## AGREEMENT BETWEEN THE STATE OF OHIO AND DISTRICT 1199, THE HEALTH CARE AND SOCIAL SERVICE UNION, SERVICE EMPLOYEES INTERNATIONAL UNION, AFL-CIO

This Agreement is hereby entered into by and between the State of Ohio, Office of Collective Bargaining, (hereinafter referred to as the "Employer"), and District 1199, The Health Care and Social Service Union, Service Employees International Union, AFL-CIO, (hereinafter referred to as the "Union").

## **ARTICLE 1 - PURPOSE AND INTENT OF THE AGREEMENT**

It is the purpose of this Agreement to provide for the wages, hours and terms and conditions of employment of the employees covered by this Agreement; and to provide an orderly, prompt, peaceful and equitable procedure for the resolution of differences between employees and the Employer. Upon ratification, the provisions of this Agreement shall automatically modify or supersede: (1) conflicting rules, regulations and interpretive letters of the Department of Administrative Services pertaining to wages, hours and conditions of employment; and (2) conflicting rules, regulations, practices, policies and agreements of or within departments/agencies pertaining to terms and conditions of employment; and (3) conflicting sections of the Ohio Revised Code except those incorporated in Chapter 4117 or referred to therein.

This Agreement may be amended only by written agreement between the Employer and the Union. No verbal statement shall supersede any provisions of this Agreement.

Fringe benefits and other rights granted by the Ohio Revised Code which were in effect on the effective date of this Agreement and which are not specifically provided for or abridged by this Agreement, will be determined by the Ohio Revised Code.

The Employer will satisfy its collective bargaining obligation before changing a matter which is a mandatory subject of bargaining.

## **Mid-Term Contractual Changes**

The Employer and the Union have the power and authority to enter into amendments of this Agreement during its term constituting an addition, deletion, substitution or modification of this Agreement. Any amendment providing for an addition, deletion, substitution or modification of this Agreement must be in writing and executed by the President of the Union or designee and the Director of the Department of Administrative Services or designee. Upon its execution, such amendment shall supersede any existing provision of this Agreement in accordance with its terms and shall continue in full force and effect for the duration of this Agreement. All other provisions of this Agreement not affected by the amendment shall continue in full force and effect for the term of this Agreement.

## **ARTICLE 2 - UNION RECOGNITION**

The Employer hereby recognizes District 1199, The Health Care and Social Service Union, Service Employees International Union, AFL-CIO, as the sole and exclusive bargaining agent for the purpose of collective bargaining on all matters pertaining to wages, hours, terms and other conditions of employment for employees in the bargaining units. The bargaining units for which this recognition is accorded are defined in the Certification issued by the State Employment Relations Board on October 10, 1985 (Case No. 85-RC-04-3295) and November 22, 1985 (Case No. 85-RC-04-3713).

This Agreement includes all employees employed in the classifications and positions listed in Appendix A of this Agreement. The Employer shall notify the Union of any changes in the classification plan sixty (60) days prior to the effective date of the change or as soon as the changes become known to the Employer, whichever occurs first.

In the event of a dispute between the parties as to future inclusions or exclusions from the units resulting from the establishment of new or changed classifications or titles, either party to this Agreement may apply to the State Employment Relations Board for resolution of the dispute.

## **ARTICLE 3 - UNION RIGHTS**

#### 3.01 Delegates and Organizers

The right of the Union to appoint a reasonable number of delegates is recognized. The delegates appointed shall have completed their initial probationary period. Delegates are Union stewards as that term is generally used.

In addition to their regular work duties, the duties of the delegates during work time shall be limited to the investigation and presentation of bargaining unit employees' grievances and representing said employees in meetings with the agency.

Delegates/organizers may receive and discuss complaints and grievances of employees on the premises and time of the agency provided it does not interfere with the necessary operation of the facility. Delegates may use a reasonable amount of time to perform delegate duties. Delegates shall notify their supervisors when working on authorized union business. The notification shall be given as far in advance as is practical, according to the circumstances.

Any disputes between the agency and the Union as to whether any organizer or delegate is spending an unreasonable amount of time in any work site conducting authorized union business shall be resolved by the Union and the agency appointing authority or designee. If the question cannot be resolved at this level, it shall be submitted to the Deputy Director of the Office of Collective Bargaining for resolution.

Employees having a legitimate need for the services of their delegates/organizers shall notify their supervisor. Delegates/organizers will, upon entering any work area other than their own and prior to engaging in any representative duties, report to the supervisor involved.

The Union will provide written notification to the agency of the appointment of all delegates/organizers. No appointment will be recognized until such notification is received by the agency.

When it is necessary for delegates to conduct authorized union business in a work site or shift other than their own, they shall notify the designated agency representative of that work site or shift of their presence and the nature of their business.

Delegates/organizers of the Union shall be allowed reasonable contact with employees of the bargaining unit during normal working hours. The organizer shall notify the designated agency representative before conducting union business on the agency's premises and shall adhere to the agency's reasonable policy regarding access.

Each year of the contract, Union delegates will be allowed a maximum of eight (8) hours of time off with pay at his/her straight time rate to participate in contract administration training conducted by the Union. The time for the delegate training will be at a time mutually agreeable to the Union and the agency. The Union's vice-president shall be given ten (10) days administrative leave with pay to attend to his/her duties as an officer.

Employees elected to the Executive Board of the Union may be allowed time off without pay or may use their personal leave or vacation to attend necessary meetings. Such requests shall not be unreasonably denied.

The Union shall designate no more than twenty (20) bargaining unit members to serve on the negotiating team. Members of the Union negotiating team shall be paid by the Employer for the time spent in negotiations with the Employer as well as for the time spent enroute to and from such negotiations, provided that no Union negotiating team member shall receive more than eight (8) hours pay for any single day. At the request of the Union, Union negotiating team members will also be paid for up to three (3) days of negotiations preparations.

It is understood that the Union is in exclusive control of the composition of its committee and may select those state employees, up to twenty (20) who will participate in negotiations. The Union may, on a limited basis, replace or substitute individual committee members as it perceives the need.

## 3.02 Union Requests for Time Off

All requests for any form of time off from work pursuant to this Article must be made by completing a form or log provided by the Employer. No employee will be granted any time off pursuant to this Article, without completing the form or log prior to the utilization of such time, and securing of permission to utilize such time. The employee shall enter on the form the time the leave commences, and upon returning the employee shall enter the return time. Employees who do not return to their worksite prior to the end of the employees' workday shall complete the form at the beginning of the employees' next workday. Employees who normally work out of the office, will work out an acceptable alternative union leave request procedure with their supervisor. In the absence of a mutually agreed to form the employee shall use state leave forms.

## 3.03 Other Union Deductions

The Employer, for the term of this Agreement, shall withhold other Union deductions from the pay received monthly, quarterly, or annually from those employees who have voluntarily and individually authorized such deduction by executing and submitting a written authorization form (payroll deduction form) in a timely manner. All funds so deducted shall be remitted to the Union regularly.

## **3.04 Credit Union Deductions**

The Employer agrees to honor Credit Union deduction requests for members who have properly signed and executed the payroll deduction form. Such deduction shall remain in effect until the Employer is properly notified in writing by the employee of any change.

## **3.05 Bulletin Boards**

The agency shall provide a suitable space for the use of the Union at each facility for the purpose of posting bulletins, notices and other materials affecting the employees in the bargaining units except for those situations where the agency does not lease or own office space. In institutional agencies, bulletin boards shall be glass enclosed and lockable. The appropriate Union representative shall have the key. The posting of any Union materials shall be restricted to such bulletin board space. Any material posted will be signed and dated by the appropriate Union representative prior to such posting. The Union agrees not to post any material which is profane, obscene or defamatory to the Employer, its representatives, or any individual, or which constitutes campaign material between competing employee organizations, or partisan campaign literature. The union representative shall remove any materials in violation of this section.

The unresolved posting of any material at a facility may be referred to the Union and the Office of Collective Bargaining for resolution.

## 3.06 Meeting Room Space

Space for meetings or conferences with employees may be provided upon request, when available. The Employer agrees to provide office space in institutions where space is currently provided to other labor organizations to be used for conducting union business.

## **ARTICLE 4 - UNION SECURITY**

The Employer shall deduct monthly membership dues and, if appropriate, initiation fees payable to the Union, upon receipt of a voluntary written individual authorization from any bargaining unit employee on a form provided by the Employer.

When an employee transfers from one appointing authority to another within the bargaining unit, the dues deduction card, if one has been submitted, will be transferred to the new appointing authority.

When the exclusive representative provides the Employer with a written statement indicating that a majority of the bargaining unit employees are in favor of enacting a fair share fee, all employees in the bargaining unit pursuant to Section 4117.09 (C) of the Ohio Revised Code who do not become, or do not remain, members in the Union shall, during any such period of non-membership, be required as a condition of employment to pay to the Union a fair share fee of an amount equal to the dues uniformly required of its members. The deduction of the fair share fee from the payroll checks of bargaining unit employees shall be automatic and does not require authorization by the non-member employee.

Each employee covered by this Agreement who fails voluntarily to acquire or maintain membership in the Union shall be required to pay to the Union a fair share fee as a condition of employment.

Employees covered by this Agreement who, for bona fide religious tenets or teachings of a church or religious body, are forbidden from joining a Union shall contribute an amount equal to the fair share fee to a non-religious charity pursuant to the provisions of Section 4117.09 (C) of the Ohio Revised Code. The Employer is limited to deducting only Union dues or fair share fees for the exclusive representation of the bargaining unit unless otherwise stated in this Agreement.

The Employer will terminate dues deductions for the following reasons:

- A. Bargaining unit employee signs cancellation notification on the form provided by the Union;
- B. Bargaining unit employee resigns, is discharged, or severs employment with the Employer for any other reason;
- C. Bargaining unit employee is laid off.

The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of any action taken or not taken as a result of a request of the Union under the provisions of this article including fair share fees, deductions and remittances.

## **ARTICLE 5 - MANAGEMENT RIGHTS**

Except to the extent modified by this Agreement, the Employer reserves, exclusively, all of the inherent rights and authority to manage and operate its facilities and programs. The exclusive rights and authority of management include specifically, but are not limited to, the rights expressed in Section 4117.08 (C)(1)-(9) of the Ohio Revised Code, and the determination of the location and number of facilities; the determination and management of its facilities, equipment, operations, programs and services; the determination and promulgation of the standards of quality and work performance to be maintained; the determination of the management organization, including selection, retention and promotion to positions not within the scope of this Agreement; the determination of the need and use of contractual services; and the ability to take all necessary and specific actions during emergency operational situations. Management will not discriminate against any employee in the exercise of these rights or for the purpose of invalidating any contract provision.

## **ARTICLE 6 - NON-DISCRIMINATION**

## 6.01 Non Discrimination

Neither the Employer nor the Union shall unlawfully discriminate against any employee of the bargaining units on the basis of race, sex, creed, color, religion, age, national origin, political affiliation, union affiliation and activity, handicap or sexual orientation, or discriminate in the application or interpretation of the provisions of this Agreement, except those positions which are necessarily exempted by bona fide occupational qualifications due to the uniqueness of the job, and in compliance with the existing laws of the United States or the State of Ohio. In addition, the Employer shall comply with all the requirements of the federal Americans with Disabilities Act and the regulations promulgated under that Act.

The Employer and Union hereby state a mutual commitment to equal employment opportunity, as regards job opportunities within the agencies covered by this Agreement.

## 6.02 Agreement Rights

No employee shall be discriminated against, intimidated, restrained, harassed, or coerced in the exercise of rights granted by this Agreement.

## **ARTICLE 7 - GRIEVANCE PROCEDURE**

#### 7.01 Purpose

The State of Ohio and the Union recognize that in the interest of harmonious relations, a procedure is necessary whereby employees can be assured of prompt, impartial and fair processing of their grievance. Such procedure shall be available to all bargaining unit employees and no reprisals of any kind shall be taken against any employee initiating or participating in the grievance procedure. Since this Agreement provides for final and binding arbitration of grievances, pursuant to Section 4117.10 of the Ohio Revised Code, the State Personnel Board of Review shall have no jurisdiction to receive and determine any appeals relating to matters that are the subject of this grievance procedure.

## 7.02 Definitions

A. Grievance as used in this Agreement refers to an alleged violation, misinterpretation, or misapplication of specific article(s) or section(s) of the Agreement.

B. Disciplinary grievance refers to a grievance involving a suspension, a fine, a discharge, or a reduction in pay or position. Probationary employees shall not have access to the disciplinary grievance procedure.

C. *Day* as used in this Article means a calendar day, and times shall be computed by excluding the first and including the last day, except when the last day falls on a Saturday, a Sunday, or a legal holiday, the act may be done on the next succeeding day which is not a Saturday, Sunday, or holiday.

## 7.03 Specific Provision

The grievant shall cite on the grievance form the specific article, section, or combination thereof that he/she alleges to have been violated and the specific resolution requested. If the grievant fails to cite provision(s) and requested resolution, the supervisor shall return the grievance form to the grievant.

## 7.04 Grievant

A grievance under this procedure may be brought by any bargaining unit member who believes himself/herself to be aggrieved by a specific violation of this Agreement. When a group of bargaining unit employees desires to file a grievance involving an alleged violation that affects more than one (1) employee in the same way, the grievance may be filed by the Union. A grievance so initiated shall be called a Class Grievance. Class Grievances shall be filed by the Union within fifteen (15) days of the date on which the grievant(s) knew or reasonably could have known of the event giving rise to the Class Grievance. Class Grievances shall be initiated directly at Step Two (2) of the grievance procedure if the entire class is under the jurisdiction of the Step Two (2) management representative, or at Step Three (3) of the grievance procedure if the class is under the jurisdiction of more than one (1) Step Two (2) management representative. The Union shall identify the class involved, including the names if necessary, if requested by the agency head or designee.

Union representatives, officers or bargaining unit members shall not attempt to process as grievances matters which do not constitute an alleged violation of this Agreement.

## 7.05 Termination of the Issue

When a decision has been accepted by the Employer and the Union at any step of this grievance procedure, or the Employer has granted the grievance, it shall be final and no further use of this grievance procedure in regard to that issue shall take place. It is understood that settlements below Step Three (3) are not precedent setting.

Settlement agreements that require payment or other compensation shall be initiated for payment within two payroll periods following the date the settlement agreement is fully executed. If payment is not received within three (3) pay

periods, interest at the rate of one percent (1%) shall accrue commencing the first day after the payment was due, and on the same date of subsequent months.

## 7.06 Grievance Steps

The parties intend that every effort shall be made to share all relevant and pertinent records, papers, data and names of witnesses to facilitate the resolution of grievances at the lowest possible level. By mutual agreement, the Union and the agency may waive Steps 1, 2, or 3 of this procedure. The following are the implementation steps and procedures for handling a member's grievance:

## **Preliminary Step**

A member having a complaint is encouraged to first attempt to resolve it informally with his/her immediate supervisor at the time the incident giving rise to the complaint occurs or as soon thereafter as is convenient.

At this meeting there may be a delegate present. If the member is not satisfied with the result of the informal meeting, if any, the member may pursue the formal steps which follow:

## Step 1 - Immediate Supervisor or Agency Designee

In the event the complaint is not resolved at the Preliminary Step of this procedure, or if it is the employee's decision not to discuss the complaint at the Preliminary Step, the grievance shall be reduced to writing and presented to the immediate supervisor or agency designee within fifteen (15) days of the date on which the grievant knew or reasonably should have had knowledge of the event.

Grievances submitted beyond the fifteen (15) day limit will not be honored. The grievance at this step shall be submitted to the immediate supervisor or designee on the grievance form. The immediate supervisor or designee shall indicate the date and time of receipt of the form. Within seven (7) days of the receipt of the form the immediate supervisor or designee shall hold a meeting with the grievant to discuss the grievance. At such meeting, the grievant may bring with him/her the appropriate delegate. The immediate supervisor or designee shall respond to this grievance by writing the answer on the form or attaching it thereto, and by returning a copy to the grievant and delegate within seven (7) days of the meeting. The answer shall be consistent with the terms of this Agreement. Once the grievance has been submitted at Step One (1) of the grievance procedure, the grievance form may not be altered except by mutual written agreement of the parties. Meetings will ordinarily be held at the work site in as far as practical.

## Suspension, Fine, Discharge and Other Advance-Step Grievances

Certain issues which by their nature cannot be settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps may, by mutual agreement, be filed at the appropriate advance step where the action giving rise to the grievance was initiated. A grievance involving a suspension, a fine, a reduction in pay and/or position or a discharge shall be initiated at Step Three (3) of the grievance procedure within fifteen (15) days of the notification of such action. Grievances filed as a result of non-selection for promotions must be filed directly at Step Three (3) with the agency where the vacancy was posted.

## Step 2 - Next Level Supervisor or Agency Designee

Should the grievant not be satisfied with the written answer received in Step One (1), within seven (7) days after the receipt thereof, the grievant may appeal the grievance to the next level supervisor or agency designee and request that the meeting contemplated by this step be scheduled.

Upon receipt of the grievance, the next level supervisor or agency designee shall indicate the date and time of receipt on the grievance form. The next level supervisor or agency designee shall hold a meeting and respond to the grievance within fourteen (14) days of receipt of the grievance. At the hearing the grievant may be accompanied by the appropriate delegate and/or organizer. The next level supervisor or designee shall respond to the grievance by writing the answer on the grievance form or by attaching it thereto and returning a copy to the grievant and the delegate. Meetings will ordinarily be held at the work site in as far as practical. Written reprimands may be grieved directly to Step Two (2). The decision at Step Three (3) shall be final. Verbal reprimands shall not be grievable, nor shall they be placed in an employee's personnel file.

## Step 3 - Agency Head or Agency Designee

Should the grievant not be satisfied with the written answer received in Step Two (2), within seven (7) days after the receipt thereof, the grievance shall be filed with the agency head or designee. When different work locations are involved, transmittal of grievance appeals and responses shall be by U.S. Mail. The mailing of the grievance appeal form shall constitute a timely appeal, if it is postmarked within the appeal period. Likewise, the mailing of the grievance, the agency head or designee shall hold a meeting within thirty (30) days after the receipt of the grievance. At the Step Three (3) meeting the grievance may be granted, settled or withdrawn. or a response shall be prepared and issued by the Agency head or designee, with fourteen (14) days of the meeting. Any grievances resolved at Step

Three (3) or at an earlier step of the grievance procedure shall not be precedent setting at other institutions or agencies unless otherwise specifically agreed to in the settlement. The grievant may be accompanied at this meeting by a delegate and/or an organizer. The inability of a delegate or organizer to be present at such meeting after reasonable attempts to schedule will permit the agency head or designee to render a decision based on documents only.

## Step 4 - Arbitration/Mediation/Office of Collective Bargaining

If the Agency is untimely with its response to the grievance at Step Three (3), absent any mutually agreed to time extension, the Union may appeal the grievance to the Office of Collective Bargaining by filing a written appeal and a legible copy of the grievance form to the Deputy Director of the Office of Collective Bargaining requesting that a Step Three (3) meeting be held. The appeal shall be filed within fifteen (15) days of the due date of such answer. If the grievance is not resolved at Step Three (3) or not answered timely the Union may demand arbitration by serving written notice of its desire to do so by U.S. Mail, presented to the Deputy Director of the Office of Collective Bargaining with a copy to the agency head or designee, within fifteen (15) days after receipt of the decision at Step Three (3) or date such answer was due. OCB shall have sole management authority to grant, modify or deny the grievance.

When the Union demands arbitration such notice shall also serve as a request for mediation unless otherwise designated by the Union. A meeting between the Union and the Office of Collective Bargaining will be held within thirty (30) days of the receipt of the arbitration demand for the purpose of scheduling mediation.

If the Union appeals, at its option, a grievance that is a result of a failure to meet time limits by the agency, OCB shall schedule a meeting with the delegate and/or the organizer within thirty (30) days of the receipt of the grievance appeal in an attempt to resolve the grievance unless the parties mutually agree otherwise. Within twenty-five (25) days of the OCB meeting, OCB shall provide a written response which may grant, modify, or deny the remedy being sought by the Union. The response will include the rationale upon which the decision is rendered and will be forwarded to the grievant, the Union's Step Three (3) representative(s) who attend the meeting and the Union central office. If the Union is not satisfied with this response, the Union may appeal the grievance to arbitration, pursuant to the provisions previously set forth in this Article, unless mutually agreed otherwise.

Either the Office of Collective Bargaining or the Union may advance a grievance directly from Step Three (3) to arbitration if that party believes that mediation would not be useful in resolving the dispute.

The parties shall mutually agree to a panel of arbitrators as set forth in Section 7.07(A). No mediator/arbitrator shall hear a case at both mediation and arbitration unless mutually agreed otherwise. The fees and expenses of the mediator shall be shared equally by the parties.

The mediators may employ all of the techniques commonly associated with mediation, including private caucuses with the parties. The taking of oaths and the examination of witnesses shall not be permitted and no verbatim record of the proceeding shall be taken. The purpose of the mediation is to reach a mutually agreeable resolution of the dispute where possible and therefore representatives of the Agency and the Union will come to the mediation with signature authority for settlement and/or withdrawal. There will be no procedural constraints regarding the review of facts and arguments. Written material presented to the mediator will be returned to the party at the conclusion of the mediation meeting. The comments and opinions of the mediator, and any settlement offers put forth by either party shall not be admissible in subsequent arbitration of the grievance nor be introduced in any future arbitration proceedings.

If a grievance remains unresolved at the end of the mediation meeting, the mediator will provide an oral statement regarding how he/she would rule in the case based on the facts presented to him/her.

The disposition of grievances discussed during the mediation meeting will be listed by the representative from the Office of Collective Bargaining on a form mutually agreed to by the parties. A copy of the summary shall be provided to the Union within five (5) days.

A Union organizer, grievant and a delegate designated by the Union may be present at the mediation of a grievance. No more than two (2) of the Union representatives present may be on paid leave by the Employer. Each party may have no more than three (3) representatives present at the mediation of a grievance.

## 7.07 Arbitration

## A. Arbitration Panel

Within thirty (30) days after this Agreement becomes effective, the Employer and the Union shall select a panel of four (4) arbitrators. The panel shall be assigned cases in rotation order designated by the parties. Each arbitrator/mediator shall serve for the duration of this Agreement unless the arbitrator/mediator's services are terminated earlier by written notice from either party to the other. The arbitrator/mediator shall be notified of such

termination by a joint letter from the parties. The arbitrator /mediator shall conclude his/her services by deciding any grievance(s) previously heard. A successor arbitrator/ mediator shall be selected by the parties.

The method of selection and all other questions regarding this section shall be jointly agreed to by the parties.

Within sixty (60) days of the effective date of this Agreement, the parties will mutually agree on a set of rules of arbitration. Insofar as is practical the rules will be based on the Voluntary Rules of the AAA.

## **B.** Witnesses

The agency agrees to allow a reasonable number of necessary witnesses requested by the Union time off with pay at regular rate to attend the arbitration hearing.

## C. Expenses

All other fees and expenses of the arbitrator shall be shared equally by the parties, except as expressly provided in this Article.

If one (1) party desires a transcript of the proceedings, the total cost for such transcription shall be paid by the party desiring the transcript. If the other party desires a copy, then the cost for the copy shall be borne by the requesting party. The parties agree that normally transcripts will not be requested.

## **D.** Arbitration Decisions

The arbitrator shall render the decision as quickly as possible, but in any event, no later than thirty (30) days after the conclusion of the hearing unless the parties agree otherwise. (Disciplinary arbitration decisions shall be submitted on the expedited schedule listed in that section.) The arbitrator shall submit an accounting for the fees and expenses of arbitration to both parties. The arbitrator's decision shall be submitted in writing and shall set forth the findings and conclusions with respect to the issues submitted to arbitration.

## E. Arbitrator Limitations

- 1. Only disputes involving the interpretation, application or alleged violation of a provision of this Agreement shall be subject to arbitration. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement, nor shall he/she impose on either party a limitation or obligation not specifically required by the express language of this Agreement.
- 2. The arbitrator shall have authority to subpoena witnesses pursuant to Section 2711.06, of the Ohio Revised Code. Upon receiving a request to issue a subpoena(s) the arbitrator shall contact the other party and hear and consider objections to the issuance of said subpoena(s). If the arbitrator sustains the objection to the issuance of the subpoena, the arbitrator shall inform the parties at least five (5) days prior to the hearing. The arbitrator shall not subpoena persons to offer repetitive testimony.
- 3. When the arbitrator determines that so many employees from the same facility have been subpoenaed that would impede the ability of the agency to carry out its mission or inhibit the agency's ability to conduct an efficient operation, he/she shall make alternate arrangements to hear the testimony.

#### F. Binding Decisions

Arbitrators' decisions under this Agreement shall be final and binding.

#### G. Issues

Prior to the start of an arbitration hearing under this Agreement, the Employer and the Union shall attempt to reduce to writing the issue or issues to be placed before the arbitrator. The arbitrator's decision shall address itself solely to the issue or issues presented and shall not impose upon either party any restriction or obligation pertaining to any matter raised in the dispute which is not specifically related to the submitted issue or issues.

## 7.08 Disciplinary Grievances and Arbitrations

An employee with a grievance involving a suspension or a fine of more than three (3) days, a discharge, or reduction in pay and/or position shall be subject to an expedited grievance/arbitration procedure and shall be excluded from the regular procedure outlined in Section 7.06. In this expedited procedure the grievance is filed directly at Step Three (3 except that probationary employees shall not have the right or ability to file disciplinary grievances under this Agreement. If the employee and/or the Union is not satisfied with the answer at Step Three (3), he/she or the Union may submit the disciplinary grievance to expedited arbitration by sending written notice to the Deputy Director of the Office of Collective Bargaining with a copy to the agency head or designee within ten (10) days of the receipt of the Step Three (3) answer.

The hearing under this expedited procedure shall be conducted by the next panel arbitrator in a special disciplinary rotation who is able to schedule a hearing within thirty (30) days. By mutual consent, the parties may waive the hearing and submit the issue on written material only.

If both parties mutually agree at the conclusion of the hearing, the arbitrator may issue a bench ruling sustaining or denying the grievance or modifying the discipline imposed or issue a short written decision within five (5) days of the close of the hearing. The written decision shall include only a statement of (1) the granting of the grievance, or

(2) a denial of the grievance, or (3) a modification of the discipline imposed, and a short examination of the reasoning leading to the decision.

By mutual agreement, the parties may reduce to writing their version of what happened along with the names of any witnesses to the incident(s) giving rise to the discipline or any facts surrounding same. The parties will exchange these written statements at least fifteen (15) days prior to the arbitration hearing.

On the day of the hearing, the arbitrator shall consider the arguments of the representatives of each party, the testimony of any witnesses and the written statements, if any. Documents may be entered by either side.

Only suspensions, reduction in pay and/or position, fines, or discharge shall be arbitrable under this Agreement.

## 7.09 - Non-Traditional Arbitration

The parties agree to utilize a variety of non-traditional arbitration mechanisms. Such mechanisms may include but not be limited to, presentation of argument based on factual stipulations, presentation of argument without factual stipulations, and presentation of more than one case on a given day with decisions being orally rendered by the arbitrator. These decisions will then be codified as a withdrawal of the grievance or as a settlement agreement.

Where the parties mutually agree, grievances may be identified as being ripe for resolution through such arbitration mechanisms and may be scheduled accordingly. Since the vehicle for resolution is non-traditional in nature and the traditional notions of proof may not apply, the Union shall present to the Employer a signed waiver by each grievant in disciplinary grievances of more than three (3) day fines or suspension whereby the grievant agrees to be bound by the decision. In disciplinary grievances of three (3) day fines or suspension or less, non-traditional arbitration is mandatory. In disciplinary grievances adjudicated in this forum, the Employer and the Union are limited to one (1) witness each. The grievant, chapter representative and staff representative are all parties to the proceeding; however, testimony will be limited to either the grievant or the union witness. The arbitrator may ask questions of the witness or the grievant.

The Union and Office of Collective Bargaining may jointly decide to take issue grievances to non-traditional arbitration.

Six months after the implementation of Non-Traditional Arbitration, the parties shall meet to discuss any issues regarding the processing of grievances through the grievance procedure. Any changes to the grievance procedure must be mutually agreed to by both parties.

## 7.10 Representation

In each step of the grievance procedure outlined in this Article, certain specific Union representatives are given approval to attend the meetings therein prescribed. It is expected that, in the usual grievance, these plus the appropriate employer representatives will be the only representatives in attendance at such meeting; however, necessary witnesses may attend on paid time.

## 7.11 Miscellaneous

## A. Extensions and Mutual Agreement

By mutual consent, the Employer and the Union may alter any of the procedures set forth in the Article.

The grievant or the Union representative and representatives of the Employer may mutually agree at any point in the procedure to a time extension.

Approved leave with pay shall constitute an automatic time extension to the grievant with respect to such days. In the absence of such mutual extensions the grievant or the Union may, at any step where a response is not forthcoming within the specified time limits, move the grievance along to the next step in the procedure and proceed therein as though the answer at the prior step had been given and was unsatisfactory. Failure of the grievant to appeal a grievance to the next step of the grievance procedure within the time constraints specified in this Agreement, shall be considered an acceptance of the last answer given. In the event of an emergency situation which precludes the grievant from attending a scheduled meeting or authorizing a delegate to appear in his/her behalf, the grievant shall notify the agency as soon as possible and the meeting will be rescheduled.

Within Steps One (1) and Two (2), if the agency fails to respond to the grievance within the specified time limits, the grievance shall proceed to the next step in the procedure as though the answer at the prior step had been given and was unsatisfactory.

## **B.** Hearing Waiver

By mutual consent the Employer and the Union may waive a hearing and submit the issue solely on written materials.

#### 7.12 Grievance Forms

Grievance forms mutually agreed to by the Employer and the Union may be obtained from a designated source at each facility and/or the union delegate.

## **ARTICLE 8 - DISCIPLINE**

## 8.01 Standard

Disciplinary action may be imposed upon an employee only for just cause.

## 8.02 Progressive Discipline

The principles of progressive discipline shall be followed. These principles usually include:

- A. Verbal Reprimand
- B. Written Reprimand
- C. A fine in an amount not to exceed five (5) days pay
- D. Suspension
- E. Removal

The application of these steps is contingent upon the type and occurrence of various disciplinary offenses.

The employee's authorization shall not be required for the deduction of a disciplinary fine from the employee's paycheck.

## 8.03 Pre-Discipline

Prior to the imposition of a suspension or fine of more than three (3) days, or a termination, the employee shall be afforded an opportunity to be confronted with the charges against him/her and to offer his/her side of the story. This opportunity shall be offered in accordance with the "Loudermill Decision" or any subsequent court decisions that shall impact on pre-discipline due process requirements.

## **ARTICLE 9 - PROBATIONARY PERIODS**

## 9.01 Initial Probationary Period

All newly hired employees shall serve a probationary period of one hundred eighty (180) days, except where the Union agrees to classification specifications which indicate a probationary period of more than one hundred eighty (180) days.

A probationary period for any classification may be extended if mutually agreed to by the Employer and the Union. Dismissal during an initial probationary period shall not be grievable.

The probationary period for all employees in the Departments of Rehabilitation and Correction and Youth Services will commence when the employee completes the initial period of training at the Correction Training Academy or the Department of Youth Services Training Academy. Periods worked by such employees prior to attending such training shall be credited toward the probationary period.

## 9.02 Promotion, Demotion, and Lateral Transfer Probationary Period

Any employee awarded a promotion or lateral transfer to a different classification as defined in Article 30 will serve a probationary period of one hundred eighty (180) days. The agency's decision to return an employee whose performance is unsatisfactory to the position in the classification held immediately prior to promotion shall be grievable. The appointing authority shall, upon the employee's request, return the employee to a position in the classification held immediately prior to the promotion if there is a position available within the facility or when such a position becomes available. Such request must be made during the probationary period. If an employee is returned to a position in the classification title held prior to the promotion, the employee shall receive the same salary received prior to the promotion except for changes in pay rate that may have occurred or any step increase to which the employee would have been entitled in the lower classification title.

Where a single classification involves work which varies substantially among different positions within the classification or where an employee is demoted as defined in Article 30, the Employer may require employees who are laterally transferred in the same classification or demoted to serve a trial period equal to one-half of the regular probationary period for the classification. During a lateral transfer or demotion trial period, the employee may elect to return to his/her previous position or, if the employee fails to perform the job requirements of the new position to the Employer's satisfaction, the Employer may place the employee back in the position the employee previously held.

## 9.03 Extension of Trial or Probationary Period

A longer trial or probationary period may be served by the employee if mutually agreed to by the agency and the Union.

Where an employee is on any type of leave for a period of two weeks or longer, an employee's trial or probationary period may be extended for the duration of the absence. E.g. disability leave, adoption/childbirth, or any other leaves of fourteen (14) consecutive days or longer shall not be counted toward the employee's original or promotional trial or probationary period.

## **ARTICLE 10 - VACATION ALLOWANCE**

## 10.01 Rate of Accrual

Permanent full-time employees shall be granted vacation leave with pay at regular rate as follows, except that those employees who have less than 80 hours in an active pay status in a pay period shall be credited with a prorated amount of leave according to the following schedule:

| Length of<br>State Service | Accrual Rate<br>Hours earned per<br>80 hours in<br>Active Pay Status<br>per Pay Period | Annual Amount<br>per 2080 hours<br>in Active Pay<br>Status |  |
|----------------------------|--|--|--|
| less than 1 year           | 3.1 hours  | 80 hours (upon<br>completion of one<br>year service)       |  |
| 1 year or more             | 3.1 hours  | 80 hours   |  |
| 5 years or more            | 4.6 hours  | 120 hours  |  |
| 10 years or more           | 6.2 hours  | 160 hours  |  |
| 15 years or more           | 6.9 hours  | 180 hours  |  |
| 20 years or more           | 7.7 hours  | 200 hours  |  |
| 25 years or more           | 9.2 hours  | 240 hours  |  |

Only service with state agencies, i.e., agencies whose employees are paid by the Auditor of State, will be computed for purposes of determining the rate of accrual for new employees in the bargaining unit.

An employee who has retired in accordance with the provisions of any retirement plan offered by the State and who is employed by the State on or after July 1, 1994, shall not have his/her prior service with the State or any political subdivision of the State counted for the purpose of computing vacation leave. All employees currently receiving credit for service time prior to July 1, 1994 shall continue to receive service credit for such time. The accrual rate for any employee who is currently receiving a higher rate of vacation accrual will not be retroactively adjusted. All previously accrued vacation will remain to the employee's credit. The prospective accrual rate will be adjusted effective with the pay period that begins June 26, 1994.

## 10.02 Maximum Accrual

Vacation credit may be accumulated to a maximum that can be earned in four (4) years. Further accumulation will not continue when the maximum is reached. When an employee's vacation reaches the maximum level, and if the employee has been denied vacation during the twelve (12) months, the employee will be paid for the time denied but no more than eighty (80) hours in a pay period.

| Annual Rate     | Accumulation |  |  |
|-----------------|--------------|--|--|
| of Vacation     | Maximum      |  |  |
| 80 hours        | 320 hours    |  |  |
| 120 hours       | 480 hours    |  |  |
| 160 hours       | 640 hours    |  |  |
| 180 hours       | 720 hours    |  |  |
| 200 hours       | 800 hours    |  |  |
| 240 hours       | 960 hours    |  |  |
| 40.00 (1.1.1.1) |              |  |  |

#### **10.03 Scheduling**

Vacation leave shall be taken only at times mutually agreed to by the appointing authority and employee. The appointing authority may establish maximum numbers of employees who can be absent from any given work site at one time. State seniority shall be the determining factor in granting vacation requests when requests are submitted thirty (30) days prior to the desired date or the posting of the work schedule (where applicable posting of the schedule exists) for the date(s) requested. Requests made later, if granted, shall be granted on a first-come, first-serve basis.

Requests for vacation leave cannot not be unreasonably denied.

Vacation requests shall be responded to within ten (10) working days. However, vacation requests submitted more than thirty (30) days prior to the desired date shall be responded to within at least twenty (20) days prior to the desired date.

When an emergency exists, in the sole and exclusive opinion of the Employer, all leaves including vacations may be canceled. If an employee is called to work from a scheduled vacation leave period, the employee will have the right to take the vacation leave at a later time and will be paid at time and one-half for the time the employee is in on-duty

status. The employee shall also be reimbursed for any cost incurred as a result of canceling or returning from his/her vacation upon submission of appropriate evidence.

## **10.04 Charge of Vacation Leave**

Vacation leave which is used by an employee shall be charged in minimum units of one-tenth (1/10) hour.

## 10.05 Conversion of Vacation Leave Credit upon Separation from Service

An employee shall be entitled, upon separation for any reason, to a cash conversion of all vacation leave up to four (4) years accrual. Employees separating from employment with less than six (6) months total service will not be paid for any accrued vacation.

## **10.06 Transfer of Vacation Leave**

An employee who transfers from one state agency to another shall be credited with the unused balance of his/her vacation leave.

## **10.07 Death of an Employee**

In case of death of an employee, any unused vacation leave shall be paid in accordance with Section 2113.04 of the Ohio Revised Code in effect on the date of the ratification of this Agreement; or to his/her estate.

## 11.02 Holiday Pay

Full-time employees who are normally scheduled to work eight (8) hours in a day are automatically entitled to eight (8) hours of holiday pay at regular rate regardless of whether they work on the holiday. Employees who are scheduled to work more than eight (8) hours in a day will receive holiday pay for the hours they are normally scheduled to work. For example, in the latter case, employees who work a ten (10) hour day will receive ten (10) hours of pay for the holiday. Compensation for working on a holiday is in addition to the automatic holiday pay and shall be computed at the rates prescribed in this article.

- A. If a holiday occurs during a period of scheduled sick or vacation leave, the employee shall not be charged for sick leave or vacation for the holiday. Employees who are scheduled to work and call off sick the day of a holiday shall be charged sick leave and shall forfeit their right to holiday pay;

Upon separation from state service for any reason including retirement, employees will receive compensation for all holiday compensatory time earned but not used pursuant to this section.

## 11.04 Part-time Employees

Part-time employees will be paid holiday pay for any holiday on which they are ordinarily scheduled. They shall be paid for the number of hours for which they would have ordinarily been scheduled.

## 11.05 Religious Holiday Exchange

Religious holidays of one faith may be exchanged upon the request of an employee, where practical, for the Christmas holiday. When such an exchange is made, work performed on the original holiday shall be at the employee's regular rate and for the hours actually worked.

#### **ARTICLE 12 - PERSONAL LEAVE**

## **12.01 Eligibility for Personal Leave**

Each employee shall be eligible for personal leave at his/her regular rate of pay.

## 12.02 Personal Leave Accrual

Employees shall be entitled to five (5) personal leave days of eight (8) hours apiece each year. Ten (10) hours of personal leave shall be credited to each employee at the end of the pay period which includes the first day of January, April, July and October of each year. Employees hired after the start of a calendar quarter shall be credited with personal leave on a prorated basis. Proration shall be based upon a formula of .0192 hours per hour of non-overtime paid. Part-time employees also shall accrue personal leave on the basis of that formula.

## 12.03 Charge of Personal Leave

Personal leave which is used by an employee shall be charged in minimum units of one-tenth (1/10) hour. Employees shall be charged personal leave only for the days and hours for which they would have otherwise been scheduled to work but shall not include scheduled overtime.

Employees shall be granted personal leave upon giving twenty-four (24) hours notice to the supervisor. In emergency situations, requests may be granted with a shorter notice. Requests for the use of personal leave shall not be unreasonably denied. ## 12.05 Prohibitions

Personal leave may not be used to extend an employee's date of resignation or date of retirement. Personal leave may not be used to extend an employee's active pay status for the purpose of accruing overtime or compensatory time.

## 12.06 Conversion or Carry Forward of Personal Leave Credit at Year's End

Personal leave not used may be carried forward or paid at the employee's option. Payment to be made in the first pay received in December. Maximum accrual of personal leave shall be sixty (60) hours.

All employees shall accrue sick leave at the rate of 2.77 hours for each eighty (80) hours in active pay status, excluding overtime hours, to a maximum of seventy-two (72) hours per year.

Part-time employees shall receive 2.77 hours of sick leave for each eighty (80) hours of completed service.

Compensation for charged sick leave accumulated and credited shall be at the rates specified below in the 12 month period ending on the last day of the pay period in November from which the first paycheck in December is issued each year. A new usage period will begin each year of the Agreement.

| 01                   | 0 |              | 0           |
|----------------------|---|--------------|-------------|

## 13.05 Notification for Use of Sick Leave and Notification for Extended Sick Leave

#### A. Notification

An employee who is unable to report for work, and who is not on a previously approved day of vacation, sick leave, personal leave or leave of absence, shall give reasonable notice to the supervisor. For those employees in non-relief positions, the notification must be made within one-half (1/2) hour after the time the employee is scheduled to work. For those employees who are in relief positions, the current local practice will remain in effect, unless the cause for the leave prevents such notification.

## B. Notification for extended sick leave

In the case of a condition exceeding seven (7) consecutive calendar days, a physician's statement specifying the employee's inability to report to work and the probable date of recovery is required.

## 13.06 Sick Leave Uses, Evidence of Use, and Abuse

It is the policy of the State of Ohio to not unreasonably deny sick leave to employees when requested. It is also the policy of the State to take corrective action for unauthorized use of sick leave and/or abuse of sick leave. It is further the policy of the State that when corrective and/or disciplinary action is taken, it will be applied progressively and consistently.

A. The appointing authority shall approve sick leave usage by employees for the following reasons:

- 1. Illness, injury, or pregnancy-related condition of the employee;
- 2. Exposure of an employee to a contagious disease which could be communicated to and jeopardize the health of other employees;
- 3. Examination of the employee, including medical, psychological, dental, optical, auditory, or speech/language;
- 4. Death of a member of the employee's immediate family. Such usage shall be limited to a reasonably necessary time, not to exceed five (5) days;
- 5. Illness, injury, or pregnancy-related condition of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the employee or affected family member;
- 6. Examination, including medical, psychological, dental, optical, auditory, or speech/language, of a member of the employee's immediate family where the employee's presence is reasonably necessary;
- 7. An employee on the midnight shift may use sick leave on the night preceding an examination referred to in (3) and (6) above providing advance notice is given to the employee's supervisor.

## B. Evidence of use.

Each supervisor may require an employee to furnish a satisfactory written, signed statement which may include a certification from a licensed physician, to justify the use of sick leave or other authorized leave for medical reasons. This certificate shall not be required in an arbitrary or capricious manner. Falsification of either the signed statement or a physician's certificate shall be grounds for disciplinary action.

## 13.07 Inadequate Sick Leave

If any disabling illness or injury continues past the time for which an employee has accumulated sick leave, the appointing authority may authorize a leave of absence without pay in accordance with Article 26 Leave of Absence Without Pay of this Agreement or if the employee is eligible, recommend disability leave benefits in accordance with Article 15 Disability Leave of this Agreement.

## 13.08 Conversion or Carry Forward of Sick Leave Credit at Year's End or upon Separation from State Service

Employees will be offered the opportunity to convert to cash any part of their sick leave accrued and not used in the 12 month period ending on the last day of the pay period in November from which the first paycheck in December is issued each year at the following rate:

Number of Hours Subject to Percent of Regular Rate Cash Conversion

| 72            | 75% |
|---------------|-----|
| 64 to 71.9    | 70% |
| 56 to 63.9    | 65% |
| 48 to 55.9    | 60% |
| 47.9 and less | 55% |

The payment shall be paid in the first pay received in December of each year of the Agreement. An employee not exercising a choice will automatically have the hours carried forward.

If the court appearance is on the employee's regular day off, the employee shall receive pay or compensatory time at the rate of one and one half  $(1 \ 1/2)$  times the regular rate of pay.

Employees subpoenaed to appear before any court, commission, board or other legally constituted body authorized by law to compel the attendance of witnesses shall be granted leave with pay at regular rate, where the employee is not a party to the action, which includes, but is not limited to, criminal or civil cases, traffic court, divorce proceedings, custody proceedings, or appearing as directed as parent or guardian of juveniles.

Employees subpoenaed to proceedings on behalf of an employer other than the State, who receive compensation for his/her testimony from the other employer shall not be eligible for paid leave as provided in this Article, but may elect to use available accrued leave. Employees using such accrued leave shall not be required to remit any fees received.

Second or third shift employees, during the course of scheduled work hours, shall be permitted an equivalent amount of time off from scheduled work on their preceding or succeeding shift for such appearance. Employees subpoenaed to witness duty shall submit any witness fees received in excess of fifteen dollars (\$15), excluding travel and meal allowances, to the Agency. The employee shall notify the Agency designee immediately upon receiving a subpoena.

An employee appearing before a court or other legally constituted body in a matter in which the employee is a party may be granted the use of vacation or personal leave or leave of absence without pay. Such instances would include, but not be limited to, criminal or civil cases, traffic court, divorce proceedings, custody proceedings, or appearing as directed as parent or guardian of juveniles.

## 24.07 Meal Periods

Employees shall be granted an unpaid meal period of not less than thirty (30) minutes nor more than sixty (60) minutes near the midpoint of each shift, if feasible. If it is not feasible near the midpoint of the employee's shift, every attempt will be made to reschedule it at the earliest available time during that shift. If it is impossible to reschedule the meal period during the shift, the employee will be compensated according to the provisions of this Agreement. Employees who are required by the agency to remain in a duty status with no scheduled meal period shall receive compensation for time worked at their regular rate except when the employee is in an overtime status at which time the employee will be compensated at his/her overtime rate.

## 24.08 Breaks

A paid rest period of fifteen (15) minutes shall be granted to each employee for every four (4) hours of regularly scheduled work performed, except during an unusual situation or emergency created beyond the control of the agency. At the request of the employee, the rest period(s) shall be scheduled with the meal period unless operational needs preclude combining rest period(s) and lunch. The combination of the rest period(s) and lunch shall not exceed one (1) hour in length, and shall not be used to shorten the work day. If the rest period(s) and lunch are not combined, such rest periods shall be a time detached from the beginning and end of shifts, and although reasonably scheduled by the

agency, shall be taken near the midpoint of each half-shift unless mutually agreed otherwise. Paid rest periods of ten (10) minutes each for every two (2) continuous hours of overtime worked shall be granted to employees.

## 24.09 Emergency Leave

Should an employee be sent home before the end of his/her shift or told not to report due to unusual circumstances beyond the control of the employee, the employee shall be paid for the full shift.

Employees in non-institutional settings and non-direct care staff in institutional settings shall be sent home with pay should the work location become seriously unsafe or unhealthful and temporary reassignment is not feasible. In institutions, should such conditions arise, management shall take action(s) necessary to remedy the unsafe or unhealthful condition(s) as promptly as possible.

An employee who normally uses a personal car in the course of his/her work shall be scheduled to work at his/her normal work headquarters, or be provided a state car, should his/her personal car be temporarily inoperable or being repaired Should an employee's personal or state car become inoperable during the course of his/her work, he/she shall be required to contact his/her immediate supervisor and shall be instructed to return to his/her work headquarters or report to an alternate work location; be provided a state car or be paid for the hours scheduled to work that day excluding overtime.

#### 24.10 Required Meeting Attendance

Employees required or authorized by their supervisors to attend meetings on off-duty hours will be compensated within the terms of this Agreement.

## 24.11 Flexible Work Schedules

The current practice of flex time shall be continued. Management reserves the right to change schedules, including flexible schedules, however, employees will not have their flex time schedules terminated in an arbitrary or capricious manner and such changes shall be made for a rational management purpose. The use of flexible work schedules shall be a subject for discussion in the Agency/Facility Professional Committees. Flexible work schedules can include adjusting the starting and quitting times of the work days and/or the number of hours worked per day and the number of days worked per week.

The Employer agrees to consider flexible work schedules for particular employees or classifications. The Employer agrees to consider such options as four (4) ten (10) hour days, twelve (12) hour shifts, and/or other creative scheduling patterns that may assist in the recruitment and/or retention of nurses and other employees. Subject to the employer's right to schedule employees to satisfy its operational needs, such a schedule will be implemented upon the request of the union and affected employees.

Should recruitment difficulties become more severe in certain classifications, the Employer may explore and implement various arrangements to assist in recruiting such as shift differential, pay supplements, and variable weekend work plans.

In order to be able to implement some flexible work schedules, and where consistent with Federal Law, the Employer may allow a full-time employee(s) to work less than forty (40) hours in a week and more than forty (40) hours in the other week within the same pay period. An employee(s) permitted to shift his/her work hours shall be eligible for overtime pay or compensatory time only after eighty (80) hours in an active pay status in a pay period.

Flexible work schedules may, by mutual agreement, be used for pre-scheduled medical appointments. In addition, the trading of shifts may also be granted, by mutual agreement, for pre-scheduled medical appointments.

## 24.12 Place of Work

Those employees who have their homes designated as their work headquarters may continue to do so, and shall report to their field headquarters as directed by their supervisor. Requests from employees to work from their homes will be considered by the appointing authority.

## 24.13 Posting of Work Schedules

Where appropriate in institutional settings, a four-week schedule shall be posted two (2) weeks in advance. In the event the agency determines a change in an employee's work schedule is necessary due to operational needs and when there are two (2) or more employees available and qualified to perform the duties of a specific assignment in the same classification, the Employer, to the extent possible under ordinary circumstances, will assign the least senior employee(s) to the modified schedule. The agency shall ask for volunteers prior to assigning employees to the modified schedule. An employee shall not be required to change his/her posted schedule solely to avoid the payment of overtime to such employee.

Employees may voluntarily switch work days with other employees with the prior approval of the supervisor.

In non-institutional settings where the work schedule is fixed, the agency shall not change an employee's schedule solely to avoid the payment of overtime.

## 24.14 Weekends

The present practice of weekend-off scheduling shall be continued until any proposed changes are discussed in the Agency or Facility Professional Committee meeting. At the Agency or Facility Professional Committee meeting, the discussion shall include operational need and the rationale for change.

## 24.15 Shifts

In the Department of Rehabilitation and Correction, the agency may schedule nursing personnel on a rotational shift basis for a temporary period during the opening of new facilities. The agency shall not schedule any employee to rotate more than two (2) different shifts in any four (4) week scheduling period. Exceptions may be mutually agreed to by the parties.

In the other agencies, shifts shall not be rotated unless mutually agreed to by the parties.

## 24.16 Job Sharing

The Employer and the Union recognize the value of job sharing in some situations. The parties agree to discuss in the professional committees the development of job sharing options in these agencies where such arrangements are feasible. Within ninety (90) days of the effective date of this Agreement, the parties shall develop guidelines for a Job Sharing Policy for consideration by the various agencies.

## 24.17 Shift and Assignment Openings

Shift and assignment openings shall be filled by the qualified employee within the classification at the worksite having the greatest state seniority who desires the opening.

## 24.18 Pulling or Movement of Personnel

An employee may be pulled or moved to meet operational needs. The agency shall designate the work area most able to provide the coverage. The qualified employee in the designated class having the greatest state seniority who desires to be pulled or moved shall be. If no employee volunteers to be pulled or moved, the qualified employee in the designated class with the least state seniority shall be pulled or moved first from the work area most able to provide the coverage as determined by management.

## **ARTICLE 25 - TEMPORARY WORKING LEVEL**

The agency may temporarily assign an employee to duties of a position with a higher pay range. If the temporary assignment is for a continuous period in excess of four (4) days, the affected employee shall receive a pay adjustment which increases the employee's step rate of pay to the greater of: (a) classification salary base of the higher level position, or (b) a rate of pay of approximately four percent (4%) above his/her current step rate of compensation. The employee shall receive the pay adjustment for the duration of the temporary assignment.

The agency may place an employee in a temporary assignment more than once in any one (1) year period with prior approval of the Employer.

The agency shall not extend a temporary assignment beyond a ten (10) week period unless the Employer has given prior approval and the temporary assignment is being utilized to fill a position which is vacant as a result of an approved leave. The temporary assignment in such instance may be extended for the entire period of the vacancy which was the result of an approved leave.

Employees who are receiving temporary working level pay adjustments for positions excluded from these bargaining units shall be considered employees of the bargaining unit; however, they shall not answer grievances nor serve as delegates while temporarily working as supervisors.

## **ARTICLE 26 - LEAVES OF ABSENCE**

## **Unpaid Leaves**

## 26.01 Personal and Educational Leave

A leave of absence may be granted upon written request for a period of up to six (6) months for personal reasons. Such reasons include, but are not limited to, non-disability maternity, paternity and child-rearing leave, adoption leave, and such other purposes as may be approved at the sole discretion of the Employer. Such leaves may be extended upon written request for a period of up to six (6) months.

A leave of absence may be granted upon written request by an employee for the purpose of entering an educational program leading to a degree or certification. The leave may be granted for a period of up to two (2) years and may be extended upon request for an additional period of up to two (2) years.

Such leaves of absence shall not be unreasonably requested by employees, nor shall they be unreasonably denied by the agency.

## 26.02 Union Leave

Employees appointed or elected to Union positions or office shall be granted a leave of absence for a period not to exceed three (3) years for elected Union offices or two (2) years for appointed Union positions. The Office of Collective Bargaining shall be notified of such leave of absence as soon as possible, but no less than five (5) work days prior to the start of the leave of absence. Any employee presently on Union leave may remain on such leave for a period not to exceed three (3) years from the effective date of this Agreement. Employees may not stack leaves for elected Union offices with leaves for appointed positions. Upon the expiration of the above stated leave periods, the employee shall be terminated, and has no further rights to the State position.

## 26.03 Workers' Compensation Leave

When an employee is off work due to a compensable on-the-job injury, he/she shall be on leave of absence for the length of time he/she receives Workers' Compensation not to exceed two (2) years. At the end of the two (2) year period the employment relationship will automatically sever.

## 26.04 Requesting Leave of Absence Without Pay

An employee must request in writing all leaves of absence without pay. The request shall state reasons for taking leave of absence and the dates for which the leave is being requested.

If it is found that a leave is not actually being used for the purpose for which it was granted, the appointing authority shall cancel the leave and direct the employee to report for work.

## 26.05 Return to Service

When an employee returns from a leave of absence within two (2) years, the employee is to be returned to the same position including work site, assignment and shift held prior to the leave. The agency has the right to fill the position with an interim employee when the agency feels it necessary. When an employee returns from a leave of absence of longer than two (2) years, the employee is to be returned to the classification formerly occupied, or to a similar classification if the employee's former classification no longer exists. If the employee's former work site, assignment or shift no longer exists, every effort will be made to place the employee on a similar assignment and shift.

An employee who fails to return to duty or make arrangements to do so which are acceptable to the agency within three (3) working days of the completion of a valid cancellation of a leave of absence may be removed from service. An employee who fails to return to service from a leave of absence without pay and is subsequently removed from the service is deemed to have a termination date corresponding to the starting date of the leave of absence without pay.

## 26.06 Seniority While On Leave

Seniority shall accrue while on leave of absence.

## 26.07 Benefits While On Leave

The State will continue to pay the Employer's share of health insurance premiums for an employee on unpaid FMLA leave granted pursuant to Article 26.10 provided the employee continues to contribute his/her share of the premium. Employees granted a non-FMLA leave of absence without pay for a period longer than thirty (30) days and who desire to continue their health and life insurance coverage, must pay the total premium (employee and Employer share). The State will continue to pay for dental and vision coverage as long as the employee continues paying the total health insurance premium. Employees on Family Medical Leave under the "FMLA" shall receive health insurance in accordance with the Act.

## 26.08 Return from Extended Medical Leave

When an employee who has exhausted the two (2) year period of disability leave and was unable to return at that time, becomes physically able to return to work, he/she shall be returned to work in his/her classification into any opening which occurs within one (1) year of the expiration of the disability leave.

The employee requesting to return from an extended medical leave shall be eligible for reinstatement upon the submission of appropriate medical documentation which must show that the employee has recovered sufficiently to be able to perform the essential function of the position to which reinstatement is sought or may accept a reasonable accommodation under the American with Disabilities Act to another position for which he/she is able to perform the essential functions of the position is available. Such a placement supersedes all other sections of this Collective Bargaining Agreement.

## 26.09 Military Leave of Absence

The provisions of State and Federal Law shall prevail for all aspects of military leave, including request for and return from such leave.

## 26.10 - Application of the Family Medical Leave Act

The Employer will comply with all provisions of the Family and Medical Leave Act. For any leave which qualifies under the FMLA, the employee may be required to exhaust all applicable paid leave prior to the approval of unpaid leave.

## **Paid Leaves**

## 26.11 Adoption/Childbirth Leave

Eligibility requirements, leave benefits, and waiting period for Adoption/Childbirth Leave shall be determined pursuant to State policy. Employees may elect to take two-thousand (\$2,000) dollars for adoption expenses in lieu of taking time off for Adoption/Childbirth Leave.

## 26.12 Leave to Attend Industrial Commission Hearing

An employee shall be granted time off with pay from regularly scheduled work hours, including travel time, sufficient to attend one hearing conducted by the Ohio Industrial Commission. In addition, an employee will be granted time off with pay from regularly scheduled work hours, including travel time, sufficient to attend any hearing where the Employer contests the employee's workers' compensation claim.

## **ARTICLE 27 - EMPLOYEE STATUS**

#### 27.01 Full-Time

A full-time employee is an employee who regularly works forty (40) hours per week and 2080 hours per calendar year.

#### 27.02 Part-Time

A part-time employee is an employee who regularly works less than forty (40) hours per week. The agency shall not use part-time employees to avoid full-time benefits.

## 27.03 Intermittent

An intermittent employee is an employee who works on an irregular schedule which is determined by the fluctuating demands of the work, is not predictable and is generally characterized as requiring one thousand (1000) hours or less in a fiscal year.

Intermittents working more than one thousand (1000) hours in a fiscal year shall be converted to part-time permanent status and shall be covered by the terms and conditions of the collective bargaining agreement. The agency agrees not to abuse the designation of intermittent status and not to use intermittent employees for the purpose of avoiding filling permanent positions.

## 27.04 Interim

An interim employee is an employee who is hired to fill a vacancy created by an authorized leave of absence or disability leave. When the employee returns from the leave of absence or disability leave, the interim employee shall be terminated with no right to grieve the termination. Where possible, reassignment will be made from current employees by moving the most senior qualified employee **a** the work site to the higher position on a temporary working level and then hiring the interim in the lower position.

## 27.05 Temporary

A temporary employee is one who is hired for a limited period of time not to exceed sixty (60) days. The Employer agrees not to use temporary employees for the sole purpose of avoiding the filling of permanent full-time positions. **27.06 Established Term Irregular** 

#### 27.00 Established Termi irregular

The parties agree to the use of the appointment type Established Term Irregular (ETI) as outlined in Appendix E. The parties may meet at any time, by mutual agreement, to make changes to Appendix E.

#### 27.07 Classified, Unclassified and Provisional

All employees in the bargaining units, regardless of their status of classified, unclassified, provisional or other, shall have all the rights and protection provided under this Agreement.

## **ARTICLE 28 - SENIORITY**

## **28.01** Seniority Definition

## A. State Seniority

The total seniority credits accrued pursuant to the provisions of this Article.

**B.** "Seniority Credit" - the total number of pay periods during which an employee held or had a right to return to a bargaining unit position, including periods of absence resulting from suspension, leaves of absence whether paid or unpaid, disability leave, leave for periods of workers' compensation (up to three years), and layoff (for as long as the employee remains on the recall list). Part-time employees experiencing similar periods of absence shall be credited with seniority at a rate determined by the average hours in active pay status during their last six (6) pay periods.

Except as provided under Section 28.02, continuous service will be interrupted only by resignation, discharge for just cause, disability separation, failure to return from a leave of absence or failure to respond to a recall from layoff, or expiration of rights to recall.

Each full-time employee shall be credited with one seniority credit for each pay period of continuous service. Part-time employees will be credited with .0125 seniority credit for each non-premium hour of compensation in each pay period not to exceed one (1) seniority credit in a pay period. Service credit shall be computed in years and days as is the past practice and shall be credited for all periods for which "seniority credits" are granted except for periods of unapproved unpaid leave.

The seniority of employees employed on or before June 12, 1986, shall be based on the previous guidelines used in determining State service. These guidelines provide that all service time with Ohio public agencies for which an employee contributes to an Ohio Public Employee Retirement plan counts as time toward seniority, not including time spent during a break in service. These guidelines shall also include the crediting of previous time after a break in service, if the employee was reinstated within one (1) year of the break in service. Employees hired after June 12, 1986 shall have seniority computed as follows:

- 1. Persons employed with the State of Ohio in a classification not covered by the 1199 Agreement, who prior to June 1, 2000, entered a classification in bargaining unit eleven (11) or bargaining unit twelve (12) are eligible to carry-over their previous seniority as that seniority was determined by the terms of the Agreement covering that previous classification.
- 2. Effective June 1, 2000, persons employed with the State of Ohio in a classification not covered by the 1199 agreement, who enter a classification in bargaining unit eleven (11) or bargaining unit twelve (12) shall not carry-over any seniority.

## Exceptions

A. Return From Disability Separation/Disability Retirement

An employee who makes application for reinstatement within three years from the date of disability separation or five years from the date of disability retirement and is properly reinstated shall receive seniority credits and service credits for the period of disability separation/or disability retirement.

B. Non-bargaining unit service

Except for classifications subsequently accreted to a bargaining unit covered by this Agreement, time spent in a position(s) exempt from collective bargaining subsequent to June 12, 1986, by employees who were not covered by this Agreement on July 1, 1992, shall not be included in the determination of seniority credits but shall be counted for service credits. For employees covered by the Agreement on July 1, 1992, time spent in a position exempt from collective bargaining, subsequent to July 1, 1992, other than classifications subsequently accreted to a bargaining unit covered by this Agreement, shall not be included in the determination of seniority credits but shall be counted for service credits.

Assignments to non-bargaining unit classifications for the period of a temporary working level or assignments to non-bargaining unit classifications for a period as an interim employee shall continue to earn both seniority credits and service credits.

## **28.02 Identical Hire Dates**

Except as provided in Section 28.05:

- A. When two (2) or more employees have been hired or transferred into bargaining unit eleven (11) or bargaining unit twelve (12) during the same pay period the employee(s) with the earlier date of hire shall be the most senior;
- B. When two (2) or more employees have the same state hire date, transfer date or the same number of seniority credits, seniority shall be based on the last four (4) digits of the employee's social security number. The lowest number shall be considered the most senior.

## 28.03 Seniority Lists

The Employer shall prepare and maintain seniority lists of all employees and shall furnish said lists quarterly to the Union and to the appropriate State of Ohio agencies.

The seniority Ist will describe employees in descending order of state seniority credits and will contain the employee's name, classification title, state seniority credits, and the last four digits of each employee's social security number. Each employee's individual employee seniority credits will be displayed on the employee's earnings statement.

## 28.04 - Conversion

The following principles and procedures shall apply to the conversion from a date-based seniority system to a system based upon seniority credits:

A. Principles, methods or understandings used to determine seniority standing or to resolve disputes over relative seniority ranking under prior agreements will not be altered except as specified by the provisions of this

Agreement. that is, if a seniority dispute has previously been raised and resolved, the prior resolution of that matter will stand.

- B. Effective with the pay period ending January 17, 1998, seniority credits shall replace seniority dates as the basis for determining relative seniority standing or seniority rights under this Agreement.
- C. Adjustments or corrections in seniority dates or seniority credits pursuant to this Article shall not affect previous personnel actions based upon seniority. Such changes shall not alter personnel actions, layoffs or bumping rights which have taken place prior to the effective date of the conversion.

## **ARTICLE 29 - LAYOFF AND RECALL**

## 29.01 Notice

When the agency determines that a layoff is necessary, the agency shall notify the Union and inform them of the classification(s), the number of employee(s) and the work site(s) affected. When the layoff involves a work site with more than one (1) employee in a classification series, the layoff shall be within the entire classification series. In the event the duties of a higher classification in the class series are no longer needed, employees in the higher classification may be laid off.

The agency will schedule a meeting with the Union to explain their reason for such action. The Union's comments and ideas given to avoid the layoff will be seriously considered before making a final decision.

If after this meeting the agency deems that the action is still necessary, the following procedure shall be adhered to.

Every effort will be made to place employees in comparable employment in the public or private sector. The agency shall notify all affected employees of the impending layoff at least forty-five (45) days prior to the effective date of any layoff, if the reason is for lack of funds, and ninety (90) days prior notice shall be given to affected employees for any other reason.

## **29.02 Layoff Procedures**

**A.** In the event of a layoff within a higher classification(s) within a classification series, as a result of the elimination of duties:

- 1. There shall be the opportunity for any employee in the affected classification series at the work site(s) to volunteer for layoff.
- 2. Employees with the least state seniority within the classification(s) at the work site(s) affected shall be laid off first.

Those individuals in the classification(s) affected who have special qualifications or duties may be exempt from the layoff, and will not be displaced by individuals without those qualifications or the ability to perform those duties. A laid off employee shall have the right to displace a less senior employee in the same classification at another work site within the agency bumping jurisdiction, or the employee shall have the right to displace a less senior employee at their own worksite within their own classification series. No promotions shall result from this action.

**B.** In the event any layoff is implemented within the bargaining unit in the classification(s) series affected other than as outlined in A above:

- 1. There shall be the opportunity for any employee in the affected classification series at the worksite(s) to volunteer for layoff.
- 2. Employees with the least state seniority within the classification series at the worksite(s) affected shall be laid off first.

Those individuals in the classification series affected who have special qualifications or duties may be exempt from the layoff, and will not be displaced by individuals without those qualifications or the ability to perform those duties. A laid off employee shall have the right to displace an employee of another work site within the classification series within the agency bumping jurisdiction who has less seniority. The employee who exercises his/her bumping privilege shall enter the pay range of the classification at the rate closest to his/her current rate of pay.

**C.** The bumping procedure will be as follows:

- 1. When an employee is given notice of layoff in accordance with Section 29.01 above, that employee and all other employees within the similar classification series within the agency bumping jurisdiction shall be given a list showing the name, work site and location, and state seniority of all agency employees within their agency bumping jurisdiction in the similar classification series within five (5) days.
- 2. Within five (5) days of receipt of the list above, the laid off employee may give notice to bump, in accordance with 29.01 A or B above. If the employee fails to notify his/her supervisor within that five (5) day period that he/she wishes to exercise his/her bumping rights, he/she shall have no further bumping rights.

- 3. An employee who has been bumped in accordance with the above, shall have the right, within five (5) days, to bump a less senior employee. Should the employee fail to exercise his/her bumping rights within this five (5) day period, he/she shall have no further bumping rights.
- 4. This procedure will continue until the employee bumped either chooses not to exercise bumping rights or has no one to bump.
- 5. In the event that the bumping process outlined above has not been completed, i.e. an employee bumped has chosen not to bump or an employee bumped has no one less senior to bump, after sixty (60) days (or thirty (30) days if the reason for layoff is lack of funds) the following procedure will apply:
  - a. All employees with less seniority within the agency bumping jurisdiction within the affected similar classification series will be given a bumping selection form that identifies potential options. Such employee will select options available to them and will list them in the order of their priority. Employees will be given five (5) days to complete and return the forms. Copies of the forms will be sent by the Employer to the Union.
  - b. The agency will take the top option selected by each employee in declining seniority to determine the bumping placement of that employee. This process will be completed within five (5) days. All employees will then be notified of their placement following this bumping procedure.
- 6. The entire bumping process outlined above shall be completed within the ninety (90) day period (forty-five (45) day period if the reason for layoff is lack of funds) notice period referred to in steps outlined in 29.01 above. No employee will change jobs during the steps outlined in 1-5 above. At the conclusion of this process and at the conclusion of the ninety (90) day period (forty five day period if layoff is for lack of funds) required in 29.01, any employees required to change jobs as a result of the bumping process will change jobs. The jurisdictions for purposes of layoff are outlined in Appendix B.

The Employer shall establish a list of similar classification series which employees may use for displacement purposes in the event of a layoff. The Union will be consulted before the establishment of the list and kept apprised of its progress and the results before implementation.

## 29.03 Recall

When it is determined by the agency to fill a vacancy or to recall employees in a classification series where the layoff occurred, the following procedure shall be adhered to.

The most senior laid off employee with the most state seniority from the classification series shall be recalled first. Employees shall be recalled provided they are presently qualified to perform the work in the job classification to which they are recalled without further training or certification. No promotions shall result from recall. Employees shall have recall rights for a period of two (2) years. Notification of recall shall be by certified mail to the employee's last known address. Employees shall maintain a current address on file with the appointing authority. Recall rights shall be within the agency and within recall jurisdictions as outlined in Appendix B. If the employee fails to notify the agency of his/her intent to report to work within seven (7) days of receipt and return to work within thirty (30) days, he/she shall forfeit recall rights.

## 29.04 Appeals

Grievances resulting from Layoff and Recall procedures shall be grievable directly to Step 3 of the Grievance Procedure.

## 29.05 No Reduction of Hours

If the work force is to be reduced, it shall be accomplished by layoff and not by any hours reduction. Only by agreement between the appropriate parties can the regular hours of employees be reduced.

#### **30.01 Job Vacancies**

## **ARTICLE 30 - VACANCIES**

A vacancy is defined as an opening in a full-time permanent or part-time permanent position in the bargaining unit which the agency has determined is necessary to fill and does not include those positions identified through mutual agreement between the union and the agency as being subject to reorganization, changes in appointment category (type), or a movement that constitutes a demotion.

When a vacancy is created by an incumbent employee leaving the position, and that incumbent is above the entry level position in the classification series, the job shall be posted at the level in the classification series of the leaving employee, provided the duties and responsibilities remain the same. After the employees have had the opportunity to bid for lateral transfers or for promotions, the position can be reduced in the classification series.

When a vacancy will be created by an incumbent employee leaving a position, the agency may post the vacancy and interview and provisionally select a candidate anytime after receiving notice that the position will be vacated.

A job vacancy shall be posted for a minimum of seven (7) days on designated bulletin boards within the agency at the facility where the vacancy exists. Applicants will be notified of the final determination within thirty (30) days after the selection for a position.

Any employee who desires to be considered for a position(s) in another agency(s) shall submit an Ohio Civil Service Application (ADM-4268) to the appointing authority of the agency or institution where employment is sought. Such application shall specify the desired classification(s) and work site(s). These applications will be maintained on file for one (1) year from the date of receipt by the appointing authority. If a posted vacancy is not filled pursuant to steps A and B of this Article, any applicant meeting qualifications for this position shall be considered pursuant to step C of this Article.

The Employer shall prepare and make available a booklet detailing the classifications available in various agencies, including a listing of the appointing authorities to which applications are to be sent.

Notice of newly-created classifications shall be provided to the Union's central office thirty (30) days prior to initial posting.

The Employer is currently developing a process to permit individuals to file an electronic application for a posted vacancy. The Employer may implement this process in addition to the current process during the term of this Agreement. The Union will be provided a reasonable notice and an opportunity to comment prior to the implementation of such a program. Application processes shall not be changed without mutual consent.

## 30.02 Awarding the Job (Transfers and Promotions and Demotions)

"Lateral transfer" is defined as employee requested movement to a posted vacancy which is in the same pay range as the classification the employee currently holds.

"Demotion" is defined as the movement of an employee to a position within a classification covered by the terms of this Agreement pursuant to the provisions set forth for the filling of a vacancy, to a lower pay range only within the employee's current Agency. An employee on disability may appeal a classification assignment under this process within two (2) weeks following reinstatement from the disability.

Classification allocation appeals shall be conducted by an arbitrator. The arbitrator shall determine whether the employee is appropriately allocated to the new classification, and if not, determine the classification assignment that is appropriate. If it is found that the employee is serving in a class not subject to the classification review; the employee shall receive an adjustment effective the date the study was implemented. Employees who do not complete a PDQ shall have no right to appeal the DAS determination. This appeal process shall also apply to state initiated classification reviews.

Pay adjustments pursuant to the classification review shall not be made effective before the beginning of the next fiscal year unless mutually agreed otherwise. The Union shall have the right to appeal the pay range determination directly to Step Four (4) of Article 7 within thirty (30) days of receipt of written notice of the Department of Administrative Services determination. ## 40.02 Scope Of Activities

Steering committees at each level will have the responsibility for the development of plans and activities for the implementation of principles and processes described in Section 41.01, as well as the review of plans developed by subordinate steering committees and the oversight of QStP activities within their jurisdiction. QStP issues and matters which are not resolved at the steering committee level may be referred to the next higher steering committee level for assistance and advice.

## 40.04 Training

Training for all managers, supervisors, employees and union leaders and staff in the concepts, skills and techniques of the QStP processes and procedures will be conducted at the Employer's expense. It is the intent of this agreement that insofar as it is practical, bargaining unit leadership and their exempt counterparts (e.g., local union president and officers and Agency CEO or Director or Assistant Director and Deputies will attend the same training). ## 40.05 Employment Security Assurances

Quality outcomes and improvements resulting from QStP will not be used as the basis or rationale for layoffs. If, as the result of QStP actions or recommendations, classifications are changed or altered, jobs are abolished, or positions eliminated, management shall attempt to find other suitable employment within the employee's office, institution or county, or geographical jurisdiction, in that order for those employees affected; and if necessary, their pay shall be set in accordance with Article 38. Employees shall not be subjected to loss of pay or layoff pending suitable placement under this Section.

## **ARTICLE 41 - SUB-CONTRACTING**

#### 41.01 Contracting Out

The Employer intends to utilize bargaining unit employees to perform work which they normally perform. However, the Employer reserves the right to contract out any work it deems necessary or desirable because of greater efficiency, economy, or programmatic benefits or other related factors.

Changes in State policy or methodology for delivering services may result in the discontinuation of services or programs directly operated by the State.

Every reasonable effort will be made to avoid the layoff of an employee as a consequence of the exercise by the State of its right to contract out.

## 41.02 Facility Closings/Service Elimination

Should it become necessary to close a facility or eliminate a service, the following guidelines will be utilized:

- A. Where individual facilities are closed or services eliminated, the provisions of Article 29 Layoff and Recall would apply;
- B. Departments will seek to absorb all affected employees or help laid off workers obtain employment in other areas of the public sector;
- C. A concerted effort will be made to relocate laid off employees within the framework of any new delivery system. Management will seek to involve the Union and any newly-created structure in a positive program for the hiring and possible retraining of any displaced employee;
- D. In cooperation with the Union, the agencies will aggressively search for any available program assistance for the purpose of job training and/or placement. The joint efforts of the Union and Management will closely examine all possible avenues for human resource assistance both in the public and private sectors.

## 41.03 Supervisors/Managerial Employees

The State will make every effort to reach the goal of supervisors doing supervisory work and non-supervisory work done by bargaining unit employees. The Employer and the Union will discuss any concerns about the ratio of supervisors to bargaining unit members.

## 41.04 Volunteers

Every effort will be made to avoid the elimination of a position or displacement of an employee due to the use of volunteers.

## 41.05 Contracting-In

- A. The Union will be granted a reasonable opportunity to demonstrate that bargaining unit employees can competitively perform work which has been previously contracted out, including access to available information regarding costs and performance audits. In considering, the granting, renewal or continuation of competitively bid contracts for work normally performed by bargaining unit employees, to the extent feasible the Employer will examine information provided by the Union regarding whether or not such work can be performed with greater efficiency, economy, programmatic benefit or other related factors through the use of bargaining unit employees rather than through renewal or continuation of the contract or initial contracting out of work.
- B. Within thirty (30) days of the effective date of this Agreement the State will furnish to the Union the State agency web site addresses that identify requests for proposals (RFPS) and invitation to bids (ITBS) for work it expects to contract out. The Union will receive additional State web sites within thirty (30) days of when they come on line.

#### 42.01 Orientation and Training

#### **ARTICLE 42 - GENERAL PROVISIONS**

The Employer will continue to provide initial orientation/training programs. Except for emergencies, employees will complete their initial orientation/training program. Changes and improvements in initial orientation/training programs will be discussed in appropriate professional committees.

During initial orientation, a union representative shall be allowed reasonable time to orient new bargaining unit employees to the Union.

## 42.02 Polygraph Tests

No employee shall be required by the Employer to take a polygraph test.

## 42.03 Compensation for Damaged Personal Property

If the clothing or other personal property normally worn by a member of the bargaining unit is damaged or destroyed as the result of actions arising out of the member's performance of work, the Employer will make reasonable compensation to the member for the property, or repair the property, or clean the property.

The Employer will make reasonable efforts to compensate the employee within thirty (30) days of the filing of the claim.

#### 42.04 Nursing Duties

In order to provide the necessary time to perform properly the duties of their job classification, registered nurses will not routinely be asked to assume responsibilities outside their classification. Housekeeping duties, clerical duties, and other duties which can be and normally are performed by para-professional employees shall not be required of the registered nurse, other than in irregular or unusual circumstances.

## **ARTICLE 43 - WAGES**

## 43.01 Definitions of Rates of Pay

Class base is the minimum hourly rate of the pay range for the classification to which the employee is assigned. Step rate is the specific value within the pay range to which the employee is assigned.

Base rate is the employee's step rate plus longevity adjustments.

Regular rate is the base rate (which includes longevity) plus all applicable supplements.

Total rate is the regular rate plus shift differential, where applicable.

Notwithstanding any other provision of this Agreement, if these definitions lead to any reduction in pay, the previous application shall apply.

## **P3 - Physicians/Psychiatric Physicians**

#### 44.03 On Duty

Where the agency continues on duty coverage, the agency will offer on duty coverage to bargaining unit physicians. Physicians may volunteer for the on duty assignments and will be canvassed for their interest in the on duty work every four months. If a physician volunteers for such on duty work assignments, they must work for the entire four-month period. If they wish to no longer work the on duty assignment, or reduce the number of hours they want to work, the physician must notify the Employer forty-five (45) days prior to the end of the four-month period to enable the Employer to find a suitable replacement. The agency will specify duties to be performed, e.g., making rounds, handling emergencies, etc.

On duty pay will be at the rate of forty dollars (\$40) per hour effective July 1, 2000. Effective July 1, 2001, the rate will increase to forty-five dollars (\$45) per hour. It is agreed that there will be no further rate changes over the

term of this agreement unless mutually agreed to by the parties. In the two institutions where the current compensation exceeds this rate, on duty pay will be offered at the current rate for the term of this Agreement.

The on duty rate for non-psychiatric physicians, which are those physicians in the P2 and P3 pay scale, shall be thirty-five dollars (\$35) per hour effective July 1, 2000, and will go to forty dollars (\$40) per hour effective July 1, 2001. It is agreed that there will be no further rate change during the term of this agreement unless mutually agreed to by the parties.

All physicians may elect to accrue compensatory time in lieu of payment for hours worked on duty. The conversion rate of on duty hours worked for compensatory time shall be two hours of on duty time for every one hour of compensatory time (2:1). For every two hours of on duty time, the employee would receive one hour of compensatory time. The maximum accrual of compensatory time hours shall not exceed sixty (60) hours. Hours worked on duty above the sixty (60) hours must be paid in wages according to the rate in this section.

## 44.04 On-Call

Where on call coverage is utilized, the Departments of Mental Health and Mental Retardation/Developmental Disabilities shall pay bargaining unit physicians at the rate of fourteen dollars (\$14) per hour effective July 1, 2000.

In the Department of Rehabilitation and Correction, physicians may be utilized in working on call hours at the sole discretion of the Employer. Department of Rehabilitation and Correction physicians will also be paid at the rate of fourteen dollars (\$14) per hour, effective July 1, 2000.

All physicians may elect to take compensatory time in lieu of payment for hours worked on call. The rate of conversion of on call hours to compensatory time hours is four (4) hours of on call time for every hour of compensatory time (4:1). Employees must work four hours of on call time to get one hour of compensatory time.

## **ARTICLE 45 - NO STRIKE/NO LOCKOUT**

There shall be no strikes during the term of this Agreement. The Union shall not authorize or sanction, and members of the Union shall not instigate, participate in or cause any such strike. The Employer agrees that there shall be no lockout.

Any employee in these units who participates in or promotes a strike as defined in Section 4117.01 (H) of the Ohio Revised Code and as determined by the State Employment Relations Board pursuant to Section 4117.23 of the Ohio Revised Code shall be subject to the penalties as outlined in Section 4117.23 of the Ohio Revised Code.

#### **ARTICLE 46 - SAVINGS CLAUSE**

Should any provision contained herein be declared invalid by operation of law or by any tribunal of competent jurisdiction, such invalidation of such part or provision shall not invalidate the remaining portions hereof, and they shall remain in full force and effect. Provided further that in the event any provision(s) is declared invalid, both parties shall meet within thirty (30) days for the purpose of renegotiating an agreement on provisions so invalidated.

#### **ARTICLE 47 - TERMINATION OF AGREEMENT**

This Agreement shall be effective on June 1, 2000, and shall terminate at 11:59 p.m. on May 31, 2003.

#### **ARTICLE 48 - COPIES OF THE AGREEMENT**

The Employer shall reproduce one (1) copy of this Agreement for each employee in the bargaining units. Additional copies shall be reproduced for employees hired during the term of the Agreement.

Printing costs shall be shared equally by the Employer and the Union.

#### **ARTICLE 49 - DRUG TESTING**

The Employer may randomly test, for drugs and alcohol, employees working in the Departments of Rehabilitation and Correction and Youth Services who have direct contact with inmates, youths, or offenders from the Departments of Rehabilitation and Correction and Youth Services or others who are under the supervision or jurisdiction of these agencies. The Employer may randomly test employees working in classifications outlined in Appendix D that are considered to be safety sensitive positions.

Unless mandated by federal law or regulation, there will be no random drug testing of employees covered by this Agreement, except as otherwise specified in this Agreement. A listing of PCNs and the names of employees shall be provided to the Union one (1) month after this Agreement is effective. Thereafter, the list shall be provided to the Union representative designated by the president, two times each year.

The parties acknowledge that the Employer retains the right to establish a fair and reasonable drug policy. Such policy shall not be arbitrary or capricious and shall not conflict with the provisions of this contract. The policy is set forth in Appendix D.

E. An employee's refusal to accept referral for diagnosis or to follow the prescribed treatment will be handled in accordance with other policies relating to job performance, subject to the contractual grievance/arbitration procedures and other provisions of this Agreement. No person with a substance abuse problem shall have his/her

The Employer has the right to move employees and positions through relocations pursuant to Article 24.18 and this Memorandum of Understanding. Changes in work assignments within the same program area are not relocations as defined by this Memorandum of Understanding.

The Employer maintains the right to temporarily relocate an employee(s) and his/her position to another location whether within the same headquarter county or another county using the provisions of Section 24.18; and to permanently relocate an employee(s) and his/her position in excess of nine (9) months, to another location whether within the same headquarter county or another county using the following method:

The Employer will identify the area(s) deemed to be in excess and need and will notify the Union as soon as practicable. In the notification the Employer will explain the rationale for the relocation, a tentative schedule for relocation of employees and job duties required in the area of need. A draft organizational plan will be provided at the time of the proposed relocation, if not complete at that time, it will be provided within thirty (30) days of the employee(s) being relocated. The determination of an excess/need is a management right per Article 5 and is non-grievable and shall not be used to dispute the rationale for job abolishments and/or layoffs in Article 29. However, the determination of excess may be grieved where no layoffs are proposed.

Permanent relocations shall function as follows:

- 1. Where entire work units, sections, bureaus or offices are being relocated, notification is all that is required and no canvass will be done.
- 2. Where not all employees of the same classification in work units, sections, bureaus or offices are being relocated, the Employer shall canvass the area(s) of excess for volunteers to move to the area of need. This canvass shall be accomplished by notification to the affected employees of four (4) agency working days or a time period mutually agreed upon by the Employer and the union.
- 3. The Employer shall relocate the volunteer who is qualified for the position and has the most seniority.
- 4. If there are no volunteers in the area(s) of excess, the Employer may relocate the employee with the least seniority who is qualified for the position to the area of need.
- 5. In cases of involuntary relocation, the employee has a preferential right to return to the previous job site from which he/she was relocated up to one (1) year, provided that there is a need for a posted vacancy in the same classification as the relocated employee.

The permanently relocated employee shall be relocated to perform duties appropriate to the same classification which he/she holds. Such relocation(s) do not constitute the creation and filing of a vacancy pursuant to Article 30, except that where an excess has been determined as the result of the granting or settlement of a grievance, to have been arbitrary or capricious and solely for the purpose of circumventing the provisions of Article 30, an appropriate remedy may be the awarding of a promotion with the grievant(s) to be made whole.

#### C. SUB-CONTRACTING GROUP

It is the intent of the parties that within ninety (90) days of the ratification of the Agreement that the APC will appoint a subcommittee of six (6) individuals (three each from the union and management from which one co-chair for each party shall be appointed).

The purpose of the committee will be to periodically review contracts, contract renewals and other contract issues that may impact District 1199 members of ODJFS.

At the first APC meeting following ratification of this contract, the sub-contracting group will be formed. The committee will then decide as to date, time and location of their first meeting.

The sub-contracting group will periodically report their reviews to the APC.

### MEMORANDUM OF UNDERSTANDING BETWEEN THE OHIO DEPARTMENT OF MENTAL HEALTH AND DISTRICT 1199/SEIU

### I. C.S.N. TRAINING

Training shall be developed on the local level. Each C.S.N. shall develop training that is designed to reflect the particular needs of that area. This will be developed with input from representatives of 1199. This may be done in conjunction with other unions.

It is the responsibility of the Employer to ensure that each employee has the opportunity to participate in the offered training.

Employees who do not successfully complete offered training before the end of their probationary period or trial period (depending on which is applicable) they may be terminated from that program, either probationary removal or if applicable return to the hospital. In case of return to the hospital, a meeting will be held with the employee and union to discuss the return.

Successful completion is determined by the programmatic needs of the C.S.N. as established by the Employer with input regarding the process and criteria from the Union.

#### **II. BUMPING PROCESS IN MENTAL HEALTH**

This Agency Specific Agreement supercedes Article 29.02 C - Bumping Procedure. All other sections of Article 29 continue to apply unless specifically listed in this agreement.

For the purpose of this agreement for section 29.01, the Department shall only notify the employee(s) who will be initially laid off prior to the exercising of their bumping right(s) and the least senior employee who will be bumped at the site selected by the original laid off employee.

### **Bumping Process:**

Once an employee has been notified that his/her position will be laid off per Article 29.01 and 29.02 A&B, the employee has four options available to them.

First, the y may choose to accept the layoff.

Second, the employee may choose to bump or accept a vacant position either at the hospital site or the geographic bumping jurisdiction provided they are qualified to perform the duties of the position.

Third, they may choose to bump within the hospital site.

Fourth, they may choose to bump within the geographic bumping jurisdiction.

If the employee chooses to take the layoff, then that employee is placed on the recall list per Article 29.03.

If the employee chooses to bump into a vacant position in the hospital site or the geographic bumping jurisdiction, then they will have exhausted all of their rights to bump and there will be no further bumping or notification.

If the employee chooses to bump within the hospital site, then the employee must bump the least senior employee in their classification series using the same and similar roster.

If the employee chooses to bump in the geographic bumping jurisdiction, the employee shall choose one site for which they wish to bump. Once the site is selected, the employee shall bump the least senior employee in that classification series using the same and similar roster.

As stated above, only the employee who was initially laid off and the least senior at the site for which the original laid off person chooses, shall be notified of the layoff.

Within five days of receipt of the notice the laid off employee may give notice to bump in accordance with this Agreement. If the employee fails to notify his/her supervisor within that five day period he/she wishes to exercise his/her bumping rights, he/she shall have no further bumping rights.

An employee who has bumped in accordance with this Agreement, shall have the right, within five days, to bump the least senior employee according to the provisions of this Agreement. Should the employee fail to exercise his/her bumping rights within a five day period, he/she have no further bumping rights.

The entire bumping process shall be completed within the first thirty (30) days of this ninety (90) day period. The parties may mutually agree to modify these timeframes.

After the laid off employee selects options 2-4 and the bumping is completed, the site will conduct a canvass to properly distribute the staff by seniority.

The geographical bumping jurisdiction is included in Appendix B.

In the case of the closure of a C.S.N. program, the notice to employees shall be thirty (30) days due to the lack of work and funds for the program.

III. BUMPING INTO C.S.N

Employees in the Department of Mental Health have the right to bump "within the hospital" in accordance with Article 29 of this agreement. However, if the employee chooses not to bump within the hospital or cannot bump another employee in the hospital, the following provisions apply and supersede any conflicting provision(s)/section(s) of Article 29 as well as past practices.

### **SECTION 1.**

In the case of layoff(s), employees shall first have only the right to bump into vacant positions in either newly created C.S.N. program(s) or vacant position(s) in an existing C.S.N. program(s) as long as the position is in an equal or lower position in the same or similar related classification series per Article 29 and provided that the affected employee is qualified and proficient to perform the duties. In no case shall the bump be to a position in a higher classification or to higher pay or one that constitutes a promotion. If these vacancy bumping opportunities exist, employees shall make their bumping selection to such a position first, beginning with the most senior and progressing to the least senior. If the employee does not or fails to select a bump to such a vacancy, the employee will have exhausted all of their bumping rights under Article 29 of the contract and will be laid off.

In situations where the number of employees to be laid off exceed the number of C.S.N. positions created at the time of the layoff, then the most senior employee(s) targeted for layoff will have the right to choose between available vacant C.S.N. positions or bumping existing occupied C.S.N. positions who are less senior. The less senior of the targeted employees for layoff must bump into the vacant C.S.N. positions available or they have exhausted their bumping rights.

Employees retain the right to accept the proposed layoff.

### **SECTION 2.**

In the case where the Department was unable to create C.S.N. positions:

Employees have the right to bump into existing C.S.N. program(s)/position(s) in the same manner as stated in Article 29, provided they have successfully passed and completed the C.S.N. training and meet and are proficient in the duties of the positions for which they wish to bump. As stated earlier, the Medical Director in conjunction with the C.S.N. Director may waive any or all of the training requirements on an individual basis.

### **IV. C.S.N PROBLEM-SOLVING GROUP:**

The parties agree to use this group as a sub-group of the statewide APC for the purposes of dealing with issues specifically pertaining to C.S.N. The parties will mutually agree on the size and how often the group will meet.

#### V. C.S.N. HOLIDAY OBSERVANCE

Those employees that work in the Community Support Network (C.S.N.) may have the observance of any one of the following holidays changed based on the observance by another Mental Health Board, Agency, or another entity. The holidays are:

- 1. Presidents' Day
- 2. Columbus Day
- 3. Veterans' Day

These employees will still maintain the same number of holidays in the collective bargaining agreement, however they may be observed on alternative days. These alternatives dates shall be determined in advance and employees shall have prior notice. If another alternative holiday observance is requested, the local delegate will be notified as soon as possible. The observance of these alternative days shall be an appropriate topic for the hospital professional committee. Any additional alternative observances shall be by mutual agreement.

### VI. C.S.N. REPORT-IN/WORK LOCATION CLOSURE

Due to numerous unforeseen as well as foreseen reasons, an individual C.S.N. program site may be closed. If that situation occurs, the following are options that both Management and the C.S.N. employee may jointly agree to use. These options shall be spelled out in advance so when the situation occurs, there will be some level of predictability. All of these options must have prior approval by the program supervisor.

#### Options

- 1. The employee may take appropriate leave for the day.
- 2. If appropriate to the program, the employee may reschedule the day for another day during that week only.
- 3. The employee may report to an alternative site that is approved by their supervisor. They must call in and notify the supervisor of the alternative site option. They may then perform C.S.N. related work such as Contact Logs and phone contacts to clients. The employee may use a combination of work at an alternative site and leave time to fill the day schedule.
- 4. The employee may report to an alternative site and perform duties that they are qualified to perform on a unit. This must also be approved in advance by the C.S.N. supervisor and the alternative site administrator.

5. Any other arrangement that can be mutually agreed to locally as long as it does not violate the collective bargaining agreement, ODMH policy, and/or State or Federal law.

If any of these options are used, the goal is to facilitate the least disruption of the program as well as maintaining services to the client as prescribed by the individual C.S.N. program. Accountability must be built in to any one of the options that are utilized. If one of the options are approved but later becomes problematic, the C.S.N. supervisor shall notify the employee as soon as possible identifying that option as no longer available.

Each C.S.N. supervisor shall meet and discuss these options as soon as possible so that employees will understand the options available to them. Each C.S.N. program option(s) will be reduced to writing. Any problems will be taken to the agency C.S.N. problem solving group.

VII. MEMORANDUM OF UNDERSTANDING shall supersede all conflicting Articles, sections and practices of the collective bargaining agreement.

1. All employees entering an C.S.N. position from the hospital, will serve a trial period of one-hundred and eighty (180) days. During the trial period, the employee may return to the same classification they held before the move to C.S.N. This return may be for any reason and shall only be at either the employee or the Employer's request. In either case, the return to the previously held classification is not grievable. The requested return shall only be applicable during the 180-day trial period. The employee may appeal the Employer initiated return to the hospital, by making a request in writing to the CEO and a copy to the C.S.N. Director. A meeting shall then be held to discuss the reasons for the return to the hospital. In the case of an employee initiated return, the above mentioned parties shall also meet to discuss the reasons for a return to the hospital. Problems and issues shall be reviewed with the intent to resolve them prior to an employee returning from an C.S.N. during the trial period. If the employee so desires, a union delegate shall be present at the meeting.

There shall be no step or pay increase due an employee as a result of the employee completing the trial period.

After the trial period is over, the employee can only leave the C.S.N. position by Article 30, Vacancies, or Article 29, Layoffs, or as described in this Memorandum of Understanding.

- 2. Prior to the recall of laid-off employees to C.S.N. positions, employees who are currently working in the hospital will have the right to the position first. All positions that the hospital intends to fill will be posted for internal fill first. If no current employee bids on the position, then only laid-off employees from the hospital who have had C.S.N. training have the right to recall.
- 3. If C.S.N. positions are to be laid off, the affected employees have bumping rights to less senior employees in the following order:
  - a.) first within their present C.S.N. program;
  - b.) within other C.S.N. programs operated by that hospital;
  - c.) back within the hospital;
  - d.) to another hospital only within the bumping geographic jurisdiction.
- 4. Any or all of these bumping rights may be changed by mutual agreement of the parties. The parties may mutually place employees into vacant positions that they would not normally have a right to fill in the case of a layoff, provided the employee is qualified for the position.

#### **VIII. OVERTIME PROCESS & PROCEDURE**

#### **Procedure:**

It is solely a Management Right to make the determination when overtime is necessary. Prior to making that determination, Management may use "establish term irregular" or part time employees to fill in for staff while off work instead of declaring an overtime situation. Management may also determine that there is no need to add additional staff, based on a number of factors, when an employee is off work. The following applies once Management has determined there is a need for overtime and is within the criteria established by Article 24.03.

**STEP 1:** Once a need for overtime has been determined, Management shall call the first five (5) qualified employees on the voluntary roster who are assigned to the shift where the overtime is needed, but are not scheduled to work, by seniority starting with the most senior on a rotating basis to the least senior. If one of the employees accepts the opportunity, a "red line" is drawn below that name so when the next opportunity arises, the next less senior person shall be offered the opportunity.

**STEP 2:** If no employee accepts the offer, then Management shall offer the opportunity to the qualified employees on duty on the current shift by seniority on a rotating basis. If an employee accepts the opportunity, a "red line" is drawn below that name so when the next opportunity arises, the next less senior person shall be offered the opportunity.

**STEP 3:** If no employee accepts the offer, then Management will canvass the voluntary overtime roster starting with the most senior employee and calling each less senior employee until they have either gotten a qualified employee to accept the offer or until the entire voluntary or alternative rosters have been exhausted. \*\*\*(Note that those employees in Steps 1 & 2 need not be re-canvassed after they have already been asked or called in the above steps).

**STEP 4:** If no employee accepts the offer from Step 3, Management can mandate overtime and shall mandate the least senior qualified employee currently working on the shift that day. The least senior employee shall be mandated on a rotating basis. Once an employee is mandated, a "red line" is drawn at their name. When the next situation of mandated overtime occurs, the person next most senior to the last person mandated shall be mandated irrespective of the number of hours the previous person was mandated. No employee shall be mandated from home.\*(There may be an exception in the case of Millcreek or in the case of emergencies.)

### **DEFINITIONS:**

- 1. Work site is each individual Campus and each individual C.S.N. program
- 2. Rotating basis The sequential movement either by the most senior or least senior employee to the next until the overtime opportunity is accepted or assigned. In the case of voluntary overtime the movement is from the most senior to the less senior volunteer. In the case of mandated overtime, the movement is from the least senior to the more senior. In both cases the rotation moves throughout the entire roster in an attempt to secure an employee to either accept the opportunity or mandate an employee.

Once an overtime opportunity is accepted or an employee is mandated, the employee's name is "red lined" and the next opportunity or assignment goes to the next employee based on seniority. For voluntary overtime, the next opportunity will go to the next less senior employee after the "red line". In the case of mandated overtime, the next person to be mandated will be the next more senior employee after the "red line". Once an employee is mandated regardless of the number of hours worked, the next assignment goes up the roster to the next more senior qualified employee after the "red line".

- 3. Established Term Irregular Appointment Type (ETI) This appointment type is eligible for voluntary and mandated overtime when the employee is assigned to replace a forty-hour (40) employee on extended leave such as disability, Workers' Compensation, O.I.L., or extended union leave. The ETI employee does not have seniority in this appointment type and thus is placed at the end of the overtime or alternative rosters based on the date of the full time assignment.
- 4. Part Time Employees may be required to work more hours than they are normally scheduled. They may volunteer to work more hours than scheduled up to forty (40) hours. In order for a part time employee to work more than forty hours, the voluntary overtime roster must be called and exhausted.
- 5. Pre-Scheduled Overtime is an optional method to schedule overtime where the need is foreseeable. If prescheduling overtime is used at a particular location, the following guidelines shall apply:
  - Post opportunities in advance.
  - Award the opportunity in the same procedure as identified in this agreement above.
  - Employees interested in the opportunity must sign up during the posting period.
  - The posting period shall be decided locally.
  - Once an employee is awarded an overtime opportunity, it is considered as if it is a regularly scheduled day. Failure to show up for the scheduled day or to follow normal call off procedures shall subject that employee to disciplinary action.
- 6. Overtime Cap An employee may not work more than sixteen (16) hours in a day nor more than two (2)-sixteen- (16) hour days in a row.
- 7. Qualified Employee an employee who by virtue of their classification has the ability, skills, and license to perform the work on a regular basis and who can also perform the work when needed on an overtime basis.

#### LOCAL OPTIONS:

All local agreements including the following options shall be reduced to writing and signed by both the Union and Management with a copy sent to the respective central offices.

Alternative list - is a list of additional employees who meet the qualified employee definition and may be used to work voluntary or mandated overtime. These may be classifications that have worked overtime based on practice or it may be other employees from other sister work sites such as Lewis Center and Millcreek or the Northfield and Cleveland campuses of NBHS.

C.S.N. Overtime - employees from different work sites may be eligible to work overtime in another site in the same Behavioral Healthcare Organization (BHO). For example, an employee in a C.S.N. program may work

overtime at one of the BHO sites upon mutual agreement. Additionally the reverse may be true where an employee inside the hospital at a BHO may be eligible to work overtime at one of the C.S.N. sites or work overtime from one C.S.N. site to another.

Alternative schedules - if mutually agreed by the local union and management, employees may be eligible to work alternative hours and schedules if it is beneficial to the employee and the BHO. If there is agreement to work an alternative schedule or hours, the local site must discuss and develop a method of coverage for overtime when utilizing these types of schedules.

Shift/Day Trades - If agreed to locally by both labor and management, it is appropriate to permit shift/day trades between employees. If this is selected as an option at a particular BHO, the following conditions must be part of any program to trade:

- The trade must be initiated by employees.
- Both employees must sign a shift/day trade form in advance.
- It must be approved by a nursing supervisor designated at the BHO.
- No trade may cause overtime for either employee unless specifically noted in advance and approved in advance.
- The trading employees must work the entire shift for which the trade is intended.
- Locally it must be decided how long in advance the request must be made.
- The trade may only be with and among qualified bargaining units members in the same union.
- Denial of a shift/day trade is not grievable. Issues and concerns regarding shift/day trades are appropriate topics for the local A.P.C.'s.

#### **GENERAL PROVISIONS:**

The parties will jointly develop a form to document and administer the overtime calling procedure. A uniform system for recording responses will be followed.

The parties agree to develop a form to be used when a BHO has agreed to use shift/day trades.

The parties agree to do a one-time joint labor and management training at each BHO campus on the overtime process and procedure.

Employees who are working an overtime shift on their day off may not be mandated.

#### IX. VACATION APPROVAL PROCESS

- 1. Each ODMH facility will conduct a semi-annual canvass to determine the awarding of vacation requests for each calendar year.
- 2. Requests for vacation scheduling will be distributed by January 2 and by July 1 of each year. Employees must return the requests on or before February 1 and August 1 respectively. Requests made in January will be considered for the six-month period beginning March 1 through August 31. Requests made in August will be considered for September 1 through February 28 of the following year.
- 3. Vacations will be awarded based on state seniority by shift. Ties in state seniority shall be broken in ascending numeric order of the last four digits of the employee's social security number, with the lowest number being the most senior.
- 4. Available vacations opportunities will be determined by classification per shift. The number of available vacation opportunities will be posted.
- 5. Employees may request a minimum of one (1) day up to a maximum of his/her annual accrual. For example, if an employee accrues four (4) weeks annually and requests and receives approval for all four weeks in the first canvass, that employee would not be eligible to submit a vacation request in the second (August) canvass.
- 6. Vacation can be requested at other times outside the canvass periods. Those requests will be approved based on a first come, first served basis per shift. More senior employees cannot bump a less senior employee's approved vacation.
- 7. Employees off work due to a long term leave such as Workers' Compensation, O.I.L. or Disability, or other approved long term leave, will make his/her selections for vacation in that canvass period upon their return to work.
- 8. Once a vacation has been approved, a more senior employee cannot change his/her selection choice(s) and 'bump' another less senior employee.
- 9. Thirty (30) days prior to the approved vacation request, the employee will submit a Request for Leave Form (ADM 4258).
- 10. Employees must have the appropriate number of hours either already accrued or be able to accrue the number of hours requested prior to the date of the vacation. This applies to both the semi-annual canvass and to other vacation requests identified in #6 above.

The VRAC will attend classes to earn the appropriate Masters degree so that at the completion of the Masters degree the individual can be assigned VRC duties. The parties agree the VRAC is a pilot project for three (3) years beginning July 1, 2000. For the first two (2) years of the project RSC may hire VRACs.
