors who make a determination of reasonable suspicion must receive 1) at least 60 minutes of training on alcohol misuse and 2) at least an additional 60 minutes of training on controlled substances use. The training shall cover the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances.
- 3.2.3 Any Unit 8 employee covered by this testing program is subject to reasonable suspicion testing for alcohol or drugs anytime he/she is on duty, standby or on-call.
- 3.2.4 The basis for all reasonable suspicion determinations shall be documented in writing. This shall include a specific description of the observations on which the determination is based. This documentation shall be completed within 48 hours of the determination. A copy shall be provided to the employee.

- 3.2.5 When reasonably possible, and provided it does not interfere with employee or public safety, reasonable suspicion shall be confirmed by the direct observation of another supervisor or peace officer as defined under Penal Code Sections 830.1 and 830.2. The supervisor does not have to be a CDF employee.
- 3.3 Post Accident
  - 3.3.1 A driver who is in an accident involving a commercial vehicle shall be tested for alcohol and controlled substances if the following conditions exist:
    - 3.3.1.1. The driver was performing safety-sensitive functions with respect to the vehicle, and the accident involved the loss of human life; or
    - 3.3.1.2 The driver received a citation under State or local law for a moving traffic violation arising from the accident; and the accident involved bodily injury requiring treatment away from the scene and/or resulted in damage to any vehicle that required the vehicle to be towed or transported away.
- 3.4 Pre-Employment/Pre-Duty Testing
  - 3.4.1 A pre-employment/pre-duty controlled substance and alcohol test must be conducted before the first time a driver performs a safety-sensitive function for the State. A driver must also take a pre-duty controlled substance and alcohol test when he/she transfers from a position not performing safety-sensitive functions to a position performing safety-sensitive functions. This also applies to a driver returning from a leave of absence for more than 30 days due to illness, lay-off, injury, extended leaves, (paid or unpaid) etc., who has not remained in the controlled substance and alcohol program and, therefore, has not been subject to the random testing process. A negative test result is required prior to performing safety-sensitive functions. A driver may be exempted from pre-employment/pre-duty testing if the employing department verifies his/her participation in and compliance with a federal testing program under a prior employer, as specified in the federal regulations.
- 3.5 Return-to-Duty Testing
  - 3.5.1 Employees who have engaged in prohibited conduct under the federal regulations must submit to and pass a return-to-duty test prior to performing safety-sensitive duties again.
- 3.6 Follow-up Testing

Following the Substance Abuse Professional's (SAP's) determination that the employee has properly followed the SAP's recommendation for rehabilitation, the employee will be subject to a minimum of 6 unannounced follow-up alcohol and/or drug tests during the first 12 months following his/her return to work. Any additional testing or other requirements will be specified in the employee's last chance agreement.

## **Section 4 Testing Process**

- 4.1 Drug Testing
  - 4.1.1 Following are the controlled substances (drugs) included in the federal testing program, and the cutoff levels used in the tests for each of them. The following are to be utilized

whether samples are collected by random, reasonable suspicion or other testing. This information was current when this agreement was signed, but is subject to change by the federal government.

<b>CONFIRMATORY SUBSTANCE</b>	<b>CUTOFF</b>	<b>CUTOFF</b>
Amphetamines/Methamphetamine	1000 nanogram	500 nanogram
Cannabinoids	50 nanogram per milliliter	15 nanogram per milliliter
Cocaine	300 nanogram per milliliter	150 nanogram per milliliter
Opiates	300 nanogram per milliliter	300 nanogram per milliliter
Phencyclidine	25 nanogram per milliliter	25 nanogram per milliliter

4.1.2 Drug testing shall be performed on a urine sample using an immunoassay screening test and gas chromatography/mass spectrometry confirmatory test for positive tests. The State shall use a SAMSHA approved laboratory for these tests.

4.2 Alcohol Testing

Alcohol testing will be performed by certified Breath Alcohol Technicians (BATs) using federally-approved National Highway Traffic Safety Administration (NHTSA) evidential breath testing devices.

4.3 Urine Collection/Breath Testing Process

4.3.1 Urine collection/breath alcohol testing services will generally be conducted in private clinical facilities. In addition, the State will utilize on-site (mobile) urine collection/breath alcohol testing services provided by private contractors. The State will specifically inform CDF FIREFIGHTERS of any situations in which State agencies plan to use their own staff and facilities to collect urine samples. Time that is required for the employee to take the tests for random testing, reasonable suspicion, post-accident testing, and follow-up testing, including waiting, transportation, and testing time will be considered hours worked in accordance with the hours and overtime provisions of the Unit 8 Memorandum of Understanding (MOU).

4.3.2 If urine collection/breath testing is not completed until after the completion of the employees scheduled work day, or if the employee is to remain away from the work site pending the outcome of the tests, the employing State agency shall ensure that the employee has a safe and reasonable way to get home (e.g., with a friend or family member, etc.).

4.4 Re-tests

For controlled substance tests, employees may request that a re-test, using the second portion of their split-sample urine specimen, be conducted at a National Institute on Drug Abuse (NIDA) certified laboratory of their choice, provided they do it through the Medical Review Officer (MRO) who reviewed their laboratory results and make their request within 72 hours of receiving notice of the MRO's determination regarding the results of the first drug test. If the second test confirms the results of the first drug test, the employee will pay for the costs of the second test. If the second test indicates that the first test results were erroneous, the State will pay for the second test.

#### 4.5 Medical Review Officer Services

All drug test results will be reviewed by a MRO who, in turn, will report his/her finding to the State agency. MRO services will be provided by a licensed physician (medical doctor or doctor of osteopathy) who has knowledge of substance abuse disorders and has appropriate medical training to interpret and evaluate drug test results.

#### 4.6 Substance Abuse Professional Services

All employees who test positive for drugs or alcohol will be referred to a Substance Abuse Professional (SAP) for evaluation if they are to return to duty. SAP services will be provided by a licensed physician (medical doctor or doctor of osteopathy), or a licensed or certified psychologist, social worker, employee assistance professional, or addiction counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission), with knowledge of and clinical experience in the diagnosis and treatment of drug and alcohol-related disorders. DPA will provide a statewide network of SAPs. The State will pay for the State-provided SAP services. Any prescribed rehabilitation will be on the employee's own time and expense (except as any of these expenses may be covered by the employees State health insurance plan)

All procedures used for urine collection, breath alcohol testing, laboratory analysis of urine specimens, medical review of test results, and substance abuse professional evaluations shall be in conformance with 49 CFR Part 40 and 49 CFR Parts 382, et al. as they now exist, or may exist in the future.

## **Section 5 Employee Rights And Representation**

- 5.1 The collection of a urine specimen and the administration of a breath test are not, in themselves, investigative interviews that would trigger an employee right to representation. However, the State agrees to make a reasonable effort to grant employee requests for representation during the urine sample and breath alcohol testing processes, provided that this can be done without delaying the testing process or causing operational difficulties for the State.
- 5.2 In addition, employees have the right to representation at any investigative interview that could lead to a decision by the State to take adverse action. Notwithstanding subsection 5.1 above, this includes any such interviews that occur in conjunction with the urine sample collection/breath testing process.
- 5.3 Employees also have the right to representation in any discussion with the MRO except that the inability of the employee to arrange for such representation may not delay the conversation beyond 5 days after the earliest of the following: (a) being contacted by the MRO, or (b) being contacted by the State and ordered to contact the MRO, or (c)

not being available for employer contact after a good faith effort on the employer's part. If the employee fails to arrange for representation the employee may either discuss the findings of the lab results with the MRO or decline to do so; in either case, the MRO will proceed to issue a determination regarding the results of the drug test. Conversations between the MRO and the tested employee will be by telephone in all or nearly all cases. In no case shall the testing and review process be delayed.

## **Section 6 Records And Reports**

- 6.1 The State will keep all drug testing records (in its possession) that identify or pertain to individual employees confidential, releasing information only according to federal regulations, state rule, or as expressly authorized by the employee in writing.
- 6.2 Employees will receive a copy of the custody and control form certified by the MRO as to the results of all drug tests ordered by the State. Upon written request to the State, the State will send the employee copies of any and all documents that the State has in its possession and that relate to the employee's drug test, including laboratory results, reasonable suspicion documentation, MRO reports and disciplinary reports. This material will be released to the employees representative only upon the written request of the employee.
- 6.3 Statistical information about the drug testing program that cannot be used to identify particular individuals is not confidential.
- 6.4 Drug training records are not confidential, even though they may contain the names of employees who have attended drug-related training sessions.

## **Section 7 Employee Conformance With Federal Requirements**

- 7.1 All commercial drivers in Unit 8 are expected to comply with the requirements set forth in 49 CFR Part 40 and 382 et al. Failure to provide a breath sample, refusing to take a required drug test or engaging in any other conduct that obstructs the testing process shall be considered as insubordination. Any violation of the federal requirements including but not limited to testing positive may be the basis for adverse action, up to and including dismissal.
- 7.2 CDF has a zero tolerance policy for any employee in a sensitive position being legally drunk or under the influence of drugs while on duty. Any Unit 8 employee found impaired while on duty, standby or on-call will be terminated.
- 7.3 Employees who use prescription medications or over-the-counter medications, which may render them unable to perform their regularly assigned duties safely, must report such use to their supervisor. In such instances, the State may reassign the employee to non-safety sensitive duties.

## **Section 8 Temporary Loss Of A Commercial Drivers License**

- 8.1 Employees whose CDL has been revoked, suspended, restricted, or affected by any other action that would limit or restrict the employee's ability to drive a commercial vehicle shall report such loss to their supervisor their first day of work after losing the license.

## **Section 9 Grievance And Arbitration**

- 9.1 Any disputes arising from the interpretation or application of Federal Regulations 49 CFR Parts 382, et al. and 49 CFR Part 40 shall not be subject to the grievance and arbitration process. Other aspects of this policy, and the interpretation/application thereof, are subject to the grievance and arbitration process.
